of the WASTEBASKET to

Ben Mintz '43

A native Ithacan, Ben Mintz was appointed by retired dean of athletics Robert J. Kane as sports Information director in 1949. He held that position for the past 28 years. This past fall, Ben decided to take an indefinite leave of absence from the directorship due to health reasons.

While serving Cornell, Ben Mintz piled up an impressive list of accomplishments. In the mid-fifties, he was instrumental in the launching of the Eastern College Athletic Conference Service Bureau in New York and was a charter member of the College Sports Information Directors of America Association. He has successfully promoted such annual events as the Heptagonal indoor track championships (starting in 1953) and the August football-press golf outings here at Cornell. Ben has been behind the publicity for many of the university's greatest athletes and teams, and has lent his expertise in the development of many stories about Cornell which have appeared in such National publications as Life, Sports Illustrated, Time, and Newsweek Magazines.

The Spiked Shoe Society would like to express its thanks to Ben Mintz for his devotion and many contributions to Cornell Athletics, and pray that his upcoming years are healthy and happy ones.

Inexperienced and untimely injuries never help a Cross Country team. The Cornell Harriers found that out this year as they posted a 5-6 dual meet record in spite of their high expectations for the '76 season.

Prior to the team's first dual meet, Coach Warner held three time trials on the Moakley Course to tune up his runners. On the basis of the trials, a cut was conducted. From it emerged a highly talented and remarkably young (one senior and six juniors) team of thirty enthusiastic runners. Unfortunately during this time, two promising freshman runners, Bart Petracca and John Baker, were sidelined with ankle and hip injuries. As a result, they had to sit out the majority of the season.

In spite of the absence of Petracca and Baker, the Harriers opened the '76 season by soundly trouncing Colgate 17-45. The spirited Cornellians captured 10 out of the top 11 places. Frosh Mike Wyckoff, and sophomore Jon Ritson and Pete Pfitzinger tied for first place. Their winning time was the fifth fastest ever run on Colgate's course.

The following week, in an extremely close and exciting race, a visiting Syracuse team handed Cornell their first defeat. With six dual meets already under their belts, the crafty Syracuse runners took out the first mile in a torrid 4:38. The heated pace quickly split the Big Red pack up. Despite this tactic, Cornell's runners refused to fold. As the runners descended into the gorge with a half mile to go, one point separated the two teams. Wyckoff emerged from the gorge first and sprinted home to win. He was timed in 25:32, breaking Jon Ritson's freshman course record by 17 seconds! Unfortunately, Syracuse runners captured the next four places and squeaked out a 25-30 victory. It was a tough loss for Cornell.

The Big Red Harriers next travelled to West Point to take on Army. Missing Ritson as a result of a nagging foot injury, and running with an ailing Pfitzinger, the Harriers suffered a disheartening defeat, 18-41. Wyckoff was again top man for Cornell, finishing third behind Amy's Alitz and Enright.

Faced with the cancellation of the Dartmouth-Harvard triangular, the following weekend Coach Warner took his troops down to Lafayette to participate in a six team meet. Cornell scored impressive wins over Lafayette (16-47), Iona (15-50), and Seton Hall (15-46), but lost to Columbia (21-34) and St. John's (19-42). Wyckoff once again finished third, and the status of Ritson and Pfitzinger remained the same.

Back home against Yale the next weekend, the harriers suffered an unexpected loss. The Ells were able to put four of their men behind front running Wyckoff to win 25-31.

Cornell ended its dual meet season with a triangular against Bucknell and Rochester at Bucknell. In a great team effort, the Red Harriers nearly shut out highly rated Rochester 17-44, but lost to defending IC4A College Division champion Bucknell 17-40. At that meet, Cornell recorded the fastest team time ever on Bucknell's course by a visiting team.

