INDOOR TRACK

While the indoor season had its ups and downs, it was generally rough going for the Big Red runners. The season included dual meets with Manhattan, Army, Dartmouth and Yale as well as the Millrose Games, the Cornell Invitational, the Philadelphia Track Classic, the Heptagonal games, and the IC4A championships.

The season began with the team playing host to Manhattan College in Barton Hall Dec. 9. It was a strong team, featuring Brian Kivlan in the mile and 1000, Ed Mulochill in the high jump and Del Benjamin in the broad jump and the high hurdles. Manhattan won nine of the thirteen events. Cornell's victories came in the 60 yd. dash, the 600 yd. run, the 1000 yd. run, and the high jump.

Steve Goodwin and Walter Jones took 1-2 in the 60, Goodwin winning in 6:4. Pudge Carter won the 600, leading all the way to finish in 1:29.9. The Red's Ron Nehring came from behind effortlessly to take the 1000 in an easy but slow 2:19.8. Also winning easily was high jumper Wayne Gustafson, who cleared 6'8", six inches better than runner-up Del Benjamin. The final score was Manhattan 67, Cornell 42.

Steve Goodwin and Walter Jones took 1-2 in the 60, Goodwin winning in 6:4. Pudge Carter won the 600, leading all the way to finish in 1:29.9. The Red's Ron Nehring came from behind effortlessly to take the 1000 in an easy but slow 2:19.8. Also winning easily was high jumper Wayne Gustafson, who cleared 6'8", six inches better than runner-up Del Benjamin. The final score was Manhattan 67, Cornell 42.

The following week the Red traveled to West Point and managed to absorb a 76-33 pounding at the hands of the cadets. Cornell winners were Gordon Stofer in the pole vault, Wayne Gustafson in the high jump, Walter Jones in the broad jump, Ron Nehring in the 1000, and Jones, Carter, Fred Spar, and Nehring in the mile relay. Despite some valiant efforts by the Big Red, Army swept the 35 lb. weight throw, the mile and the two mile. It sure was a long bus ride back to Ithaca.

The Christmas holiday followed, allowing everyone a chance to rest and fall out of shape. Luckily the first meet after the vacation was on January 20th at Dartmouth. The Red Thinclads got away with their lives winning 53-54. Nehring won his third consecutive 1000, Carter won the 600, Doyle the hurdles, Jones the 50 and the broad jump, Captain Chuck Roll, the shot put, and Gustafson the high jump. The mile relay was also won. The Dartmouth meet was just the beginning of a busy week.

On Thursday, Jan. 25th the mile relay team of Jones, Spar, Nehring, and Carter and high jumper Gustafson took part in the Millrose Games in New York City. Gustafson cleared 6'8" for fourth in the high jump and the mile relay was fourth in its section with a time of 3:23.1. Gustafson continued on to Boston where, on the 27th, he was second in the Boston A.A. high jump, again clearing 6'8".

On Saturday, January 27, a lethargic Cornell team hosted the Cornell Invitational in Barton Hall. The week drew varsity and freshmen entries from Albany State, Alfred, Buffalo, Buffalo State, Hobart, Ithaca College, LeMoyne, Rochester, and Syracuse. The highlight of the meet was not to be found in the collegiate competition, which was poor, but in the Masters Mile, an event for milers aged 49 or above.

The Masters field was headed by former Villanova Olympian Browning Ross. Other strong entries included Cornell ornithologist Jim Hartshorne, and Prof. Verne Rockcastle, also of Cornell. 43 yr. old Browning Ross was the winner in an impressive 4:45 followed by Cornell's Jim Hartshorne.

February 3rd found some of the Red runners in the Quaker City for the Philadelphia track classic. Ron Nehring was fourth in the invitational 1000 yd. run with a time of 2:14.3. The mile relay was fourth in a fantastic 3:30.2. Wayne Gustafson was fourth in the high jump with, you guessed it, 6'8".

