

Indoor and Outdoor Heptagonal Champions

1st Row: A. Cummins; I. Roberson; G. Knapp; M. Midler; R. Garrett; Co-captain J. King; Co-captain J. Ingley; D. Cadiz; H. Weissbard; E. McHugh; D. Eckel; C. Hill
 2nd Row: Coach Montgomery; N. Cravener; J. Morrison; G. Gregory; P. Boguski; B. Tharp; F. Wyskiel; D. Vichick; K. McCreary; H. Meisner; Ass't Coach Ratkowski
 Third Row: Ass't Coach Martin; Manager J. Justin; A. Harrison; W. Peabody; R. Nicoletti; R. Collins; R. Gilvary; D. Heasley; D. Maurer; J. Day
 Top Row: M. Quinn; A. Finch; M. Davies; R. Bevan; G. Benjamin; R. Colvin; R. Burton; P. Taylor

Dedication to Coach Montgomery

In recently concluding an overwhelming successful year by winning the three Heptagonal Championships, cross country, indoor and outdoor track, we sincerely dedicate this issue to our renowned coach, Mr. Montgomery.

Following twenty-five years of successful coaching in Buffalo, N.Y., Coach Montgomery came to Cornell ten years ago to succeed former Cornell track coach, Mr. John Moakley. Since at Cornell, Monty's teams have always placed among the leaders in inter-collegiate competition. Under his leadership, Cornell has never placed lower than second in a Heptagonal Cross country championship. In track, his men have won eleven IC4A individual event championships, four first place and five second place relay championships at the Penn Relays, and have placed three men on all-American track teams. Coach Montgomery has the distinction of being former President of the IC4A Track Coaches Association in 1954 and his teams, in combining with either Princeton or Pennsylvania, have won four out of five international track meets against a combined team of Oxford and Cambridge.

It is indeed an honor to have the opportunity to develop ourselves under the leadership and guidance of coach Montgomery. We feel that we have developed beneficially both in athletics and character. We are happy to look to him as our coach and friend.

Spiked Shoe Society

DEAR TRACK ALUMNI:

I wish to thank every man for his cooperation and generous donation to the Wastebasket. It is your loyalty to Cornell track that has permitted us to send you three issues this year.

The entire alumni file of track men has been brought up to date and many long lost & forgotten members are now again receiving their copy of track doings here at Cornell.

The undergraduate officers of this years class were the most industrious group I have seen in the past 10 years. Dave Eckel their president was a real go-getter. Big things were attempted and big things accomplished. There is much to tell where this inspiration came from—right here in Ithaca from the loyal Alumni group of the Cornell Track Spiked Shoe Society headed by men like Charles E. Treman, Jr., our own Bob Kane, Walter Heasley, Bob Beck, Froggie Pond, Paul O'Leary, our track advisor, and all of the men who officiate at our track meets. Many of the donations were of \$5-\$10-\$4-\$4 and one \$25.00 check was received. This was undoubtedly the greatest return of donations ever received. We of the SPIKED SHOE thank you again and will continue to prove that your support is not in vain.

Our plan is to issue three times a school year. December, April and June, with the April issue, only, pleading for funds, or donations.

(Continued on page 2)

SPIKED SHOE BANQUET

This year's banquet was one of the most enjoyable and successful ever held. The banquet, which was held at Moakley House, was opened to all trackmen and to those who have had an interest in Cornell track through the years. The sixty men who attended, enjoyed the chicken barbeque and then adjourned to the main lounge for the remainder of the proceedings.

Among the guests present were: Robert Kane, Ben Mintz, Prof. Blanchard Rideout, Sam Woodside, Ken Van Sichel, Barlow Ware, Emerson Hinchliff, Dr. Alexius Rachun, Prof. Martin Sampson, Don Meyer, Hunt Bradley, Herbert Williams, T. P. Wright, Seldon Brewer, Clarence Morse, Dr. Epstein, Victor Graziadei, Pof. Barr, Dr. Ensworth, Larry Anderson, Prof. Beck, and Prof. O'Leary.

