## DEDICATION

We of the Spiked Shoe Society  
of Cornell University  
dedicate this issue  
of the WASTEBASKET to:

GRANDIN A. GODLEY '36

Grandin A. "Jeff" Godley, P.O. Box 425, Syracuse, Indiana 46567 was a fine high jumper and high hurdler on the 1934 thru 1936 teams. A consistent scorer, sometimes winner in either event, he tied for second in the high jump in the Oxford/Cambridge meet, won the Junior National AAU high jump in 1935, and had a 6'1½ competitive jump in the "primitive" era of high jumping. He scored several times in the IC4A. He has been a loyal, enthusiastic, and generous supporter of Cornell and Cornell track since his graduation. We all appreciate this support very much.

## 1986 SEASON SUMMARY

- Monday, September 15 vs. CORTLAND: Both squads had decisive wins over Cortland. The women led by Capt. Sarah Day's 18:24.1 and followed closely by Julia Reisinger, Amy McGarry, Carol Andersen, and Candi Calhoun posted a 15-48 win. The men ran the entire race in a pack and Frosh Bill Rathbun put on a kick to post a win followed by ten more team members within 26 seconds.
- Friday, September 19 vs. ARMY, SYRACUSE, EAST STROUDSBURG: The ladies improved their record to 4 and 0 with an impressive team performance. Under cloudy but warm conditions, two Army runners and one Syracuse runner took the top 3 places, but Cornellians garnered the next 5 places led by Candi Calhoun, followed closely by Reisinger and Krolewski. The big Red wins were over Army 25 to 33, Syracuse 20 to 43, and East Stroudsburg 15 to 48. The men fell to a strong Army squad 15 to 45, was nipped by Syracuse 27 to 28, and topped East Stroudsburg 15 to 50. Gavin Sloane led the Red with a 7th place finish.
- Friday, September 26 vs. COLUMBIA, HARVARD, PENN (Men) and HARVARD, FORDHAM, RUTGERS, MANHATTAN (Women) at Van Cortlandt Park in NYC: This pre-Heps experience on the VCP course in hot, humid weather brought the first blemishes on the spotless record of the women who were running without Candi Calhoun who did not make the trip because of illness. The Red managed to defeat Harvard 27 to 28, Rutgers 26 to 31, while dropping close decisions to Fordham 30 to 26 and Manhattan 29 to 28. Top 5 for the Red were Reisinger, Andersen, McGarry, Teitsch, and Krolewski. The men on the other hand came away with 3 good wins over Harvard 16 to 47, Columbia 20 to 38, and Penn 25 to 31 as Chip Bradish was the first Redman across the line in 3rd followed by King, Day, Sloane, and Graves in 5th, 6th, 7th, and 10th.
- Saturday, October 4 at the STANFORD INVITATION (Palo Alto, CA): The top 7 men and top 7 women made this great trip and made a good accounting as the women placed 14th of 29 with Reisinger was 74th, Calhoun 85th, McGarry 88th, Teitsch 96th, Krolewski 101st, Andersen 115th and Cavender 138th with 444 points. The men were 11th of 29 led by Sloane's 29th, Bradish 58th, King 67th, Day 72nd, Graves 88th, Bares 103rd, and Sharp 132nd for 314 points.
- Saturday, October 4 at the LEMOYNE INVITATIONAL (Syracuse, NY): While the varsity squads were enjoying the beautiful weather of Palo Alto, the remainder of the teams sloshed through the mud around the LeMoyne College campus. The women placed 5th led by Sarah Day's 2nd place while the men were 6th with Velicer leading the way in 12th.
- Saturday, October 11 at PAUL SHORT INVITATION in Bethlehem, PA: This fine meet on the IC4A/ECAC Course provided more valuable experience as the women were a fine 4th with Day 12th in a fine 17:25.29 followed by McGarry, Krolewski, Reisinger, Calhoun, Teitsch, and Andersen. The men led by Sloane's 21st were 8th. Gavin got good support from Graves in 30th, Day at 47th, Bradish's 55th, King's 65th, Velicer's 70th, and Bares' 81st.
- Friday, October 17 vs. FAIRLEIGH-DICKINSON: This final meet of the year on the Moakley course saw two Red wins. The women downed a recently formed F-D women's team 15 to 50 led by Day's 18:47.2 under wet and slippery conditions. The men were victorious 20 to 43 after yielding first place to F-D's Hufane. The next 12 places were filled by the Big Red led by Graves' 26:21.
- Saturday, October 25th vs. BUCKNELL at Lewisburg, PA: The women suffered their 3rd loss of the season against a determined Bucknell team despite strong showings by McGarry (3rd) and Reisinger (4th). Bucknell was on top 24 to 31. The men fell to a strong, deep team 19 to 44 but took solace with Sloane's strong 2nd. In the same race the men topped Rochester 15 to 50.