At the Heps, Cornell's runners finished eighth. The top scorers were Wyckoff (20th), Ritson (33rd), and Captain Dave Washburn (39th).
Following their mediocre showing at the Heeps, the Red Harriers flashed some of their true potential at the IC4A's. They finished 15th out of a 26 team field. The Red runners avenged two of their earlier losses by finishing ahead of Yale and Syracuse. Running especially well for Cornell were Wyckoff (24th) and Pfitzinger (21st). For their efforts, both runners were named to the All East Cross Country Team for 1976, and qualified for the nationals in Denton, Texas.

At the NCAA's Pfitzinger and Wyckoff finished 132nd and 152nd respectively out of 350 other nationally ranked runners.

CAPTAIN'S COMMENTS

The 1976 Cross Country team just missed a winning season this year as it ran to a 5-6 dual meet record. There were a number of high points. For example, in the first meet of the season against Colgate, the squad immediately proved its ability to go out in a large front-running pack, a characteristic of any winning harrier team. In the last regular season meet against Bucknell and Rochester, the team showed it was capable of fast times with some excellent marks on the Bucknell course. And in the IC4A meet, the season closed on an upbeat for the team, especially as Pete Pfitzinger and Mike Wyckoff gained All-East honors and qualified for the NCAAs.

When looking at the team's performance one should keep in mind the youth of the squad. The varsity was composed mainly of first and second year students. In the IC4As, three freshmen (Bart Petracca, Bob Bucholz, and Mike Wyckoff), and three sophomores (Andy Fisher, Jon Ritson, and Pete Pfitzinger) competed for Cornell. And at the NCAAs, it was a freshman and a sophomore who put the Big Red on the national map this year.

As for next year, one cannot help but be optimistic. In view of the J.V.'s impressive 4-2 record, and the team's only loss to graduation being Mike Murray, it should be a good year for Cornell Cross Country. Wyckoff and Pfitzinger can only be expected to benefit from their national exposure. And the rest of the team, seasoned from this year's tough dual meet schedule, and bolstered by this trip to nationals, should also profit in the way of increased confidence. Next fall, one should expect nothing but improvement.

DID YOU KNOW THAT............

In a March 1929 Schenectady paper a sport column by Dan Duval entitled "Jack Moakley, Builder of Men" included the following. "Jack Watt '18 was schoolboy mile champ in Honolulu when he came to Cornell. His best time was 4:45. As a freshman he tried out for distance. Moakley looked him over closely and watched him in action. And there is no keener judge of track athletes in the world than Moakley. He decided that Watt was built more for hurdling than distance running. With Walker Smith '20, who held the interscholastic high hurdle record at Exeter, Watt ran 1-2 in both high and low hurdles in the 1919 IC4A meet. Watt gave Smith a hard race in each case to take second place. Both Watt and Smith made the 1920 Olympic team. Moakley made a hurdler out of Watt who had aspired to be a distance runner! What the column did not include was the story of probably Jack Watt's greatest race, in the 1920 Penn Relays 440 yd hurdles (2'6''). Prior to the meet, he had some leg trouble but not enough to keep him from running. Coach Moakley said he would stand at the end of the final curve and advise him whether to continue or drop out and save himself for future meets, Jack has told me how he nodded affirmatively as he passed Moakley and sped on to win by over ten yards in the time of 54 1/5, a new world's record.

At the 1937 Penn Relays, Ham Hucker '30 won the 400 meter hurdles (3'6'') in 55:2; the 4 mile relay team of Bentley '39, Bassett '37, Welch '38, and Meaden '37 took second to Indiana who established a new world's record of 17:16.2; and the shuttle hurdles team of Charlie Neff '37, Hucker '38, Eric Schwartz '39, and Bill Rossiter '37 won in the time of 1:02.7; Hooper '38 placed third in javelin with 190'; and Van Ranst was fourth in shot with 44'7''.
Surpassing the $50,000 mark during the past four months of this Bicentennial year by $2,750, the Fund is now on its way with a flying start towards the second $50,000! To date, 262 alumni, 12 non-Cornellian friends, 15 corporations, and one foundation have contributed. Since January 1, there have been 75 "repeats" and 18 thoughtful memorial gifts. Of the latter, nine were from relatives and friends of John S. Hoffmire '16, captain of the 1919 Intercollegiate Championship team, who passed away in June. To all responsible for the $52,750 - genuine thanks!

