DEDICATION

We of the Spiked Shoe Society of Cornell University dedicate this issue of THE WASTEBASKET to

JOHN GATLING '28

Mr. Gatling has long been a friend and generous supporter of Cornell track. His dedication to track is reflected by the award that he has donated, the John Gatling Award, to the senior who has done the most for Cornell track.

Mr. Gatling has also been involved in other university affairs having played an important role in the Centennial Fund drive of the mid-sixties.

We are all very grateful to Mr. Gatling for his efforts in furthering Cornell track.

TEAM PICNIC

This year the annual team picnic was held at Treman State Park on Wednesday, May 15. This year several of the Cornell Spikettes were on hand at the picnic. These girls helped out throughout the year at all of the home meets and we are very grateful for their assistance.

Besides the food, softball, and the good times by all, the team awards were presented by Coach Warner, as voted on by the team. In addition to the regular awards, two special presentations were made. The first was to manager Paul Schmitt who worked extremely hard for four years. A plaque was presented to Paul by the team members in appreciation for all he has done.

The second presentation was made to Coach Pagani and his family as a going away present and as an expression of thanks for all that he has done for Cornell track.

TIME OUT WITH THE EDITOR

I would just like to take this opportunity to wish Coach Tom Pagani and his family the very best of luck in Illinois. Coach Pagani has been with Cornell for eight years and has played a large part in building the track program and the team's success over the years. He has been not only a coach but a true friend of every team member. The Big Red track team as well as the entire Cornell community will miss Tom Pagani.

SEASON ROUNDUP

The 1974 outdoor track team posted a dual meet record of 2 and 2 with wins over the Univ. of Birmingham and Colgate and losses to William & Mary and Penn. This may sound like a so-so season, however, we feel that it has to go down as one of the best in Cornell track history. New records were set by Dave Doupe in the shot put on 4 separate occasions with the final record at 61'8½" which will last only until Dave gets back and starts the 1975 season. Captain Bob Anastasio and Pal Roach bettered Pete Brandeis' record of 1:49.6 in the 880 with a great 1-2 finish at 1:49.3 in the Heps. Bob then took another tenth off that at the NCAA in Texas to leave it at 1:49.2 and still very precarious as Roach and Patterson will take shots at it again next year. Anastasio also lowered the outdoor mile record to 4:04.7 and then Patterson narrowly missed that with a great 4:04.8 in the Heps.

Jim Leonard upped his own triple jump record 3 times after surpassing Glen Fausset's 50'7¼" and his best was 51"3 in the NCAA meet. Ray DeMarco lowered his own 3 mile record to 13:48.2 at the Penn Relays. Phil Collins ran a fine 14:17.2 in the 5000 meters in Dublin. Great new relay records were set as the two mile foursome of Dane Keehn, Tom Patterson, Pal Roach, and Bob Anastasio ran a then nation leading 7:24.2. This time held up as the 7th fastest in the U.S. in 1974. The distance medley team of Roach, Mike MacNeil, Patterson, and Anastasio ran 9:40.4 in a great race at the Penn Relays. That time was also in the top 10 in the U.S. for 1974.

Carl Shields made the USTFF All-American in the hammer throw and also the U.S. Track Coaches Association All-American in the hammer throw for his great efforts in the USTFF and NCAA meets. Carl's first ever throw over 200 feet earned him a 4th in the NCAA meet. Frosh Doupe was 7th in the USTFF at 61'8½" with a 63'8½" foul. At the NCAA he was 6th at 61'5¾". He was 2nd in the US Junior meet in Gainesville, Fla. at 61'3½" and then won the US vs. USSR Junior meet in Austin, Texas at 60'3/4" and had a 63'16" foul in that meet.
In the NCAA, Cornell was the only school to have two men qualify for the semi-finals of the 880 as both Anastasio and Roach advanced to the semis only to be edged out for a place or places in the final.

So it was a great year in Cornell track, a year in which many of our athletes really "came of age" and began to believe in themselves. This should make us an even tougher team in 1975. Although the loss of Anastasio, Collins, MacNeil and a few others will hurt, we have a strong nucleus returning, led by Co-Captains-elect Jim Leonard and Tom Patterson.