## THE CHAMPIONSHIP SEASON!

HEPTAGONALS: Friday, 31 October 1986 at New York's VanCortlandt Park: Both squads finished a somewhat disappointing 6th. The women were led by McGarry's 15th in 18:24.5. Krolewski was 27th, and Reisinger 30th as Yale was an easy winner. Graves led the men with his 21st place followed closely by Sloane in 25th. Day and King were 40th and 45th. A powerful Dartmouth team won handily and then went on to win the IC4A and finish 2nd in the NCAA.

IC4A/ECAC-NCAA Region II Qualifier: Saturday, 15 November 1986 at Lehigh: Both teams came back well from the Heps and the women were 9th in the ECAC and 5th in the Region. In doing so they avenged earlier defeats by Bucknell, Fordham, and Manhattan and also beat Penn, Harvard and Brown who were ahead of us at the Heps. The men were a fine 17th in the IC4A and 9th in the Region. Graves and Sloane were the first Redmen across the line at 77th and 103rd.

## BEST TIMES OF THE 1986 SEASON ON THE MOAKLEY COURSE:

Sloane	25:58.4	vs. Army, Syracuse, ES	Day	18:24.1	Cortland
Rathbun	26:13.9	vs. Cortland	Calhoun	18:36.3	Army, SU, ES
Graves	26:16.7	vs. Cortland	Reisinger	18:38.0	Army, SU, ES
Bares	26:18.1	vs. Cortland	Krolewski	18:39.8	Army, SU, ES
King	26:21.3	vs. Cortland	McGarry	18:41.4	Army, SU, ES
Bradish	26:22.8	vs. Army, SU, ES	Andersen	18:44.4	Army, SU, ES
Day	26:24.6	vs. Army, SU, ES	Teitsch	19:05.5	Army, SU, ES
Lukens	26:30.3	vs. Trial	Cavender	19:27.1	Army, SU, ES
Glynn	26:36.9	vs. Cortland	Noren	19:32.5	Army, SU, ES
Velicer	26:37.2	vs. Trial	Landauer	19:36.2	Trial
Fleischman	26:37.6	vs. Cortland	Troischt	19:51.7	F-D
Haggerty	26:39.0	vs. Cortland	Simone	19:59.2	Trial
Sharp	26:42.0	vs. F-D	McGreal	20:03.6	Cortland
Giovanniello	26:45.8	vs. Cortland	Ganshaw	20:21.3	Cortland
Flaxman	26:47.8	vs. Cortland	Henze	20:22.0	Army, SU, ES
Galbi	27:09.2	vs. Cortland	Harloff	20:42.3	Trial
Langan	27:12.0	vs. Army, SU, ES	Dingee	20:46.5	F-D
Viola	27:21.8	vs. Cortland	Maryk	20:55.0	Army, SU, ES
Eisler	27:23.0	vs. SU JV's	Korn	20:57.2	Trial
Minor	27:26.0	vs. F-D	Macintosh	21:41.8	Cortland
Rosenthal	27:28.5	vs. Cortland	Shaw	22:37.7	Cortland
Logan	27:42.1	vs. Trial	Carlton	23:17.2	Cortland
Bedell	27:51.0	vs. SU JV's	Joyce	23:33.2	Trial
Lis	27:56.3	vs. Cortland			
Fritz	28:01.4	vs. Cortland			
Wouters	28:96.6	vs. Cortland			
Goldberg	28:28.1	vs. Cortland			
Engst	28:28.9	vs. Cortland			
Gallaway	28:31.0	vs. SU JV's			
Johnson	28:35.0	vs. SU JV's			
Yartz	28:47.2	vs. Cortland			
Glick	28:54.0	vs. Cortland			
Brown	29:04.2	vs. Cortland			
Mangili	29:16.0	vs. F-D			
Klei	29:42.0	vs. F-D			
Hays	30:06.6	vs. Cortland			
Bolster	30:14.4	vs. Cortland			
Emmons	30:50.5	vs. Trial			
Malone	31:03.0	vs. Trial			
Vancini	31:32.3	vs. Trial			

Pete Fleischman and Chip Bradish "negoiating" the "Gorge"!