In February you will receive the 1977 communiqué requesting your participation on the "third leg" of this $100,000 relay. We anticipate many more gifts from the 262 on our Honor Roll. We urge sincerely those of you not yet on the team to join the champions with a special effort and thus place your name on the next Wastebasket donor list.

COACH'S COMMENTS

We had high hopes for the 1976 Cross Country team as we had some talented people returning from the 1975 squad and a number of talented incoming Freshmen. Those hopes were dashed by injuries and sickness. One talented newcomer went out for soccer rather than cross country. So with three and sometimes four of our top five men sidelined, we posted a 5 and 6 record. However, we did finish the season in fine style as we placed 15th in the ICAA meet and two of our men made ALL-EAST; Sophomore Peter Pfitzinger and Frosh Mike Wyckoff. Both of these men also qualified to represent District II of the NCAA at the NCAA championships in Denton, Texas on November 22nd where they made a good showing among 322 starters.

So we must look to 1977 to get us back to our winning ways. We should have a good group of people back from the 1976 team and if we can add some equally talented new men, we could be tough!

*****************************************

We opened the 1977 Indoor season in great style as we had many fine performances in the Syracuse Relays on December 4th. Brad Decker '80 equaled the Frosh indoor high jump record of 6-6 and had a good looking jump at 6-8 and just missed. We set meet records in the distance medley relay (Predmore '80 1:55.3, Osborn '78 :49.5, McCarthy '78 3:04.0, and Washburn '78 4:15.4); mile relay (Braun '79 :50.4, McCray '79 :50.9, Green '79 :48.8, and Hall '78 :49.0 for 3:19.1); 880 relay (Braun 22.8, Raboy '80 :23.0, Francis '80 :21.7, and Hall :21.4 for 1:28.9). The two mile relay won in 7:42.0 (Pannell '79 1:56.7, Halling '79 1:58.2, McCarthy 1:53.1, and Figura '77 1:54.0). Our Shot Putt Relay won with 149-8 (Bruce '77 50-2 1/2, Revere '79 50-1 3/4, and Young '79 49-3 3/4). Craig Holm '76 (our grad assistant coach) ran an 8:52.2 two mile for a personal record. We ran four mile relay teams all of which ran 3:26.2 or better. Butch Soares '78 looked particularly impressive in leading off the JV two mile relay in a fine 1:56.2 and then came back to anchor the JV mile relay in :50.1 both personal records. Joe Bruce's 50-2 1/2 bettered his previous best by some 5 feet! Wyckoff '80 ran 9:19.8 in the two mile. So the track season looks quite promising. WE HOPE TO TAKE A GOOD SHOT AT THE HEPS TITLE THIS YEAR! Pfitzinger '79 has decided to forgo indoor track in favor of another love of his, cross country skiing. Pete ran 9:09.6 last year as a Frosh. Sophomore Jon Ritson who ran 9:06.6 as a Frosh has been troubled with a bad back and is questionable at the moment. His return to full health would also see our Heps stock take a jump.

*****************************************

Our annual Spring Trip plans are well underway. We hope to go to Texas for the Texas Relays on April 1 and 2, 1977 and then return via Chapel Hill, N.C. for the Carolina Relays on April 9th, returning to Ithaca on April 10th. I say we hope to make this trip...we will if we are successful in raising the $9000 that we estimate the cost of transportation and housing for some 22 men. We hope to reach this goal through sales of T-shirts, jackets, shorts, bumper stickers, high school meet programs; through the dues that each team member pays; we have already earned $300 for cleaning the stadium after the Colgate football game back in September when some 60 men turned out bright and early (8:00 AM) the next morning to do the cleaning job; through gifts from parents and friends; alumni gifts; and Moakley Fund interest.

