## NOTES

If any member of the Conference has questions that he would like discussed in the panel discussions, he will please mail those questions to the respective panel chairman before the Conference.

The ladies of the Veterinary Circle will hold Open House in the Seminar Room of Moore Laboratory on Wednesday and Thursday afternoons. Tea will be served. Visiting wives are especially invited, and the men are urged to drop in for a cup of tea at any time.

The presiding officers have been instructed to start the program *at the time indicated* whether or not there are many in attendance and to endeavor to keep the sessions operating *on time*. Our guests can greatly assist by being on time themselves. Your cooperation in this respect is solicited.

The Flower (Veterinary) Library, located on the second floor of James Law Hall near the auditorium where the meetings will be held, will be open during the Conference. Any member who wishes to use the Library is welcome to the privilege and the Librarian will be glad to offer her help in finding anything wanted.

There will be exhibits in the museum of James Law Hall.
