## Environmental Estrogens and Breast Cancer Risk Bibliography

This bibliography is provided as a service to our readers. It is compiled from the entries in the BCERF [Environmental Risk Factors Bibliographic Database](#).

Andersen, H. R., Andersson, A.-M., Arnold, S. F., Autrup, H., Barfoed, M., Beresford, N. A., Bjerregaard, P., Christiansen, L. B., Gissel, B., Hummel, R., Jørgensen, E. B., Korsgaard, B., Le Guevel, R., Leffers, H., McLachlan, J., Møller, A., Nielsen, J. B., Olea, N., Oles-Karasko, A., Pakdel, F., Pederson, K. L., Perez, P., Skakkeboek, N. E., Sonnenschein, C., Soto, A. M., Sumpster, J. P., Thorpe, S. M., and Grandjean, P. (1999). Comparison of short-term estrogenicity for identification of hormone-disrupting chemicals. *Environmental Health Perspectives* 107, 89-115.

Arnold, S. F., Vonier, P. M., Collins, B. M., Klotz, D. M., Guillette Jr., L. J., and McLachlan, J. A. (1997). *In vitro* synergistic interaction of alligator and human estrogen receptors with combinations of environmental chemicals. *Environmental Health Perspectives* 105, 615-618.