Chairman Hunt Bradley reports the Fund is off to an excellent start with approximately $15,000 received to date in gifts and pledges from 50 of the selected group of individuals approached in the initial stage of the campaign, the leadership gifts solicitation. The total includes one for $2,500 and several of $1,000. To these men who have already contributed the Committee is most grateful.

To those who have not responded as yet to the April letter, the Committee takes this opportunity to emphasize that a reply with gift or pledge will be greatly appreciated and most welcome.

The next step of the program will be a letter to all other track men and managers and friends of Cornell track, scheduled to be mailed during the summer, inviting participation with more than a "token" gift in this fund honoring our famous and esteemed coach.

**ALL-IVY RECOGNITION**

The following men were named to the ALL-IVY Track & Field team for 1974: Carl Shields, Dave Doupe, Jim Leonard, Jorman Granger, Mike MacNeil, Bruce Abels, Bob Anastasio, Pal Roach, Tom Patterson, Ray DeMarco and Reggie Barron.

**ALL-IC4A RECOGNITION**

The following men made the All-IC4A Team for 1974: Dave Doupe, Jim Leonard, Bob Anastasio and Phil Collins.

ALL-AMERICAN RECOGNITION

Carl Shields '75 was named a track & field All-American for 1974 by both the United States Track & Field Federation (for his 2nd place finish in the 1974 USTFF hammer throw championship), and by the United States Track Coaches Association (for his 4th place finish in the 1974 NCAA hammer throw championships). In the latter competition he achieved a new personal record of 200 feet and 4 inches as he beat out the 1973 champion for 4th on his last throw. We are all proud of the job that Carl has done in Cornell Track.

COACH THOMAS J. PAGANI LEAVES FOR ILLINOIS

Associate Coach of Track & Field Thomas J. Pagani began as the Assistant Coach of Track & Field at the University of Illinois in Champaign-Urbana, Ill. on July 1, 1974 after serving Cornell track for eight great years. Coach Pagani added much to the Cornell track program during his tenure and will be missed by the entire Cornell community but most especially by the Cornell track and cross country teams and Coach Warner. We wish Coach Pagani the very best at Illinois and in the future.

Cornell Names Track Coaching Assistant
(from the Ithaca Journal)

Edward F. (Ted) McLaughlin, assistant track and field coach at Brown for the last two years, has been appointed to a similar position at Cornell, it was announced by Jon Anderson, Cornell's director of athletics.

McLaughlin, 35, replaces Tom Pagani as assistant to head coach Jack Warner. Pagani is now an assistant at Illinois. McLaughlin's appointment at Cornell is effective July 15.

McLaughlin's primary responsibility at Cornell will be in the field events, as it was at Brown. He will work with two of the nation's finest weight men - hammer thrower Carl Shields and shot putter Dave Doupe. Shields, a junior, was All-America this year. Doupe, a freshman, has put the shot nearly 62 feet.

A native of Providence, R.I., McLaughlin was head track coach at Hope High School there for nine years and was regarded as one of the top high school coaches in Rhode Island. His teams won eight class championships and five indoor and outdoor state titles.

In addition, he coached cross country at Johnson & Wales Junior College from 1970 through 1972. His team captured Region III titles all three years and placed sixth in the nationals in 1970 and 1971.

A 1957 graduate of Classical High School, McLaughlin was a two-time All-State selection in the pole vault and a high school football star. He went on to Holy Cross where he was a four-year letter winner in the pole vault. He graduated in 1961 with a B.S. degree in biology. He holds a master's degree from Brown.

IN DAYS OF YORE
by Hunt Bradley '26

DO YOU KNOW that...

In the first thirteen IC4A cross country championships (1908-1921), Cornell won 9 titles, was 2nd thrice and 3rd once, with 9 individual champs (John Paul Jones a three-time winner). From 1905 to 1919, Cornell won the IC4A outdoor title 9 times and probably would have done so in 1917 had the meet not been canceled due to World War I.

On the 1914 All American College track team were Dave Caldwell '14 (880), Frosty Speiden '15 (1 mile), Johnny Hoffmire '16 (2 mile), and Pat Potter '16 (cross country).

1912 Olympic High Jump Champion Alma Richards '17 won three outdoor AAU titles: high jump (6'1 3/8") 1913, decathlon (6,858) 1915 defeating Avery Brundage, and shot (42'3 3/4" 1918.