After dinner Dave Eckel, President of the Spiked Shoe, introduced the men seated at the head table. Mr. Montgomery then introduced the rest of the guests, and gave a rundown of the indoor and outdoor season. Before the awards were made, Mr. Seldon Brewer demonstrated several card tricks that left even the most skeptical of us wondering how he did it. After Mr. Brewer had us completely baffled, Mr. Montgomery made the presentations. The Everett Collyer Award for the Most Outstanding Pole Vaulter went to Albert Finch; The Walker Smith Award for the Most Outstanding Hurdler in the lows and in the highs went to Bo Roberson and Dave Heasley, respectively; the Jinky Crozier Trophy for the 440 man who did the most with limited talent went to Dave Cadiz; the Shorty Lawrence Trophy for the Most Improved Trackman went to six men—Roger Garrett, Frank Wyskiel, Nat Cravener, Paul Boguski, Bo Roberson, and John King; and the John Gatling Award for the Most Outstanding Senior Who Has Done the Most for Cornell Track went to John King. Charles Hill and Harvey Weissbard were elected as Co-captains for the 1959 team. Jack Finnegan was elected as next year's Manager.

The Rothschild Award for the Class Mile Relay went to the Seniors once again, with Roberson, Midler, Tharp & Cadiz running 3:23.0, faster than the varsity relay ran all year.

The main speaker for the evening was Larry Anderson, a graduate from California, who has been helping our pole vaulters this year. His talk was very timely for the seniors on the team, for it was on continuing track after college. It might be well that such a topic should be given every year so those leaving Cornell will not so quickly give up something which could be, as Larry pointed out, very enjoyable and helpful even after leaving college.

The banquet was then concluded by the singing of the Alma Mater.

DEAR ALUMNI

(Continued from page 1)

Note: We send the Wastebasket to all officials at our track meets, and to many Cornellians and track friends who were not track men, but who helped Cornell Track—and believe it or not, these men who we are trying to thank for their help to Cornell track, put us further in their debt by sending in their generous donations to the Wastebasket.

Coach Montgomery

LETTER FROM PRESIDENT

Dear Spiked Shoe Members,

With the present school year drawing near a close, I would like to thank, on behalf of the officers of Spiked Shoe and myself, the alumni and undergraduate members for the wonderful support they have given us in making the year a success. I am sure that we can expect Spiked Shoe to do bigger things in the coming year in their continual process of growth in promoting the interest and tradition of Cornell Track.

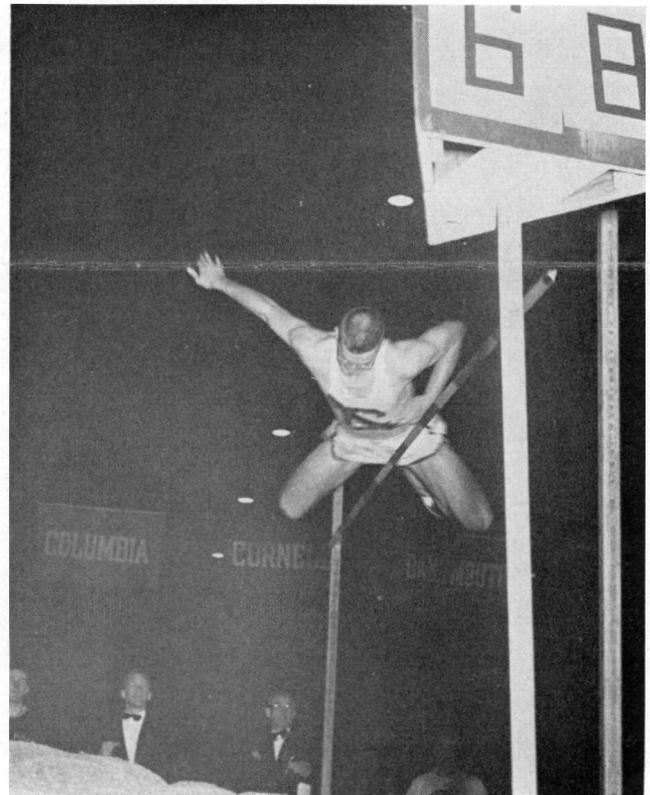

I wish each of you a happy summer, and, in looking forward to a new school year, I am sure our cross country captains Nat Cravener and Chuck Hill and tack Captains Chuck Hill and Harvey Weissbard will be leading our teams to more championships.

Sincerely,
Dave Eckel

1958 CROSS COUNTRY

Nov. 17	IC4A	New York

GATLING AWARD WINNER— JOHN KING

John won the award as the Most Outstanding Senior Who Has Done the Most for Cornell Track. Here he is shown winning the Indoor Heps at 6' 8½".