### COACH'S COMMENTS

The 1986 XC season was a good one as both the men and women posted 7 and 3 dual records, both placed 6th at the Heps; the men were 11th and the women 14th at the Stanford Invitation; the men 8th and the women 4th at the Paul Short meet at Lehigh; and the men 17th in the IC4A (9th in NCAA Reg. II), and the women 8th in the ECAC (5th in the NCAA Reg. II). Both teams were well balanced and ran together as a pack throughout the season. Team balance was always good and it resulted in a fine season for all. We will lose a lot of key people such as Sarah Day, Sue Teitsch, Charlie Bares, Chip Bradish, Matt Day, Dan Glynn, Pete Fleischman, Duane Galbi, Joel Goldberg, Harold Klei, and Ron Bolster. We will have a solid nucleus returning however that will be older and stronger in 1987 so the future looks bright. It will be even brighter if we can enroll some key frosh for the class of 1991.

The indoor season looks promising with a lot of youngsters. Time will tell just how successful we will be. If the new people develop, we could be tough. We have some fine young sprinters, hurdlers, throwers, and middle distance people, and a very promising vaulter. So mix them with the solid returnees that we have, and we could spell trouble for a lot of folks. Of course the league (Heps) is getting much stronger as evidenced by the XC results.

We just received sad news about the annual XC dinner at Varna. The church members have decided that they can no longer put the meal on for us since they do not have enough help anymore. That is indeed a sad bit of news. Most of you former harriers fondly remember the great turkey dinners that they put on for us since about 1921. The tradition was that the athletes walked out to Varna for the meal and it was well worth the effort. So now we look to the possibility as of this writing of having a catered meal at the Moakley House.

HOW ABOUT THE MEMBERS OF THE 1977 and 1978 TRACK TEAMS? HOW DOES A REUNION TO CELEBRATE THOSE GREAT HEPS WINS SOUND TO YOU? PERHAPS IN THE FALL OF 1987. I THINK THAT DR. ADLEY RABOY MIGHT SPEARHEAD THAT FESTIVE OCCASION. LET US KNOW HOW INTERESTED YOU ARE AND IF YOU WOULD PLAN TO ATTEND. IT SURE WOULD BE GREAT FOR ALL OF US TO GET TOGETHER AGAIN TO REMINISCE ABOUT THE "GOOD OLE DAYS".

### 1987 Track Schedule:

Sun.	7 Dec.	Syracuse Relays	(M&W)	Syracuse
Sat.	13 Dec.	CORNELL RELAYS	(M&W)	Ithaca
Sat.	3 Jan.	Lehigh Invitation	(M)	Bethlehem, PA
Sun.	11 Jan.	Syracuse Invitation	(M&W)	Syracuse
Sun.	18 Jan.	CORNELL INVITATION	(M&W)	Ithaca
Sun.	25 Jan.	Army	(M&W)	Ithaca
Sat.	31 Jan.	Syracuse	(M&W)	Ithaca
Sun.	8 Feb.	Army Invitational	(M&W)	West Point
Sun.	15 Feb.	MARYLAND (Combined Score Meet)	(M&W)	Ithaca
Sat.	21 Feb.	T.B.A.	(M&W)	Ithaca
Sat.	28 Feb.	HEPTAGONAL CHAMPIONSHIPS	(M&W)	Annapolis, MD
Sun.	1 Mar.			
Sat.	7 Mar.	ICAAAA CHAMPIONSHIPS	(M)	Cambridge, MA
Sun.	8 Mar.			
Sat.	7 Mar.	ECAC CHAMPIONSHIPS	(W)	New Haven, CT
Sun.	8 Mar.			
Sat.	21 Mar.	Santa Barbara Invitation	(M&W)	Santa Barbara, CA
Sat.	28 Mar.	UCSB and Cal Lutheran	(M&W)	Santa Barbara, CA
Sat.	4 Apr.	West Point Invitation	(M&W)	West Point
Sat.	11 Apr.	T.B.A.	(M&W)	
Sat.	18 Apr.	Pennsylvania	(M&W)	Philadelphia, PA