February 10th brought the Eli to town and there was no one to have mercy on our souls. The Yalies ran the Big Red ragged. It was the field events that salvaged some face for Cornell. Marc Schwartz took a first in the 35 lb. weight throw, Chuck Roll was first in the shot put, and Neil Fox, Stofer, and Bob Kingan swept the pole vault. Heptagonal champion Mark Young won the 600 in an easy 1:23.5 and anchored the winning mile relay.

Saturday the 24th found the Red at the Rochester Invitational. It served as a warmup for Heps and produced efforts not unlike those at the Cornell Invitational. Pudge Carter set a meet record in the two lap run (440 yds. more or less) with 51.6. Gordon Stofer also set a record in the pole vault clearing 14'2".

(Continued on page 2)
Coaches Comments

Our sincerest thanks to all of you who have responded to our plea for help such as sending us newspaper clippings of high school and junior college track, checking boys out as to year in school and academic potential, and talking to boys in an effort to interest them in Cornell. The list is growing everyday. At the risk of leaving someone out, I would like to mention those who have pitched in to lend us a hand in our recruiting efforts. Men like Charlie Blanford, Al Saperston, Woody Wright, Dr. Severance, Joe Mengel, Jack Allen, Ben Levy, John Gatling, John King, Ed Kirby, John Cartwright, Jack Hawkins.

As a result of the info that we have received from these men and others, many good leads have developed. This help is very gratifying to us and we feel that the ball is now rolling. If you have not yet had a chance to become a "talent scout" for us, won't you please join in? One would hope that at some future date we might be able to organize a bit and coordinate all of our efforts and expand them, thus attracting the very best student-trackmen to Cornell.

We are encouraged by the results of our recruiting efforts for the class of 1972. We have some glaring weak spots to be sure, but for the most part, it should be a good Frosh group. We look upon it as a good beginning but ONLY a beginning! We had some well qualified candidates with a high percentage of acceptances. Many were lost to our competitors while the rest have indicated that their choice is Cornell. As always we lost some who we would have liked to have because they did not come up to expectations academically. However we believe that if we can count on continued help from all of you, we can attract the kind of young man that we seek both academically and athletically. To be sure many of our competitors have strong alumni aid in this respect, so we must fight fire with fire, so that part must be left up to each of you gentlemen. We will continue to do all that we can by writing letters, and making phone calls and visits. With our combined efforts, we should be able to uphold the great Cornell track tradition.

We also want to thank all of you—who have contributed financially. We have heard from about 90 men out of about 475 in this respect. The Spiked Shoe Society has come to life again under the conscientious efforts of the 1967-68 president, Gary Campbell '68. They have re instituted membership dues of $5.00 per year per man, have bought track jackets, and have discussed the possibility of some fund raising efforts next year such as raffling off a TV set. They would like to raise sufficient funds so that we might make a southern trip during Spring vacation as many of our competitors now do.

HELP WANTED: Long Island, Northern New Jersey, Pennsylvania, Ohio among other areas. We need more help in the above fertile track areas.

Yours for better Cornell Track,

THE COACHES

Tom & Jack

Indoor (Continued)

Cornell once again hosted the indoor Heptagonal games. The Championship went to a tough Army team which barely nosed out Harvard. Cornell scored 16 points—Chuck Roll taking a record in the shot, Wayne Gustafson and Walter Jones winning the high jump and the broad jump respectively. Jones jumped 24'3" and Gustafson cleared 6'8"—again. There were many personal bests on the Cornell team at the Hepts; Jones 24'3", Roll 54'7 1/2", Schwartz 50'9", Carter 1:11.9. The Red finished in fifth place behind Army, Harvard, Yale, and Princeton.

The IC4As, which are somehow always anti-climatic after the Hepts, were held on the new track at the new Madison Square Garden. Wayne Gustafson did the 6'8" trick for 3rd and Chuck Roll heaved the shot 54'5 1/2" for fourth place.

For some reason Pudge Carter and Coach were awarded a trip to the NCAA championships in Detroit, Michigan Cobo Hall. Our hero failed to make the 440 finals but did succeed in whuffing down much steak at the CUAA's expense.

It was a rocky road indoors and it could have been worse had it not been for the consistent performances of Gustafson, Roll and Nehring.

HELP WANTED: Long Island, Northern New Jersey, Pennsylvania, Ohio among other areas. We need more help in the above fertile track areas.