COLGATE—APRIL 19

In their first meet of the outdoor season the Big Red trackmen romped to a 107-33 victory over Colgate at Hamilton, N.Y. Meet records fell in abundance on a day which saw Cornellians first in all but two events. Leading off the day's proceedings in the running events, Mike Midler, Chuck Hill and Nate Cravener took the mile run in a blanket finish in 4:28.1. Hampered by a leg injury, Co-captain Jack Ingley finished only third in the 440, while Harvey Weissbard won the event in 50.2. In the 100 yard dash "Bo" Roberson sped to the tape a narrow victor over Earl McHugh. His time of 9.7 equalled the all-time Cornell record. Dave Heasley and Ray Burton topped the timbers in 15.2 to add to the growing total. Chuck Hill won his second race of the day as he came from behind to beat Barry Tharp and Arnie Cummins, tied for second, in a 1:58.6 half mile. Nate Cravener, in his second win of the day, tied with Dave Eckel and Kirk McCreary for the two mile victory in 9:51.4. Roberson and Heasley took the low hurdles in that order in 23.9. The 220 went to Bocuzzi of Colgate in 21.5, McHugh and Bob Gilvary following closely.

In the field events Colgate suffered just as badly. Paul Boguski and Bill Peabody were 1-2 in the hammer throw, the winning toss being 168' 10". Bob Bevan cleared 12' 6" for a new meet record in the pole vault, with Herm Meisner in 3rd. Co-Captain John King also set a meet record, winning the high jump a 6' 3½" with Heasley tied for the second spot. King also won the broad jump with a 22' 7" effort to top Roberson. Roger Garrett set a new meet standard with his shot put of 50' 9½". Frank Wyskiel won the javelin throw with 181' 4" while Harrison took the runner-up spot. The discus went to Colgate with Boguski and Don Vichick in the 2-3 spots.

1958 PENN RELAYS—APRIL 25-26

Cornell was represented this year at the Penn Relays by an undermanned track squad. Inclement weather, coupled with the temporary loss of key men Earl McHugh, Harvey Weissbard, Dave Cadiz, Dave Eckel, and Jerry Knapp due to injury and sickness weakened the Big Red's chances considerably. However, this team performed to the best of its abilities while under these handicaps.

Paul Boguski captured 4th in the Hammer Throw with a toss of 164' 4½". Roger Garrett placed 6th in the Shot Put with a good heave of 51' 4½". Nat Cravener finished 7th in the 2 mile with a 9:35.8.

The distance medley relay team ran into misfortune when Co-captain John Ingley reinjured his leg while running the 440 and had to drop out.

One of the bright spots for Cornellians at the Relays was the efforts of the 4 mile relay team composed of Nat Cravener, Arnie Cummins, Chuck Hill and Mike Midler. This foursome broke the Cornell record in the event, although finishing 5th with a 17:37.2. It is interesting to note that Cornell won the 4 mile relay in 1916 with the then world record time of 17:51.2. Also in the 61 years from 1897 to 1958 only 13 teams have run faster than the 1958 Cornell team who ran without the services of Dave Eckel.

This is your answer to the many old alumni who always ask, "Where are your distance runners? Why years ago we use to win all of the distance races. What's wrong?" It is simply that nearly all teams have improved terrifically in the last ten years.

Cornell—Harvard—Pennsylvania— May 3, 1958

On a cold and very wet May 3rd Cornell defeated Harvard and Pennsylvania, in a triangular track meet. The soggy conditions hampered the trackmen in their attempts to assail meet and Schoellkopf Field records. However, the adverse conditions seemed to have little effect upon Penn's Carl Shine and Cornell's Roger Garrett. Shine set a new Schoellkopf Field record in winning the Shot Put with a toss of 56' 3¼". Second place winner Roger Garrett tied the Cornell record with a heave of 52' 4¼".

The outstanding performance of the meet was Cornell's Bo Roberson who won the 100 and Broad Jump and finished second by a whisker in the 220 yard low Hurdles. Jerry Knapp proved to be one of Cornell's most versatile trackmen as seen by his placing in the Broad Jump, High Jump, Javelin and Discus. Dave Heasley contributed five points by placing second in the High Hurdles and third in the Low Hurdles.

The first two Penn or Cornell men to place in each event qualified for a trip to England in the summer to compete against Oxford and Cambridge.

