PARKING PERMITS ON ITHACA CAMPUS

Parking permits for the "N" zone or green area are now in all the Fleet Pool sedans and station wagons. Maps to find the green areas and letter of instruction are in yellow envelopes in the glove compartment of each vehicle. Please use the map but do not remove from vehicle. The next person using the vehicle will need the map and we don't have any extras.

In addition, you may also use this permit to park in any of the red areas for under two hours.

Thank you
J. P. Batson

KUDOS FROM STATION CLUB

On behalf of the Station Club, I thank Ed
Broderick and Patty Gibbs (co-chairs) for an
outstanding Station Club Banquet on October 17.
Tom DeYulio, John Watson and Ben Gavitt helped
with the door prizes. A special thank you to Ken
Livermore for serving as the Chair of the Nominations
Committee.

I also thank the many persons who helped
me during the past year of my service as President of
the Station Club. Without their help the club would
not have had a successful year.

Finally, I request all members of the Station
Club to participate and to help with the activities of
the club during the coming year. I am sure that Tim
Dennehy and the new officers of the club will
appreciate your help.