Yours for better Cornell Track,

THE COACHES

Tom & Jack

**TURE TRACK**

The outdoor season began, as usual, early in January as the first rumors of a spring trip to a better climate stirred Coach Jack Warner's athletes out of their winter lethargy. Warner, whose Colgate teams annually sharpened up with a spring trip to the Southlands, was reportedly spotted modeling swim trunks under the eye of Haskell Davidson. Bob Kane was quite intrigued by the surf board that Coach Tom Pagani charged to the athletic budget. Finally, the indoor Heps came and went and it was time for the long awaited journey. Early on the Thursday morning before spring vacation, the cindersmen gathered where buses were poised to bid adieu to the baseball, tennis, golf, and lacrosse teams as they headed South. Warner, his eyes brimming with tears, commented only, "I'm glad Ned Harkness wears my size. I didn't like those swim trunks anyway."

After spring vacation, Warner and Pagani had but two weeks to prepare for the first outdoor meet against Colgate. This meet held special significance for Coach Warner, who was the Colgate mentor for eleven years before coming to Cornell. The Red Raiders let it be known that they were ready for battle by curtailing a week-long campus protest to concentrate on doing their own coach. The outcome of the meet set the tone for Big Red performances for the remainder of the spring. Field event strength told the story. Wayne Gustafson, who will attend theological school in the fall, provided the winning margin by picking up a vital first in the triple jump in the final event of the day. To this, the veteran added a third in the long jump, and a meet record 6'8 1/4" in his specialty, the high jump. Tom "Ga-Ga" Garthwaite embarked on a string of record breaking javelin throws with a 220'3" toss, while Bruce Naglee spun the discus 165'2", well past Cornell's oldest record. The outcome of the field event contingent that accounted for most of the points. Of Cornell's 79 points, Pagani's field forces garnered 59. Marc Schwartz continued to improve his hammer throwing with a personal best of 159'3". As usual, Heptagonal indoor long jump champion Walter Jones won his specialty, and got support from Gary Campbell and Wayne Gustafson. Tom Garthwaite eclipsed the Schoellkopf field javelin mark with a 222'6" chuck. In the track events, Pudge Carter and Larry Doyle paced the Big Red by winning the quarter and the high hurdles.

(Continued on page 4)
Outdoor (Continued)

There is, of course, just one meet on the outdoor schedule, the Heptagonal. This year the meet was held at Yale, a fact known to just about everybody except our bus driver who thought the Heptagonals were caverns in the Ozarks. The Big Red went to New Haven hoping to pull some surprises, but it was the host Elis that shocked everybody by eking out a one point victory over Army, and beating Harvard by only four. Coach Warner’s athletes had many of their best performances but even these could not overcome the inspired efforts of the Elis. Walter Jones soared to a personal best 24'61/2" long jump, only to be bested by a pair of Yale leapers. Winner Calvin Hill’s jump was a Hep record 24'101/2". Tom Garthwaite may have been beaten by Jim Black of Army, but the shady circumstances under which the event was conducted makes many believe that Bob Giegengack would be coaching the Vietnamese Olympic team unless Black threw 223'11" to Garthwaite’s 223'10". Larry Doyle capped a spring of dedicated effort with a third in the 120 yard high hurdles. In the trials, Doyle was timed in a personal best :14.6. Chuck Roll defeated numerous personal rivals by grabbing a third in the shot. Finally, Wayne Gustafson won an outdoor high jump title. The two-time indoor champion had never won outdoors, but his 6'8" was good enough to bring Cornell’s only triumph of the afternoon. In all, Cornell scored 22 points, good enough for fifth place, close behind Navy’s 25. Yale’s victory was in doubt until anchor man Mark Young broke the tape in the mile relay with the final vital six points. With the victory in sight, the Elis streaked to meet records in the final three events on the way to the championship.