PRINCETON MEET—MAY 10

Cornell's 10-year span of wins in outdoor dual meet competition was seriously challenged by a talented and spirited Princeton team. The meet was won by the narrowest of margins, 75-65, with the victory coming via the valiant running of a mile relay team composed of Dave Cadiz, Chuck Hill, Barry Tharp and Harvey Weissbard.

The combination of a fast tiger track and keen competition in most races resulted in a new Cornell record and 2 meet records. Bo Roberson, on his way to 15 points via wins in the 100, 220 low hurdles and Broad Jump, broke the 32-year-old 100 yd. record by running 0:09.6. Mike Midler, the "Old Campaigner," came through again by breaking olympic star Joe Mangan's meet record in winning the mile in 4:15.8. This time is only 1.4 seconds off John Paul Jones' 1913 Cornell record. Roger Garrett allowed his meet record in the shot to last but 1 year as he got the shot out 52' 0".

The day produced many other outstanding performances. Two seniors, Paul Boguski and Dave Eckel, each contributed 8 pt. by first & seconds in the hammer & discus and 2 mile—mile, respectively. Other winners were Hill in a fast 1:55.1 880, and Johnny King in the high jump.

Summaries of the Princeton meet:

- Mile: 1. Midler (C) 2. Eckel (C) 3. Hudson (P)
Time: 4:15.8 (new meet record)
- 440: 1. Harwood (P) 2. Wengel (P) 3. Cadiz (C)
Time: 49.3
- 100: 1. Roberson (C) 2. Chang (P) 3. Wagstaff (P)
Time: :09.6 (new meet and Cornell record)
- 120 yd HH: 1. Kelley (P) 2. Heasley (C) 3. Brown (P)
Time: 14.7
- 880: 1. Hill (C) 2. Shahan (P) 3. Tharp (C)
Time: 1:55.1
- 220: 1. Chang (P) 2. Krause (P) 3. Boyd (P)
Time: 22.1
- 2-mile: 1. Eckel (C) 2. McCreary (C) 3. Midler (C)
Time: 9:42.8
- 220 yd LH: 1. Roberson (C) 2. Heasley (C) 3. Kelley (P)
Time: 23.9

(Continued on page 6)

OUTDOOR HEPTAGONALS— MAY 17, 1958

Proving themselves to be the class of the Ivy League (plus Army and Navy,) the Big Red cinder-men romped to easy victory in the 1958 Outdoor Heptagonal Championships at Annapolis May 17, completing the Big Red sweep of the three 1957-58 Heps trophies: cross country, indoor, and outdoor track and field. Starting with Paul Boguski's surprise win in the first event, the hammer throw, and extending throughout the afternoon, the Big Red amassed a total of 63½ points, the highest total for any team in the meet since the war. Runner-up Navy had 41 points, and Yale (38½,) Army (36,) and Harvard (34¼) completed the scoring.

Boguski's throw was 177' 7", bettering his best previous 1958 toss by 8 feet. On the same field after the hammer was finished. Frank Wyskiel fouled on a 205' javelin toss, which would have broken the Cornell record. Frank still had a good throw of 200' 9" to take third behind Navy's Wayne Morris, who set a new record with 234 feet.

Mike Midler started off the running events by repeating his indoor win in the mile run by 20 yards, with a 4:17.3 effort. Mike, battling only himself and the stiff sea breeze, was ahead from the very beginning and never challenged. Irv "Bo" Roberson then grabbed the first 6 of his day's total of 16 points, with a 100-yard dash in 9.6 seconds, aided by the wind. Bo later took the broad jump with a new Thompson Stadium record of 24' 7¾", and placed second in the 220-yard dash. John King, giving his usual fine consistent performances, broke the meet and stadium records for the high jump in winning his specialty with a leap of 6' 6¾". John had previously placed fourth in the broad jump.

The biggest upset of the entire meet was Nat Cravener's victory in the 2-mile run. Running with defending champ Dave Eckel and Harvard's Reider for 1-¾ miles, the spunky junior kicked the last 300 yards to win going away in a fine 9:22.3, by 20 yards over Reider, who passed Eckel in the final half-lap. "Little Nemo" Eckel also ran a very heady race, and led going into the last lap. Dave placed third, almost 100 yards ahead of the next man. What made Cravener's win so much more astounding was the fact that he almost did not start in the race. His previous best was 9:35.