Thurs.	23 Apr.	PENN RELAYS	(W)	Philadelphia, PA
Fri.	24 Apr.	PENN RELAYS	(M)	Philadelphia, PA
Sat.	25 Apr.	PENN RELAYS	(M)	Philadelphia, PA
Sat.	2 May	HEPTAGONAL CHAMPIONSHIPS	(M&W)	New Haven, CT
Sun.	3 May			
Sat.	16 May	ECAC CHAMPIONSHIPS	(W)	Fairfax, VA
Sun.	17 May			
Sat.	23 May	ICAAAA CHAMPIONSHIPS	(M)	T.B.A.
Sun.	24 May			

#### CROSS COUNTRY DINNER SPONSORS

A very special "thanks" to those who have sponsored runners for the annual dinner. These people contributed 1¢ per mile for each mile that an athlete ran in their training and competition from July 1st through November 15th. Through their generosity, the dinner cost was covered so that the athletes did not have to pay for it. Thanks to Tom Douple, Nate and Evelyn White, Gran Godley, John Gatling, Mark Lester, Pete and Lori McConnell, Sheldon Hervey, Bill Schmidt, Phil Higley, Tim Cahill, Charlie Werly, Bob Mealey, and Verne Rockcastle. The dinner was held at the Moakley House and catered by Cornell Dining. The guest speaker was Andy Jugan, former coach of track and cross country at Syracuse University.

#### 1986 LETTER AWARD WINNERS

Winners of the Block "C" for the 1986 cross country season were:

Women: Carol Andersen, Candi Calhoun, Sarah Day, Mary Jo Krolewski, Amy McGarry, Julia Reisinger, and Sue Teitsch (Sarah Day was the 1986 Captain)

Men: Chip Bradish, Matt Day, Pete Fleischman, Lincoln Graves, Bob King, Gavin Sloane, Charlie Bares, and Dan Glynn. (Matt Day and Lincoln Graves were the 1986 Co-Captains)

#### THE 1987 SPRING TRIP

Approximately 40 athletes and 3 coaches will again journey to Santa Barbara, CA for the annual spring trip. The 1986 trip was to North Carolina. We will leave Ithaca on March 19th and return on March 29th. We will stay in Santa Barbara and train at UCSB during our stay and take part in two meets at UCSB on Saturday, 21 March and Saturday, 28 March. This is all made possible through the Jack Moakley Fund to which so many of you have generously contributed. Your generosity is greatly appreciated by the entire team. These trips are great for our early Spring training, team morale, and a real educational experience as well.

L-R: Laura Landauer, Kay Ganshaw, and Jeannine Cavender at Moakley

## 1986 CORNELL CROSS COUNTRY TEAM AWARDS

John F. Moakley Award	The senior who has done the most for Cornell Cross Country	<u>Matt Day</u>
Most Valuable Award (Women)		<u>Julia Reisinger</u>
Most Valuable Award (Men)	Edward B. Kirby Award	<u>Gavin Sloane</u>
Most Improved (Woman)		<u>Amy McGarry</u>
Most Improved (Man)	Herman Greenberg Award	<u>Bob King</u>
Most Valuable Frosh	Louis C. Montgomery Award	<u>Jeannine Cavender</u>
5th Woman Award	Jon P. Anderson Award	<u>Carol Andersen</u>
5th Man Award	Jon P. Anderson Award	<u>Chip Bradish</u>
President of the 1987 Cross Country Club		<u>Alan Eisler</u>
Sec.-Treas. of the 1987 Cross Country Club		<u>Ken Flaxman</u>
1987 Women's Cross Country Captain		<u>Julia Reisinger</u>
1987 Men's Cross Country Captain		<u>Gavin Sloane</u>

### TRACK FACILITY RENOVATIONS

Soon after the conclusion of the 1987 Indoor Track season, the Barton Hall floor will be torn out down to the hemlock sub-floor and a new floor and surface will include a track of eight 42 inch lanes around the entire oval with an eight lane dash-hurdle straightaway on the north straight. The radius will be increased from 60 feet to 61 feet which will give us a somewhat more gentle turn thus helping to reduce injuries. The jump runways and pits will be located on the infield as they are now. The pole vault and long jump/triple jump runway for the men will be basically located in their present positions (pole vault running east to west and the LJ-TJ runway west to east). We will also include a second LJ-TJ runway for the women, running east to west along the south straightaway. This additional runway will cut down on the time that it takes to run meets as we will be able to conduct the men's and women's LJ and TJ simultaneously. The throwing events will now be conducted in the southeast corner of Barton (the former ROTC cage area) where we will have a dirt surface to throw onto. We also hope to have enough room at the outer end of the throwing sector to have a weight training cage. We are presently looking at and studying several surfaces for the track and infield and hope to select one that will be good for both training purposes (not too hard) and yet fast for races.

