

BIOGRAPHICAL SKETCH

Ted Grevstad-Nordbrock was born in the Chicago suburbs in 1968. After many years overseas, in Dunoon, Scotland and Frankfurt, West Germany, he received a B.A. in psychology from the University of Wisconsin-Madison in 1992. A M.A. in architectural history from the same school followed in 1995. He has worked continuously in the field of historic preservation since the early 1990s.

ACKNOWLEDGMENTS

Many thanks to my thesis advisors, Sherene Baugher and Michael Tomlan, who ferried this project along. I learned a great deal about historic preservation from both.

Thanks also to my family—to my children, Fritz and Karin, and to Sofie, Mum, Dad, Heidi, Rima, the in-laws, and Tangelo—for proof-reading and encouraging and reminding me of what is important.

And finally, to my good wife Anne, for her unqualified love and relentless smarts:

Jag älskar dig!