Roger Garrett, continuing his very fine series of performances this spring, broke his own all-time Cornell shot put record of 52' 4½" by heaving the ball 52' 10¾" for second place behind Penn's Carl Shine, who threw 55' 5". Juniors Dave Heasley and Chuck Hill took second places in the 220-yard low hurdles and 880-yard run, respectively. Dave, who ran a very fine race behind defending champion Joel Landau of Harvard, also placed fourth in the 120-yard hurdles. Landau, with the aid of the wind which eliminated records, ran the highs in 14.2 seconds. Hill, in the 880, allowed Yale's John Slowik to set a slow early pace and sprint to the tape. Chuck, with quite a fine kick himself, lost to Slowik by inches and was gaining ground at the finish.

Gerry Knapp was a real workhorse for the Big Red, as the 1957 football captain tied for fourth in the high jump, placed sixth in the javelin throw, and also threw the discus. Dave Cadiz, usually more of a half-miler but a real team man, ran the entire season in the 440-yard run, because of injuries to Harvey Weissbard and Co-captain Jack Ingley. Cadiz failed to qualify in his

CORNELLIANS WITH OUTDOOR HEPTAGONAL TROPHY

Those who had not already left to shower, shown accepting the trophy from Admiral Smedberg, supt. of the Naval Academy. Left to right: Ass't coach Ed Ratkowski, Harvey Weissbard, Coach Montgomery, Roger Garrett, Chuck Hill, Nat Cravener, Arnie Cummins (hidden), Ray Burton, Mike Midler, Admiral Smedberg, Dave Eckel, Dave Cadiz and Bill Peabody.

440 heat, missing out by inches. Earl "Mick" McHugh was involved in a very close finish for placers in the 100-yard dash, and was not given a place, although many observers called Mick third, and definitely not lower than fourth.

(Summaries on page 6)

IC4A MEET—MAY 30-31, 1958

Cornell sent a skeleton squad to the IC4A meet at Villanova on Friday for the two-day championships. The following men competed: Paul Boguski in the hammer throw; John King in the high jump; Irvin Roberson in the broad jump, the 100 yard dash and the 220 yard low hurdles; Roger Garrett in the shot put; David Cadiz and Chuck Hill in the 880 yard run; Mike Midler and Chuck Hill in the mile run; Dave Eckel and Nate Cravener in the two mile run.

Prelims, lab reports and preparation for the final exams, plus the letdown after the Heptagonal Championships made training rather difficult and cut down on the number of men who could go to the meet.

John King placed 2nd in the high jump with a 6'5" effort, but which was not up to the 6'10" by Reavis of Villanova. Both Garret and Boguski were far off their usual performance and did not qualify for the finals. Cadiz and Hill did not qualify for the 880 yard final, but Chuck Hill ran his fastest half mile ever, when he ran 1:52.7 in his heat and only placed 4th, three being the number qualifying in each of the three heats. His 1:52.7 is only 3/10ths of a second off the all-time Cornell half mile record. In the mile run, Midler was in the fast section, all running on time, but the heat of the day plus other excuses mentioned above slowed the Heptagonal mile champ down to 4:22.8 and out of the scoring. Chuck Hill also ran in the mile, but was in the 1st section which was made up of men not seeded by the Games Committee. However, Chuck had another all-time-best effort when he ran 4:16 and won the race, but his time was the 6th fastest time and just out of the scoring.

(Continued on page 5)

Farewell to a Great Group of Blue Chippers

A LOOK INTO THE FUTURE CORNELL TRACK 1959

The Senior class graduates 18 varsity track men, fifteen of whom were point scorers during the year. Graduation each year is expected, but never has a team been left with so many huge gaps to fill as this years team will have. The 1959 team will not be a strong team, but neither will it be as weak as some of our opponents believe.

The following men will be the back bone of the team next year:

SPRINTS: Weissbard, Moulding, Gilvary, Dannov and I hope Hazzard.

HURDLERS: Heasley, Winter, Buckles, Burton, Peabody.

440 and 880 Men: Weissbard, Moulding, Heinzelman, Brandeis, Cummins, Hill, Nicoletti, Taylor, Dannov, Shappee, Johnson, Colvin, Voigt, Maurer, Iwan, Eichhorn.

Mile and Two Mile: Hill, Cravener, Cummins, Marco Einaudi, Benjamin, Brockman, Woodward, Slack, Delamater.

POLE VAULT: Finch, Bevan, Murray, Stephenson, and I hope Randall.

HIGH JUMP: Winter, Heasley, Filer, Wickham, Huenerfauth, Shappee, and again I hope Farley.