Bob Mealey and "Flash" Gourdine, as members of the Cornell University Athletic Campaign Committee, with assistance from the Moakley Fund Committee, are hard at work to help raise one million dollars necessary for the new track and field facility in Barton Hall. This sum will be used to convert the existing track and field facility that will make possible soliciting and scheduling big meets such as the "Heps" with outstanding performers. Bob and "Flash", with vigorous support of the Moakley Fund Committee, are also spearheading and additional effort to raise \$500,000 for a new Track House to be constructed under the south bleachers in Barton. This "House" will include a new men's locker room (which is planned to be moved from Schoellkopf) as well as a badly needed locker room for our women's team. The structure will also contain showers, lavatories and ample space for coaches offices and a central lobby-study-meeting-trophy display area.

Our Cornell track alumni and friends have been absolutely fantastic since we started the Jack Moakley Fund for track as we have raised over \$350,000 since 1976. You have all been very generous to the Track Development Fund over the years (this fund is a non-interest bearing account which we use for various items of equipment, as well as to finance team dinners, etc.). Now we are calling upon our alumni and friends to help make the "Track House" possible. THE TIME IS NOW! WE MUST HAVE AT LEAST 50% of the total in our hands or in pledges by the time Barton construction starts or it will not come about. So we ask you to do as much as you possibly can to make this become a reality.

We thank you for your generous support and loyalty to the Cornell track and cross-country program. Without the continued support of "teammates" like you, the program would not be anywhere near as attractive and as complete as it is now.

# Building on a Tradition of Excellence

**The Cornell Campaign for Athletics and Physical Education** is a major fund-raising effort that, when completed, will provide Cornell with the finest intercollegiate training and competition facilities and expand the total space for intramurals, physical education, and recreation by 40 percent.

The project includes:

Schoellkopf Stadium restoration	\$ 3.6 million
Multipurpose field house construction	15.5 million
Maintenance endowment	4.5 million
Barton Hall indoor track-and-field conversion	1.0 million
Grumman Squash Courts expansion	1.4 million
Equitation facility construction	1.0 million
Tennis program relocation	.5 million
Program enhancement and campaign	<u>1.0 million</u>
	\$28.5 million