CAN YOU HELP US? Send any contributions to us and made checks payable to Cornell University and earmark it for the Track Development Fund. ANY HELP WILL BE GREATLY APPRECIATED!
COACH'S COMMENTS (2)

These Spring trips are a very valuable part of our program in terms of development, competition, and also act as a very important recruiting aid.

************************************************

Our next Indoor meet is scheduled to be our 10th Annual Cornell Invitation Meet here in Barton Hall on January 15th. It promises to be a very good meet with the likes of Penn State, Rutgers, Bucknell, and all of the Upstate New York Colleges. We will be at Army on January 29th and probably run some relays in the Millrose Games in New York the night before (28th).

ALUMNI PROFILES

John T. Cederholm ’64

Mr. Cederholm was a member of the cross country teams of 1960-63, and also of the track squad. He is married to Theresa Dickason Cederholm ’67 and is a security analyst in the trust department of the New England Merchants Bank in Boston. Mr. Cederholm resumed running in excellent fashion in 1970 after having taken up skiing. His recent exploits include a victory in 1973 in the famous and extremely difficult Mt. Washington Road Race, a 51:30 10-mile, and a 2:24:27 marathon in 1975.

Donald J. McGinn ’26

Mr. McGinn earned letters in cross country and as a miler in track at Cornell. He has been a professor of English at Rutgers Preparatory School, Rutgers University, and Georgian Court College. In 1929 and 1930 he was assistant coach of cross country and track under Coach Moakley. Mr. McGinn then coached cross country and track at Rutgers Prep., and one of his sprinters there, Robert E. Linders, later became captain of the Cornell track team in 1936. He is married to Margaret H. McGinn and has a son and a daughter.

H.E. Shackelton ’19

Mr. Shackelton was a four year letterman in track and captained the team his junior year. He also participated and held office in numerous other activities while at Cornell, such as the CUCA Cabinet and the Student Council. A quote from Coach Moakley's review of the track season in the war year of 1918 reveals that “a great deal of the success of the team was due to the constant efforts of Captain Shackelton, who during the exceptionally cold winter months still kept the spirits of the men at a high pitch”. The team won the intercollegiates in Philadelphia that year despite training outdoors all winter. Mr. Shackelton presently resides in Ithaca and serves as Head Timer at Cornell track meets.

Red harriers win

HAMPTON — The Cornell cross country team opened its season in impressive style Friday afternoon, defeating Colgate 17-45. Three Cornellians finished in a tie for first place, sophomores Pete Pfitzinger and Jon Ritson, and freshman Mike Wyckoff. Their time of 26:20.8 is equal to the fifth fastest ever on the Colgate course.

Colgate’s Bill Fisher prevented a shutout by finishing fourth, followed by Cornell’s Dave Washburn, Andy Fischer, and Bill Buchholz.

Cornell’s team time for its top five men is the second fastest ever on the Colgate course.

Colgate drops to 0-3, while Cornell off to a sweep over Army 25-30 and Colby 85-6.

Jeff Chernak in 14th and captain Dave Wyckoff was only 27 seconds off the course record for the five-mile trek, losing to Syracuse, 25-30.

Mike Wyckoff, a freshman, turned in an outstanding performance from freshman Mike Wyckoff, who was the state cross country Class B champion last fall, from South Seneca. Wyckoff was only 27 seconds off the course record for the five-mile trek, clocking a 25:32.

Syracuse is now 6-1; Cornell is 1-1.

But despite the loss, Cornell got an outstanding performance from freshman Mike Wyckoff, who was the state cross country Class B champion last fall, from South Seneca.

Wyckoff was only 27 seconds off the course record for the five-mile trek, clocking a 25:32.