At the 1934 Penn Relays, Cornell won three championships: 440 relay (43.4 mud) Dick Hardy...
'34, Bob Scallan '36, Bob Kane '34, Bob Linders '36; 880 relay (1.27.8) John Messersmith '36 replacing Hardy; and the shuttle-hurdles (1.02.4 record) Walt Merwin '35, Otto Hillmer '34, Frank Irving '35, and John Bennett '34.

James Hamilton "Ham" Hucker '37 in 1935 IC4As set a new record for the 200 meter hurdles of 23.2 in fifth man heat and won final in 23.3; won IC4A 1937 220 yard hurdles in 23.2, another record; in 1937 victory over Princeton (68-67) on Schoellkopf set meet records in the highs (14.8), lows (23.8) and 440 (48.4); and was only undergraduate ever to go to London for the Oxford-Cambridge meet twice (dropped out of college for a year during depression) where he was 2nd in the lows in 1934 and first in the highs and lows in 1938.

Andrew J. McConnell '28 held a Cornell track and field indoor record for the shortest time; was the only non letterman (in track) who ever held a Cornell record; and that this occurred in the 1928 indoor Yale meet in the broad jump when he managed a fair jump (22'3") and Rym Barry announced it was a new Cage record -- which lasted about 5 minutes when Rym announced a newer record by Dusty Rhodes '28 (22'11"). (Thank you baseball player Andy for sending in this tidbit.)

A typographical error appeared in the last column when it was stated Cornell took the first four places in the 1919 IC4A 2 mile. It really was in 1916, but almost repeated in the 1918 IC4As with Cornellians placing 1,2,4, and 5 -- Ivan Dresser '19, Don Peck '20, Bob Spear '19, and Charlie Seelbach '19.

Do You Remember? ...

Jim Munns '14 buying champagne for the entire team at the Philadelphia Hotel training table following the great IC4A victory in 1936.

Tell Berna '12 the day you had to beat rugs all morning for your mother, and then went out to win the 2 mile that same afternoon. (Thank you Ed MacKrell for this insight.)

Steve Sampson '34 in the Quad meet at Boston Garden when running anchor in the mile relay you fell breaking the baton into countless slivers, picking up one of the slimnest of the slivers and going on to win. (From Bob Kane's, John F. Moakley, 40 Years at Cornell.)

Manager Serge Petroff '35 selling punch board chances on the campus during the Great Depression to finance the Penn Relay trip (in cars) when the CAA withdrew support for lack of funds.

Harry Rosenthal '25 in the 1925 Michigan meet at the Fielding Yost Field House the oval track straightaways were behind the basketball stands, a perfect place for a bit of unnoticed elbowing and other illegal racing tactics. (no insinuations, sir.)

REMEMBER the 1974-75 Dues (see notice) are due, due, due -- and to back up the faithfuls who have kindly and willingly taken pen in hand -- this is a gentle reminder for all others to take said pen in hand and do send in your dues to keep the WASTEBASKET full of news!
ALUMNI PROFILES

Due to the excellent response and the suggestion of a few of our readers, we will print several brief profiles rather than one detailed one in each issue.

JOSEPH SILBERT '15

Mr. Silbert ran on both the Cross Country and Track teams of 1914 and 1915. Since that time he has been involved in the family optical business, pioneered in the field of safety engineering, and founded the American Allsafe Company, a manufacturer of industrial safety equipment. Mr. Silbert, presently living in Buffalo, N.Y., is also responsible for the Joseph Silbert Deanship of Engineering at Cornell, the first of its kind. Mr. Silbert tells us that during a recent visit to Ithaca he saw that he was in the framed picture that Jack Moakley had kept in his den for many years.

C. STUART "STU" COOPER '17

Mr. Cooper ran freshman track and cross country, competed for track manager in June 1914 through May 1915 and was the assistant track and cross country manager until the spring of 1917. Mr. Cooper is now retired, having served in the U.S. Army for two years and worked for the Bell Telephone System from 1919 to 1950. He married Lucie Shriver in 1917 and has 3 daughters, 8 grandchildren, and 1 great grandchild. Mr. Cooper's hobby is the Delaware Valley & Southern Railroad -- a large layout of tin plate toy train, in its 53rd year!