BROAD JUMP: Heasley, Winter, Buckles, Shappee, Dannov.

JAVELIN: Murphy, Harrison, and Farley.

35# and Hammer: Young, Weinstein, Crowe, Schenker, Nukk, Peabody.

SHOT AND DISCUS: Kaneb, Niles, Farley, Crowe, Schenker.

Cornell teams in each of the past 10 years have broken at least one all time Cornell track record. Next year will be no exception as I look for the Pole Vault, and possibly the 880 or the Mile record to be smashed. Finch, Randall, Murray and Bevan will furnish the 14' pole vault and Chuch Hill and Pete Brandeis should get near the 1:52.4 half record.

If all of the men, varsity and Frosh, report for track, we will have a squad of over 70 varsity men. This in itself is very encouraging and shows that Track at Cornell is very much alive even with the graduation of seniors, like Co-captains King and Ingley, Bo Roberson, Cadiz, Eckel, Midler, McCreary, McHugh, Garrett, Knapp, Vichick, Endries, Wyskiel, Boguski, McFadden, Meisner, Tharp, Georger, a group that has accounted for two Heptagonal cross country championships with one IC4A Freshmen x-c title and one Indoor and one Outdoor Track Heptagonal championship, with one Championship of America at the Penn Relays in 1956. This group also broke or tied five all time Cornell track records.

So long to the hardest working track team I have ever coached.

Lou Montgomery
Coach of Track

NEW FRESHMAN RECORD

In losing the Rothschild Class Mile Relay by 2 feet to the seniors, the freshman team of Bernie Dannov, Dave Heinzleman, Murray Moulding, and Pete Brandeis Set a new freshman record of 3:22.3 for the relay, breaking the old record of 3:23.3 for the relay, breaking the old record of 3:23.7, set in 1948 by Walter Ashbaugh, Harry Henriques, Charley Moore, and Bob Mealey.

Trophies as Incentives for Track Men

Years ago the Moakley Cups were awarded to the best man in each event. These Moakley Cups were highly prized by the winners. Since the 2nd World War, these Awards were not revived. Hence the need for more awards as incentive to better track performances and as a reward for a year's efforts.

As it is now we have only 5 awards for the 16 events and one of these awards is the "Shorty Lawrence Award" which is just honorary in itself, as the recipient has his name engraved on the cup. It is to the man who has shown the most improvement. This year it was very difficult to decide which man had shown the most improvement and below I list the men and their performances this year as compared to last year, and I give you the problem of picking the man who showed the most improvement. Here they are:-

Name	Event	1957 Perf.	1958 Perf.
Cravener	2-Mile	9:49.0	9:22.3
Roberson	Broad Jump	23' 7"	24' 7½"
Roberson	100 Yards	:09.8	:09.6
Wyskiel	Javelin	180'	200' 9"
Garrett	Shot Put	50' 2"	52' 10¾"
Boguski	Hammer	168' 8"	177' 7"
King	High Jump	6' 5⅝"	6' 8½"

I did the only thing I could do as far as giving the most improvement award. All six men were given this award, and all will have their names engraved on the cup. Incidentally, this will take all of the available space on the cup. We will therefore need a new **SHORTY LAWRENCE MOST IMPROVED AWARD**.

These award trophies are not too expensive. For example: The Everett Colyer plaque Award has 12 name plates and will last therefore for at least 12 years. The initial cost is everything. These plaques cost from \$48.00 p. Which is roughly less than \$5.00 per year (If a replica is to be given to the recipient to keep, then the cost would be a little more, say, \$15.00 per year.)

Let Cornell Track alumni honor some of their former track greats:-

How about a John Paul Jones Award for the outstanding MILER. A Tel Berna or Joe Mangan Award for the outstanding two miler. A Hank Russell cup for the outstanding sprinter. An Al Hall, or Johnny Bangs cup for the best Hammer or 35# thrower. A Charley Moore cup for the best 440 man. A David Caldwell cup for the best 880 man etc. etc.

Walker Smith is giving Hurdles awards which will be another stimulant to incentive for Cornell track performances.