Syracuse totalled its winning points on the basis of its strong second through fourth place sweep, with Bill O’Brien (25:39), Matt Hellerer (25:45), and Mike Borghard (25:52).

Pete Pfitzinger of Cornell was fifth, with a 25:59, followed by Brian Trippan of Syracuse, 26:05; John Ritson, Cornell, 26:13; Dave Washburn, Cornell, 26:27; Bob Buchholz, Cornell, 26:30; and Jerry Josselyn, Syracuse, 26:49.

Red runners bow at Army

Injuries and illness were evident as the Cornell varsity cross country team lost to Army 18-41 on the West Point Golf Course Friday afternoon. Mike Wyckoff, a freshman, turned in the top performance for the Big Red with a third place finish in 26:21. Curt Altitz of Army won in 25:27, followed by teammate John Enright in 26:12.

Cornell missed Pete Pfitzinger, who was sidelined with illness, and Jon Ritson, out with a foot injury. Bart Petraceca, returning after recovering from an ankle injury, finished well off the pace.

Bill Buchholz finished seventh for Cornell in 27 minutes, while teammate Andrew Fisher was eighth six seconds later. Rounding out the Big Red scoring was Jeff Chernak in 14th and captain Dave Washington in 16th.

Cornell is now 1-2 for the season while Army is 3-3.

Wyckoff wins, but Red loses in cross country

Cornell’s cross country team dropped its first dual meet of the season in perfect running conditions Friday afternoon at the Moakley course, losing to Syracuse, 25-30.

Syracuse is now 6-1; Cornell is 1-1.

But despite the loss, Cornell got an outstanding performance from freshman Mike Wyckoff, who was the state cross country Class B champion last fall, from South Seneca.

Wyckoff was only 27 seconds off the course record for the five-mile trek, clocking a 25:32.

Syracuse totalled its winning points on the basis of its strong second through fourth place sweep, with Bill O’Brien (25:39), Matt Hellerer (25:45), and Mike Borghard (25:52).

Pete Pfitzinger of Cornell was fifth, with a 25:59, followed by Brian Trippan of Syracuse, 26:05; John Ritson, Cornell, 26:13; Dave Washburn, Cornell, 26:27; Bob Buchholz, Cornell, 26:30; and Jerry Josselyn, Syracuse, 26:49.

Cornell will travel to West Point for a dual meet with Army next Friday.

Yale tops Red harriers

The injury-plagued Cornell cross country team saw its record drop to 4-5 on the season with a 25-31 loss to Yale Saturday morning at Moakley.

Cornell’s Mike Wyckoff continued dominating cross country with the individual win, but Yale’s Peter Wehrwein, Dan Schlesinger, Bill Cook, and Martin Osborne captured the next four spots to close the door on the Big Red.

Cornell captured the next five spots, with Jon Ritson sixth, returning to action for the first time in three weeks. Bob Buchholz, Bill Buchholz, Andy Fischer and Dave Washburn rounded out the top ten.

Big Red Coach Jack Warner hopes to have his team at full strength this weekend with the return of Peter Pfitzinger, and a week of work for Ritson, and freshmen Bart Petraceca and John Baker, as the squad travels to Bucknell in a triangular with Rochester.

Bucknell, defending college division IC4A champion, is 10-0 on the season, while Rochester is 7-1. The top ten:

1. Mike Wyckoff (C) 25:53
2. Peter Wehrwein (Y) 25:55
3. Dan Schlesinger (X) 26:14
4. Bill Cook (Y) 26:24
5. Martin Osborne (Y) 26:43
6. Jon Ritson (C) 26:52
7. Bob Buchholz (A) 27:02
8. Bill Buchholz (C) 27:08
9. Andy Fischer (C) 27:08
10. Dave Washburn (C) 27:38
Red runners split meet

Running its best team race of the season, Cornell cross country team split decisions with Bucknell and Rochester in a three-way meet Saturday at Lewisburg, Pa.

