

THE UNIVERSITY
TELEPHONE EXCHANGE
(ITHACA 3331)

Numbers preceded by "Ext" are on the University exchange. All other numbers are outside the exchange.

WITHIN THE EXCHANGE: To make a call within the University exchange, give the operator the extension number you are calling.

FOR LOCAL CALLS:

From Dormitory Telephones — To call any Ithaca telephone number, give the number to the operator, being sure to preface it with "Ithaca" to avoid confusion with extensions having the same number.

From Other Campus Telephones — To call any Ithaca number, ask the University operator for "Outside" and as soon as you hear the dial tone dial the number of the person wanted.

FOR OUT-OF-TOWN CALLS: Ask the University operator for "Long Distance." Wait for the connection to be made with the Long Distance operator. When Long Distance answers give her your name and your University extension number, and then the information necessary concerning telephone or person you are calling.