Coach Montgomery

IC4A MEET

(Continued from page 4)

Roberson ran in three events and placed in all of them. His 24'2½" was only good enough for 4th place. He placed 5th in the final of the 100 yard dash and placed 2nd behind Harvard's Landau in the 220 yard low hurdles with a nice fast time of 23 sec. flat. Dave Eckel placed 5th in the two mile run, but Nate Cravener, who had ran 9:22.3 in the Heps two weeks ago, did not finish as the hot weather seemed to sap his strength. The week layoff after the Heptagonal meet must also have hurt the Cornell performances. Cornell was tied for 8th place with LaSalle with 12 points.

PRINCETON MEET SUMMARIES*(Continued from page 3)*

- Mile Relay: Cornell (Cadiz, Hill, Tharp, Weissbard)
Time 3:27
Hammer: 1. Boguski (C) 2. Neviasser (P) 3. Robinson (P) Dist.: 154' 7"
High Jump: 1. King (C) 2. George (P) 3. Knapp (C) Ht. 6' 2"
Pole Vault: 1. Fortenbaugh (P) 2. Manning (P) and Meisner (C) tie Ht.: 12' 0"
Broad Jump: Roberson (C) 2. Wagstaff (P) 3. Empson (P) Dist.: 24' 5" (ties meet record)
Javelin: 1. Ayer (P) 2. Wyskiel (C) 3. Knapp (C) Dist.: 202' 11½"
Shot Put: 1. Garrett (C) 2. Fischer (P) 3. Friedman (P) Dist.: 52' 0" (new meet record)
Discus: 1. Fisher (P) 2. Boguski (C) 3. Denton (P) Dist.: 138' (approx)

PREVIEW OF LONDON MEET:**Cornell-Penn versus Oxford-Cambridge**

Cornell-Pennsylvania will combine teams for the traditional meet with Oxford-Cambridge team and will fly to London June the 8th from Idlewild Air port, New York. The combined Cornell-Penn team should give a very good account of themselves and I look for an American victory. Here is what the team will look like:

- Mile Run:—Michael Midler (C) Charles Hill (C)
880 Yards: Charles Hill (C) George Katterman (P)
3 Miles: Dave Eckel (C) Nathaniel Cravener (C)
440 Yards: Dave Cadiz (C) Irv Dardik (P)
220 Yards Murray Moulding (C) Walter Shaw (P)
100 Yards: Irv Roberson (C) Earl McHugh (C)
120 Yard H. H's.: David Heasley (C) Richard Cuthbert (P)
220 Yard L. H's.: David Heasley (C) Irv Roberson (C)
Shot Put: Roger Garrett (C) Carl Shine (P)
Javelin: Frank Wyskiel (C) Lothrop Lee (P)
Discus: Jerry Knapp (C) Charles Ward (P)
Broad Jump: Irv Roberson (C) John King (C)
Pole Vault: John Gray (P) Barney Berlinger, Jr. (P)
High Jump: John King (C) Jerry Knapp (C)
440 Relay: Irv Roberson (C) Earl McHugh (C) Walter Shaw (P) Irv Dardik (P) David Heasley (C) John Gray (P)

Only first places count and the team getting 8 points out of the 15 events will naturally win. The English do not throw the Hammer, which prevents Paul Boguski, Cornell's 2nd all time best Hammer thrower, from making the trip, and almost insuring us of a win. However, the American team looks a little too strong for the British this year.

After the English meet on June 14th, the combined Cornell-Penn team will fly to Dublin on the 16th to have a two day meet with the Concliff Harriers, and then another two day meet in Belfast on the 20th and 21st. Some of the men will return to Dublin on the 22nd for another short meet for a charitable purpose.

On Sunday June 15th, the Americans are invited to tour London and also to make a train trip to Woking to visit the Walton Athletic Club and their track men. This British Athletic Club is helped coached by F. W. Poate, a retired Cornell Engineer, who was one of Jack Moakley's great distance men in the early 1900's. Mr. Poate loves track—lives track, in fact it is track that keeps him going. Cornell's Fred Poate has recently under gone a series of operations that would have put to rest many a man half his age.

If you will carefully think back over the past few years and note the lowering of times of Cornell's distance men, then you can thank Fred. W. Poate for this. He has been instructing and guiding me in distance running, hints, suggestions on style, form, training that have proven to be invaluable to me.

F. W. Poate will attend the meet June the 14th. His cheering will be torn between two loyalties but in reality he will be cheering his own coaching.

I know that some of your track alumni will remember Fred Poate and if you would care to drop him a line I know he would appreciate it very much.

His address: F. W. Poate, Esquire, Ashwood Road, Ovingdene, Woking, Surrey, England.

Coach Montgomery