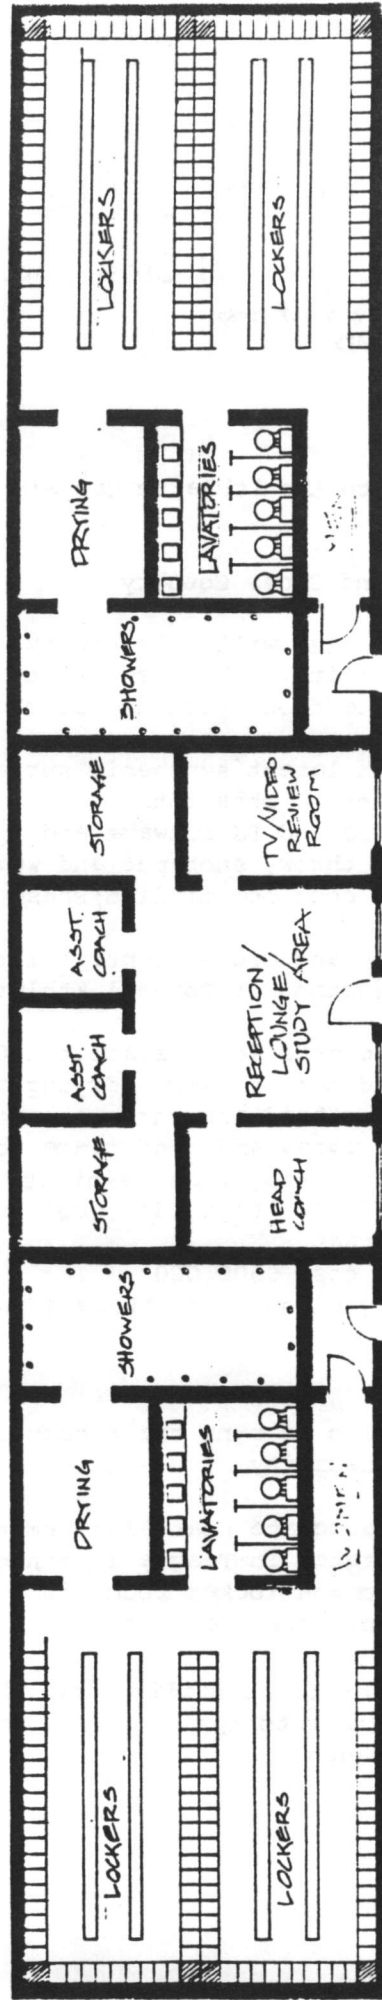

With the construction of the multipurpose field house Barton Hall will be converted to a permanent indoor track-and-field facility with a new eight-lane, two hundred-meter track. The existing floor will be replaced with a new concrete base and covered with a state-of-the-art synthetic surface. New York State has already committed funds to renovate the building's heating, lighting, and ventilation systems.

A roll-away net will allow the track team to practice safely on the periphery of the gymnasium while other activities take place in the center, a modification that will quadruple Barton Hall's capacity for use.

**With the renovations of Barton Hall, Cornell will be the only university in the Ivy League to offer the preferred indoor eight-lane track. It will be a great asset to the track team and will enable us once again to host the coveted Heptagonals and other major track meets according to the standard we expect from Cornell.**

## Track Supplement to the Athletic Campaign Brochure

### Plans for Track and Cross Country

- I. "Barton Hall" (BH) will be converted to a permanent indoor Track and Field facility with a new 8-lane (8-42"lanes) 200 meters (M) track - replace floor with new concrete base
  - a. cover with latest synthetic surface; including 8-lane track
  - b. 55 M sprinting straight
  - c. PV and 2 LJ and TJ runways and "pits"
  - d. HJ, weight throw, shot put and weight training areas
  - e. estimated cost one million; Phase I as described in brochure
- II. Future "track (and Cross Country) lockers and offices; add to Barton Hall section of Cornell Athletics Campaign Brochure
  1. womens and mens lockers, about 100 each
  2. womens and mens showers, drying rooms and lavatories
  3. offices for head and three assistant coaches
  4. TV video review and conference room
  5. track lounge-trophy and exhibits and library in the entrance foyer 16' x 18'; good for team and other meetings, etc.
  6. storage areas
  7. estimated cost \$500,000
  8. originally planned for Phase II-move to Phase I

### Advantages:

1. continuation of mens track home base adjacent to major practice facility
2. provides adequate space for womens lockers, showers, etc. (now separated in Teagle in minimum, inadequate area in general womens locker room) in track "home" as part of coaches and mens team area
3. best location for utilization of optimum practice area from November to April - the recognized 6-month "Ithaca Winter Season"

4. much improved, necessary office space for coaches; provision of meeting - movie - video-TV area. Provide centralized trophy and records, pictures display area, and library-information area promoting team spirit, greatly enhancing recruiting.
5. provide much better facilities for meets with larger spectrum of competition, more "stars", greater fan interest, for example: permanent "home" for indoor heptagonals; state wide high school competitions, possible invitation meets with nationally known competitors
6. avoid competition with basketball and other indoor competition now in Barton; these to be moved to new multipurpose Field House so indoor meets can be scheduled more frequently and on optimum dates and times. (Track meets on Sunday AM or PM don't attract fans or officials).

III. New outdoor track and small stadium of about 2000 seats including a small building under the stadium to contain

1. storage areas for equipment
2. small training room
3. small field office
4. rest rooms
5. meeting area/officials area?

in place of crowded Schoellkopf .

preliminary or detailed plans not currently available

Advantages:

- a. located adjacent to new multipurpose field house where visiting teams can dress.
- b. 8-lane "state of the art" all-weather track able to host large fields of competition, outdoor heps and state high school meets, regional meets, i.e. Empire State Games, ICAAAA
- c. reasonably near track BH home base
- d. no competition with lacrosse, soccer, intramural, etc. as on Schoellkopf; therefore much better opportunities for practice and scheduling meets
- e. includes jumping runways and "pits" and throwing areas thus improving coaching opportunities.