RONALD MADARAS '65

Mr. Madaras still holds the Cornell Indoor record for 600 yards at 1:09.8 in addition to being a Dean's List student while an undergraduate at Cornell. After graduation he went on to receive his Ph.D. in Physics from Harvard. His thesis involved an experiment in high energy electron-position colliding beam physics. Mr. Madaras is presently doing research in the same at the University of Paris and plans to remain there for two or three years. He also reports that he still occasionally runs and that Cornell track was one of the best parts of his education.

CLARENCE BAMBERGER '08

Mr. Bamberger was manager of the Varsity track team, member of the "Savage Club", Quill and Dagger, Chi Psi Fraternity, and several other organizations while at Cornell. He was also president of the Intercollegiate Amateur Athletic Association. Mr. Bamberger is married to Marie Odell Bamberger, has three children and seven grandchildren. He attended the Royal School of Mines in Berlin and Ecole Superieure des Mines, Paris. He was ordnance captain during WWI and is a retired mining engineer. Mr. Bamberger has also served on the War Industries Board, the Board of Directors of the American Red Cross and the Founders' Board of the Salk Institute for Biological Studies. Mr. Bamberger was also in Who's Who of 1964-65.

August 15, 1938.

NOTICE TO CANDIDATES FOR VARSITY CROSS-COUNTRY TEAM - SEASON 1938

All candidates are requested to report for practice Monday, September 19, 1938. Training will be held at 10:30 A.M. and 4:00 P.M., daily.

VARSITY SCHEDULE

October 15 - Alfred at Ithaca
October 29 - Yale, Dartmouth, Columbia at Van Cortland Park, New York City
November 5 - Syracuse at Syracuse
November 14 - IC4A Championship at New York City

Keep up your long walks; practice hopping on one leg; and do sufficient body building work as advised at the close of spring training. This will prepare you for the stiff running you will get from the beginning of your practice here. Take a swim occasionally. The breast stroke is best for development. Keep track of your weight.

See that you build a strong physique and develop plenty of stamina. The number of miles one puts in running and walking is what makes the good runner. Come prepared to stand real hard running the first day of practice.

Everyone should own a really good pair of canvas sneakers. The Englishmen use a white canvas upper with a rubber sole. Get them fairly loose - not too tight. Pay at least a dollar for them; it will be well worth the price in keeping your feet in good condition.

Keep down off your toes in the long runs. After running, take an easy walk barefooted. This practice is very refreshing for your feet.

If the schedule printed below takes too much out of you, ease up on your practice. If your legs get sore, walk instead of running. Toughen your feet by bathing them in salt water, or use tannic acid.

Give some thought to developing a smooth stride. Make the arm action an easy one. When jogging, keep arms up, letting the legs do all the work. Use alcohol or witch hazel for a rubdown in hot weather, oil in cold weather.

5th Day - Walk 3 hours.
6th Day - Run 4 miles at a good pace, but not top speed.
Sunday - Usual long walk, 3 to 6 hours.

Fourth Week:
1st Day - Run fast 1 1/2 miles. Rest and run a fair 440 and then 2 straightaways of 120
yards at 7/8 speed.
2nd Day - Run fast 3/4 mile. Rest and jog 4 miles.
3rd Day - Run a good 3 miles.
4th Day - Run and walk 6 miles.
5th Day - Run 4 miles, 1st quarter mile of each mile fast, and easy on each of the other
3/4 miles.
Sunday - Usual long walk.

