(607) 253-3900
<https://cwhl.vet.cornell.edu/>

Species Described by the Data:

Bald Eagle (*Haliaeetus leucocephalus*)

Dates Contained in the Data:

2013-2017

Overview

This data constitutes records in their raw form that describe patient visits and necropsies on bald eagles by veterinary professionals, rehabilitators, and/or pathologists at the New Hampshire Veterinary Diagnostic

Laboratory, University of New Hampshire. The data was shared with the Cornell Wildlife Health Lab at Cornell University for the purpose of the regional “lead in bald eagle” project. Professionals at the source facility have given written permission for this data to be posted to this persistent eCommons repository alongside the other project data. All metadata in the possession of the Cornell have been documented here, but additional questions should be directed towards the source facility.