With a new driver at the wheel and a two week rest, it was off to Princeton and the final dual meet of the season. Two wins in dual meet competition were already under the belts of the Red runners and an undefeated season seemed a real possibility. In fact, the seniors had lost only one outdoor dual meet in three years, that to Princeton in 1966. Like the two previous victories, this meet appeared to be a cliff-hanger with Cornell field strength offset by the Tiger’s speed on the track. Princeton’s 96-58 triumph was a disappointment to everyone, and once again illustrated Cornell’s weakness on the cinders. Bright spots in the meet included Wayne Gustafson’s 6’9” high jump leap, Tom Garthwaite’s meet record of 219’51/2” javelin.

A bright and sunny Saturday afternoon and the springy quickness of the Franklin Field tartan track helped assure one of the most exciting IC4A outdoor meets of all time. In all, ten new IC4A records were established as Villanova again surged to the team title. For Cornell, the meet was the scene of both satisfaction and disappointment. On Friday premier javelin hurler Tom Garthwaite injured his arm during practice. At this time it is not known whether Garthwaite will be sound in time for the NCAA meet in Berkeley on June 15. Saturday, however, brought better fortune to the Big Red as Chuck Roll, Wayne Gustafson, and Larry Doyle all collected places. Roll’s 54’11’’ shot effort was good enough for third. Gustafson also captured a third by clearing 6’10’’ in the high jump. This equals his Cornell record set in 1966. Doyle continued his remarkable improvement over the highs by running a personal best :14.5 in the semi-finals and taking a fifth with :14.6 in the finals.

In mid-April, Athletic Director Robert Kane made an announcement that will gladden the hearts of all track alumni. As part of a building program that will include relocation of intramural fields to a site near the women’s dormitories, the cinder track in Schoellkopf crescent will be replaced by a seven lane tartan track. The new track, to be installed in the summer of 1969, will be of the same composition as the oval in Franklin Field which has helped account for many outstanding times. It will be a welcome addition to Cornell’s athletic facilities.

![Nehring at Quaker City.](image)

**Frosh Promise**

The varsity track team will be blessed with some good talent next year. The freshman team defeated Army and Dartmouth indoor and beat Colgate and Penn State outdoors. Outstanding members of the team include Glen Faustos, who holds the frosh broad jump record of 23’3/4”, and John Griswold who holds the frosh 440 hurdle record of 55.8. Other performers with promise are Charlie Farrell, a 1:57.3 half miler, Jon Anderson, a 9:51.3 two miler, and Mike Barrett who this year ran 10 flat and 22.2.

PICNIC

The annual track banquet was held on Monday, May 13th in the form of a picnic at Stewart Park, Ithaca. The threatening rain did not appear and the Kentucky fried chicken was devoured under clearing skies. Sam Woodside was supposed to be the speaker. But he didn't show and no one seemed very upset about it.

Gary Campbell served as master of ceremonies. During the voting for various awards Larry Doyle presented Coaches Warner and Pagani the first annual Jim Tupenny awards for questionable achievements. Coach Warner then gave a fantastically incoherent speech, the subject of which was quite unclear.

Anyway the voting resulted in the following:
Shorty Lawrence Award for Most Improved Field Event Man—Marc Schwartz.
Clarence Morse Award for Most Improved Track Man—Larry Doyle.
Jinky Crozier Award for the Best Quarter Miler—Emanuel Carter.
Walter Smith Award for the Outstanding Hurdler—Larry Doyle.
Everett Colyer Award for the Team's Outstanding Vaulter—Gordon Stofer.
Charles H. Moore Award—Outstanding Sprinter—Emanuel Carter.
Outstanding Mid-Distance Man—Ron Nehring.
Outstanding Distance Man—Tom Bolan.
Robert J. Kane Sportsmanship Award (best Senior Sportsman)—Gary Campbell.
Guthrie Award to the Senior who has done the most for Cornell Track—Chuck Roll.
Next Year's Captain—Emanuel Carter.
President of Spiked Shoe Society—Gordon Stofer.
Secretary of Spiked Shoe Society—Bob Kingan.
Treasurer of Spiked Shoe Society—Ron Nehring.
The banquet ended with outgoing captain Chuck Roll challenging the team to do its best in the coming year.
Heptagonal Champion Wayne Gustafson.

Gordon Stofer at 14'0.

Record Holder Bruce Naglee.