Sincerely yours,

John F. Moakley, Coach
Howard W. Welch
Gustavus A. Bentley

COACH'S COMMENTS

The year 1974 was a good one for Cornell Track. The team really progressed and most
pleasing to me was the new confidence that they showed. This is so very important in big-
time competition. If you do not believe that you can beat the stars that you have heard
and read about, you never will. An athlete cannot get rattled and have doubts in the face
of good competition. We showed this year many times that we could do it. This was first
evidenced when we beat the U. of South Carolina's 1974 Indoor NCAA Championship two mile
relay team on their own track in front of their home crowd. We then came back with the
same four men and won the distance medley relay. The times were good, considering the
strong winds that we had to contend with. Sub-four minute miler Tony Waldrop of North
Carolina won the two mile run, but in less than spectacular time, and he was quoted in
the newspapers as saying that the wind prevented a good time. Then at Penn State, the
two mile relay just got out and ran and without any opposition after the 2nd leg of Tom
Patterson and the final time led the nation for several weeks. The same attitude was dis-
played in the Penn Relays, and all of the remaining meets. Now that we have reached this
important point, I hope that we can keep it. Of course it is also important to have a few
top class athletes as leaders in this. Frosh Dave Doupe was a "Godsend" in this depart-
ment and I am sure that his confidence rubbed off on the others. Dave seems to be at his
best when he competes against the best, and he did just that on several occasions. His
Cornell record of 61'8 1/2" (he had a foul at 63'8 1/2" in the same competit on) came in
competition against the two best shot putters in the world, Al Feuerbach the outdoor
record holder, and George Woods the indoor record holder, and both of these men threw over
70 feet in the USTFF meet. So I look for a good year in 1975 if all goes well. We have
a good group coming back and a solid back-up crew.

Aside from the graduation losses, another big loss will be on the coaching level, as Tom
Pagani moves on to the University of Illinois. I wish him nothing but the very best. Tom
made a great contribution to Cornell Track and I know that I was very lucky to have him
working with me through my first seven years at Cornell. He certainly made my move an
easier one. Tom was a fine technician, a good recruiter, and most of all a good friend
of all of us. He was well liked by the athletes and highly respected. It certainly made
my job much more enjoyable to be working with a man who had basically the same philosophy
towards the sport as I have. I had complete confidence in his ability and the field
events were his "domain". He handled them superbly. As far as I am concerned, Tom goes
down in my book as one of the major reasons for the resurgence of Cornell track.

I feel very fortunate that we have been able to hire Ted McLaughlin as the new assistant.
Ted did a tremendous job at Brown the past two years and in high school before that, and
he comes to us with the highest of recommendations by many of his peers. Ted, like Tom
before him, will be responsible for all of the field events and the lion's share of the
recruiting. I look forward to working with him and am sure that he will contribute greatly
to our effort to put Cornell back on the top in the track world.

CORNELL TRACK ARCHIVES: We are very grateful to those who have donated back issues of the
WASTEBASKET so that we can have a more complete file on the great past history. We are
especially grateful to Gene Leinroth for his donation of two issues of Vol. 2 from 1917.
These are the oldest issues that we now have.

DOES ANYONE KNOW HOW THE WASTEBASKET GOT ITS NAME? This has puzzled many of us and I am
sure that one of you knows how that name came about. We would like to hear from anyone
who can explain this to us and would be very grateful for your help.

Still no news on where the LUNG HOW TROPHY is hiding. If you know anything about it,
please contact Robert S. Spear, '19, 425 Yale Drive, San Mateo, California 94402. He
has traced it up to about 1942 and then the trail seems to end.

Thanks to Nat White '44 for sending us the 1938 Cross Country letter published within.

U.S. students hollow win
at Belfield

By TOM O’RIORDAN

THE new athletic arena in Belfield looked a picture last evening under the bright sunshine for the visit of the Pennsylvania and Cornell Universities track and field team but the scheduled match with a U.C.D. Selection turned out to be a near farce with several of the athletes selected on the home-based team failing to turn up and resulted in the visitors claiming a rather hollow victory.

Fionnbar Gallanlan an official of the U.C.D. club which took the responsibility of providing some competition for the tourists selected on the home-based team failing to turn up and resulted in the visitors claiming a rather hollow victory. Many of the athletes selected were involved in examinations and a few from Queens went to the Scottish Championships while others just did not show.

MEMORABLE MOMENTS

But thanks to a few there were moments to remember, most of all the 110 metres hurdles where C. J. Kirkpatrick had a tremendous struggle with Bruce Collins. Collins, the American Collegiate Champion won by inches after the Queen’s student had led all the way to the final flight but could not match the Pennsylvania student for speed in the dash to the tape.

The triple jump was tremendously exciting also with the 17-year-old Cork athlete Colm Cronin getting in another mighty leap of 48 ft. 8½ inches but had to give way to the powerfully built Cornell student, James Leonard who won with 49 ft. 11½ inches.

PERSONAL BEST

Mike Bull could not hit it off quite as well in the pole vault, failing at his opening height of 15 ft. on all 3 attempts.