The Red lost to the host Bisons, 17-40, and beat Rochester 17-44, to finish the dual meet season at 5-6.

The Cornell team time for five men was the fastest ever by a visitor to the 5.2 mile Bucknell course, as the Big Red pushed Bucknell — 12-0 — and the defending college division IC4A champion — to the fastest time ever on the course.

Cornell’s outstanding freshman, Mike Wyckoff, continued his impressive season, finishing fourth to three Bucknell runners in 25:25, 30 seconds under the previous fastest time ever run by a freshman on the course. Sophs Peter Pfitzinger and Jon Ritson were both within 15 seconds of Wyckoff, finishing seventh and eighth.

as the Big Red appear to be shaking the injuries that hampered them earlier in the season.

The race was tight all the way, with only 45 seconds separating the top 14 runners, eight from Bucknell and six from Cornell.

Wyckoff, Pfitzinger, Ritson, Washburn and Buchholz gave Cornell five of the top six places against Rochester, which was ranked eighth in New York State entering the meet.

Cornell will look ahead to Friday’s Heptagonal championships in New York City.

Red runners in nationals

Cornell distance runners Peter Pfitzinger and Mike Wyckoff travel this weekend to Denton, Tex., for Monday's NCAA Division I cross country championship.

The pair earned their spot in the field Monday afternoon at the NCAA Division II Championship in New York as the third and fourth individual qualifiers from NCAA District 2.

Pfitzinger's 21st place finish, and Wyckoff's 24th in the race also gave the pair All-East honors for the Fall.

Wyckoff's effort Monday highlighted a season long comeback. Finishing in a tie for first against Colgate in the team's season opener, Pfitzinger, a sophomore from Pittsford, then struggled through a series of nagging injuries and illnesses that caused him to miss several meets.

Wycoff, a freshman from Lodi, capped off the finest season ever by a Cornell freshman, having earlier recorded wins against Syracuse and Yale as well as the tie with Colgate. Wyckoff's winning time against Syracuse was the seventh fastest ever on Cornell's Moakley Course in the 20-year use of the course.

Monday's race is at North Texas State.

The University of Texas at El Paso will defend their team title, while U.S. Olympian Craig Virgin of Illinois defends his individual crown.

Manhattan, hit hard all season long by injury, was down three spots to fourth, while Cornell remained fifth. Syracuse, off a disappointing 19th place finish at the ICAA, was down three spots to sixth, with Fordham down one spot to seventh.

Rochester remained the top college division team in the state in eighth, while Marist and Brockport were unchanged in the final two positions.

NCAA cross country

Red runners get 133, 152

DENTON, Tex. (AP) — Illinois cross-country All-American Craig Virgin learned Monday at the 38th NCAA championships that United States runners need to be more aggressive, when they compete against foreign competitors.

Virgin was a distant third behind Kenyans Henry Rono and Sammy Kimboma of Washington State in competition over the six mile, 334-yard course at the Denton Country Club.

Texas-El Paso successfully defended its team title with four runners in the top 15. Wilson Wiaagma and Sammy Maritim, both Kenyans, had the best finishes for the champions with Wiaagma sixth and Maritim eighth.

"Last year I beat 'em all," said Virgin. "I don't want my comments to be taken as sour grapes but I just got a taste of my own medicine. Their buddy system was a super performance.

Two Cornell runners did well.

Peter Pfitzinger, from Pittsford near Rochester in Section 5, had a 30:15 clocking for the 10,000-meter course. He finished 133rd.

Pfitzinger, who has done well all year for the Red, is a sophomore.

Mike Wyckoff, a freshman from Lodi and a graduate of South Seneca High, took 152nd, with a time of 30:29.

There was a total of 322 runners in the meet.

Pfitzinger, Wyckoff and coach Jack Warner flew back Monday night to Ithaca.
