** Included in Olin totals.

*** Included in Mann totals.

[^] CUL is transitioning to including in this count only shelving dedicated to print volumes; past counts included shelving devoted to special format material as well. 2007/2008 counts that do not include special format shelving are caretted.

¹ Staff counts do not include student staff, or temporarily vacant lines.

² Includes fringe benefits.

³ Includes all circulation and renewals (general, reserve and equipment).

⁴ Negative figures reflect significant transfers of volumes to the Library Annex.

⁵ Represents 100% capacity for all shelving and other storage mediums such as map and microform cabinets. Note that "working capacity" is often defined as 86% of full capacity to accommodate the interfiling of new acquisitions without damage to materials and avoid frequent collection shifts.

⁶ Annex figures include 36,089 charges/renewals not made at the Annex.

⁷ Several libraries lost significant space to their colleges.

⁸ Mann Library had significant grant related expenditures this year.

⁹ With the completion of the Mann renovation, over 44 thousand volumes were transferred back to campus from the Annex.

¹⁰ Mann Library's renovation was officially completed in 2007.