The 800 metres was entertaining too with F. J. Carolan of Cranford splitting the Americans with a personal best time of 1 min. 53.3 secs. Carolan could not get up to Robert Anastasio, pace maker through a 54 sec bell and winner in 1:54.2, but he had 3 mins. 55 secs miler, Denis Flies behind him.

Eamonn Coghlan of Donore running his fourth race in nine days won the 1,500 metres for the U.C.D. Selection with consummate ease. Coghlan went out at a cracking pace, covering the first 400 in 57 secs and going through 800 in 1:57. However, with the field still out behind him at this stage he slowed and was content to win in 3:54.9.

Finbarr Long arrived from Cork just as the 3,000 steeplechase was about to start but it was delayed for him and without any warm up he duly went out from the start and won going away in 9 mins. 10.2 secs.

HAVING ADDED almost five and a half feet to the existing Irish record for the women's discus, Mrs. David Bennett, of Crusaders A.C., expressed dissatisfaction with her performance at the Guinness Sports in Iveagh Grounds, yesterday, when the visiting Americans, Reginald Barron and Vincent Redden, filled the first two places in the traditional "100." Perhaps it was understandable that Mrs. Hogan (nee Porter), at 26, about to make a serious return to competitive athletics after marriage and giving birth to a son, should not be satisfied with her throw of 131 feet 4 inches, which smashed to pieces Maria Dunne's existing record of 126 feet 0 inches, since she has already fired the 2:22.6 platter beyond 163 feet.

WRONG RHYTHM

"My rhythm was all wrong," said the former Northern Ireland and Commonwealth Games representative and British international after she had beaten Miss Dunne's year-old record with a throw of her four legitimate throws, having started and finished with fouls. "I would hope for at least 140 feet before the end of the season but having missed the heavy weight training programme for more than two years I will probably not be back to my best until next season," said Mrs. Hogan.

The Americans, Barron and Redden were late additions to the 100 metres but they showed their class in true style. Barron won by two clear feet in 11 seconds into a swirling wind and Redden took the runner-up prize ahead of Vinnev Becker (Crusaders), winner for the past three years.

This was not alone Barron's first race on a grass track but it was also his second race to the 20-year-old Cornell University student, the first time he had seen one, 1

The women's 100 metre saw Mrs. Claire Walsh (Clonliffe) run a beautiful race. She always had the edge on Northern Ireland star Miss Linda McCorry of Shorts. Mrs. Walsh won in 12.2 seconds while Miss Jackie Spence (Crusaders) came through strongly to pip Miss McCorry for second in 12.5.

DISQUALIFIED

Shorts A.C. came with a strong team for the sprint relay but were disqualified after watching for allegedly running out of their zone. However, the men involved, Jerry McCormish and Davy Bennett, who exchanged the batons at the second change-over, were forcibly denied running out of their zone. Bennett said afterwards "I have been running relays for 10 years and this is the first time I have been disqualified. I slowed as McCormish came in to make sure I was not over the line and anyway how could one judge watch seven teams?"

Showers finished about four yards in front of Crusaders who were then given first place.

A crack track and field team from Cornwall and Pennsylvania universities should make a visit to the Mardyke a rewarding one this evening when one of the country's premier clubs Leevale entertain the U.S. visitors, writes Tim O'Brien.

The American party of 42, including five coaches, are unbeaten in competition in their three week tour of Britain and Ireland and will be hoping to keep that record intact tonight.

Leevale chairman Finbarr O'Brien is confident of a top quality meet and so as to maintain audience interest to the finish tells me that the 14 event card will be run off like clockwork, starting at 7 p.m. and concluding 11 hours later.

A concession for schoolboys and girls under 14 is that they will be admitted free of charge which in itself will not only add extra atmosphere to the occasion but also provide an excellent opportunity for the younger brigade to study some of the finer points of the sport as will be demonstrated by such talented performers.

To ensure that the contest will not be one way traffic Leevale have widened their selection basis to call on guests and these include the country's top 400 metres performer Fanahan McSwweeney; the Hartigan brothers, Pat and Bernie, from Limerick; Mick Dooley, Len Braham, Shay Fitzpatrick, Finny Long and colleges 800 metres champion Dan O'Keeffe.

These should boost enormously a Leevale team that can call on such staunch competitors as the Valley brothers Frank and Bernard, Finbarr Jeffords, Tony O'Leary, Donal Walsh, Mick O'Flynn, Colm Cronin, Brendan Coghlan, and high jumpers Murray and Cronin.

