NOTE ON DIRECT DEPOSIT

I was informed by the Treasurer's Office, Cornell University, today that the first actual direct deposit at Geneva Savings Bank will be December 13 for non-exempts and December 20 for exempts. The November 29 payday and December 6 payday will be practice runs to verify employees and their account numbers. Please call me if there is a question (X213).

J. P. Batson
Business Office

REMINDER

Bob Hefferon's retirement party is Friday, November 16 at the Lionstone Restaurant Geneva.

NOTE

There will be a demonstration of the Wyse computer terminal on Thursday, November 8 at 10:30 a.m. in the Food Science Conference Room. All interested individuals are welcome to attend.

CHRISTMAS HOLIDAY SCHEDULE

The Christmas Holiday schedule is Tuesday, December 25, 1984 through Tuesday, January 1, 1985. The reason the 24th is not a holiday this year is the fact that if we had that day as a holiday we would be required to work December 31. To avoid a break in our holiday, Cornell has slated the above schedule.

Overtime pay for non-exempt employees will be computed on the basis of hours actually worked plus any eligible holiday time which occurs during that standard workweek. Vacation, sick leave, and other hours paid but not worked are not counted in calculating overtime.

CRAFT SHOP

Plan to come to the Country Christmas and Craft Shop on November 16, 17, and 18 at the cobblestone house, off Route 14 south near Kashong. See next week's calendar for more details.

FOR SALE

Winter rat—1974 Ford LTD, 84,000 original miles. \$500 or best offer. Call Kathy, X210.

Baby changing table—\$10; baby backpack—\$6; baby car seat—\$5; Sweiger sofa—\$75; child's dresser—\$10; pine dresser—\$10; and tricycle—\$7. Call Phil Evans, X362 or 789-9322.

THANKS FROM MICKEY

To all of you who took the time to attend my retirement party, to all those who contributed toward the gifts, and to all those at the Station with whom I have been closely associated these past 37 years, I thank you. A lot of changes have taken place at the Station since I first arrived, but one thing has never changed, and that is the friendliness of the people who work here. It is with a fine

cooperative spirit that every phase of the Station's activities abound, and I am so pleased that I have been privileged to be part of this institution for so many years. Thank you again.

Mickey Hefferon

YES, NYSAES HAS A NINE—DIGIT ZIP CODE

Did you think we were cheated or overlooked by the Postal Service? Most of us didn't know whether we had a 9-digit zip code. In fact, most of us didn't really care. But, we do, and you may now use it if you desire. It is: 14456-0462.