A COMBINED Cornell and Pennsylvania Universities track and field athletics team rounded off a three weeks tour of Britain and Ireland with an easy victory over a Leevale A.C.- selected team at the Mardyke, Cork, last night, winning by 109 points to 48 points.

Although shot putter Brendan Coughlan was the only winner for Leevale, many other competitors put in some excellent performances. Coughlan outclassed the opposition completely with a putt of 49 feet 8 1/2 inches bettering his nearest rival, visitor Bob Kull, by no less than 6 ft. 1 1/2 inches.

Leevale’s Tony O’Leary put in a great bid to take the 1,500 metres event but failed narrowly, with Denis Fikes from Cornell-Penn holding on to win by the narrowest of margins. However, O’Leary who applied the pressure on Fikes as front-runner on the back straight, achieved some consolation with a personal best time of 3 mins. 53.2 secs. Although he closed the gap on Fikes coming round the final bend he was unable to sustain his effort, and the American hit the tape half a second ahead of the Corkman.

Pat O’Riordan was another impressive runner for Leevale but found Phil Collins from Cornell Pennsylvania too good. The American, ahead at the bell put in a strong run on the final lap but was unable to shake off the attentions of O’Riordan. However, on the final bend the Corkman faded and finished 4.1 seconds behind the winner.

American National colleges champion in the 400 metres hurdles, Collins dropped to the shorter distance last night and held off the challenge of colleague Harold Schwab, Collins who has a time of 49.8 seconds to his credit in the longer event, returned a time of 14.6 seconds, with Schwab being given a similar time. However, Schwab had some consolation when he took the 400 metres hurdles with a time of 56.5 seconds.

Although the visiting sprinters found the grass track a little difficult, they managed to return creditable times. Bernie Gansle who was returned 9.3 seconds for the 100 metres, was timed at 10.9 seconds in that event with Leevale’s Frank Walley coming home third in 11.5 seconds. In the 200 metres Michael Seitz was first home with a time of 22.3 seconds.

COGLAN EASILY HOLDS OFF

CARROLL BID

A POSITIVE attack from the back of the nine-man field by Eamonn Coghlan gave the Donore Harriers representative, home on holidays from Villanova University, victory in yesterday’s invitation 800 metres at the Civil Service Sports in College Park but he had to lengthen his stride on the homestretch to hold off the challenge of that great warrior, Noel Carroll (Civil Service), before securing his fine win in 1 min. 50.2 secs.

While the track action was occupying the attention of the spectators, Mrs. Gay Hogan of Crusaders was smashing both her own day-old and existing ground but there was never any real danger of the Donoreman being caught.

While the track action was the centre of attention, Marie Dunne’s 126 ft. 0J in., nine throws over the two days she beat the ratified record, in the discus in the nearby rugby field. This time Mrs. Gay Hogan (Limerick A.C.) into third place. Carroll shunted Nial O’Sullivan (Civil Service), before securing his fine win in 1 min. 50.2 secs.

The lanky Gregan clocked a career best time of 14 mins. 9 secs. as he won comfortably from Pat O’Riordan (Leevalle) (14:12.6), while Paddy Murphy, of Kildare, chopped five seconds off his best with a good third in 14:15.8 as the first three ran the fastest times in the country so far this season.

Weather - Sunny and warm

The meet in Cork was the last meet of the tour (7 meets in 13 days) and some of the athletes returned to the U.S. on the 26th while others stayed on to tour and to do some more running. The weather was generally very good with rain only at the end of the meet in Birmingham. Most everyone enjoyed the trip and had some great experiences.

We are sure that this was a tremendous educational experience for everyone. The treatment that we received by our hosts was just great and many lasting friendships were made. People like Roy Carter and Bob Stinson of Cambridge, Mike Hayes of Birmingham, Keith Ridley, Bill Walker and Keith Lane of Edinburgh, Fionnbar Callanan, Niall MacCarvill and Owen Dalton in Dublin, and Donal Walsh in Cork, just went out of their way to see that our trip was most enjoyable and we will be forever indebted to all of these fine people and all of those who put athletes up in their rooms or homes. Their efforts are greatly appreciated as we can well imagine the tremendous amount of work and coordination this took.
