

CORNELL WASTEBASKET

THE NEWSLETTER OF CORNELL TRACK AND CROSS COUNTRY

VOL. 67

SPRING 1983

Mike Crawley's ('85) lunge for the tape gave Cornell a 90-82 victory over Pennsylvania at Ithaca College on April 23, the Red's first win over the Quakers in four years.

DEDICATION

We of the Spiked Shoe Society of
Cornell University
dedicate this issue
of the WASTEBASKET to:

REV. G. EUGENE DURHAM '19

and

HORACE E. SHACKELTON SR. '19

These two members of the Class of 1919 have devoted much time and energy in addition to financial support to the Cornell track and field program over the years and we are deeply appreciative of this support from two of our top track officials.

1982 CROSS COUNTRY HIGHLIGHTS

-Men-

The men's cross country team returned to its winning ways in 1982 after suffering through a disastrous 1981 campaign. Led by freshman Grant Whitney (Rochester, N.Y.), the Big Red harriers completed a 4-1 dual season, captured the Canisius Invitational for the first time ever and placed sixth at the Heptagonals.

The Red began its season with a 15-50 whitewashing of Colgate on the Moakley Course as it swept the first 11 places. Whitney ran the 50th fastest time on the course (25:47.9) in his first Cornell appearance. The Orangemen of Syracuse were next for Cornell and the Red ended a two-year drought against the Orange by winning 22-34. Syracuse All-American Jim O'Connell set a new Moakley record by running the five miles in 24:40.6, but Whitney, Pete McConnell '84 (North Hampton, N.H.), Blake Kruell '85 (Eden Prairie, Minn.) and Harv Robinson '84 (Berkeley, Calif.) followed to secure the victory.

With its home season finished, Cornell took to the road for six of the next seven weekends. The first stop was West Point where the Red eked out a 29-30 win. Whitney, McConnell and Robinson went one-two-three to clinch the triumph, despite the fact that the Cadets took the next seven places. Whitney's winning effort was 25:35 for five miles. On a cool, rainy day at Boston's Franklin Park, Harvard ruined Cornell's bid for an undefeated season by out-running the Red over the last mile of the 10,000-meter course to pull out a 25-30 victory. Whitney and Robinson again ran strong races to place first (31:13) and third, respectively.

Cornell's first visit to Roger Williams Park in Cranston, R.I., was a pleasant one as the Red's Whitney, Robinson, Blake Kruell and McConnell all broke 25:30 for five miles and Cornell handily defeated Brown, 18-41. Another first was the Red's first Canisius Invitational title in its second attempt. Reversing a decision to Fredonia in 1981, Cornell placed three runners in the top six, led by Whitney's 22:06 clocking over the flat 4.7-mile course.

At the Heptagonals, Cornell moved up three places but still finished sixth with 181 points. The top five teams were Princeton (25), Dartmouth (48), Navy (60), Army (148) and Harvard (161). The intense heat slowed the times as Dartmouth's Jim Sapienza won with a 24:37.5. Whitney's 21st placing was Cornell's best and his time was 25:55.7. In the NCAA District II Qualifier at Lehigh, which also doubled as the IC4A meet, Whitney again led the Red with a finish of 67th. Cornell placed 17th out of 28 teams.

-Women-

Some new faces enabled the Cornell women's team to enjoy a good campaign this past fall. Injuries to Kathy McPherson (Nashville, Tenn.) and Maureen Sheehan (Oneonta, N.Y.) would keep those two distance runners sidelined for the entire school year, but junior transfer Marian Teitsch (Cazenovia, N.Y.) and freshman twins Elise and Suzanne Jones (Kansas City, Mo.) helped make Coach Warner's debut as women's head coach a successful one.

The young harriers opened against Syracuse at Moakley and edged the Orangewomen, 27-28. Teitsch led the Red with a victorious 18:36.4 clocking, while Elise Jones finished third and Nancy Schmidt '85 (Kinneelon, N.J.) and Suzanne Jones placed sixth and seventh, respectively. Next for Cornell was the Binghamton Invitational, which the Red promptly won for the fourth straight time. Teitsch captured individual honors by covering the 5,000-meter course in 18:14. Elise and Suzanne Jones finished third

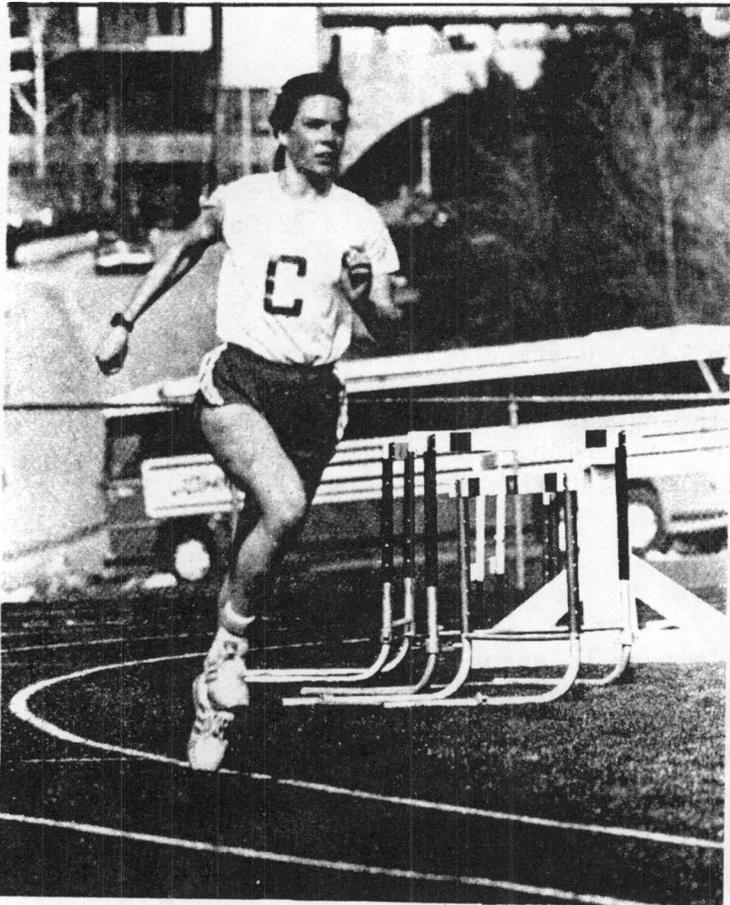

and sixth, while Schmidt (16th) and Margie Coffin '85 (Lincoln, Mass.) (21st) closed out the Red's two-point victory over Army.

Back at Moakley the next weekend, Teitsch and Elise Jones went one-two and Suzanne Jones and Coffin went five-six to lead Cornell to a solid 23-34 victory over Cortland. Teitsch's time of 18:19.5 was just seven seconds off Celia Peterson's Cornell record. A trip to Providence did not prove to the Red's liking, however, as Cornell dropped both ends of a triangular meet -- 17-42 to Brown and 15-45 to Dartmouth. Teitsch, running on a sore ankle, placed 10th for Cornell's best finish.

Running in their first Canisius Invitational, the women harriers scored 28 points to run away from the field. Elise Jones finished second in 15:24 for the 2.7 miles, while Teitsch (third), Schmidt (sixth), Ellen Birkhimer '83 (Midland, Mich.) (eighth) and Coffin (ninth) were not far behind.

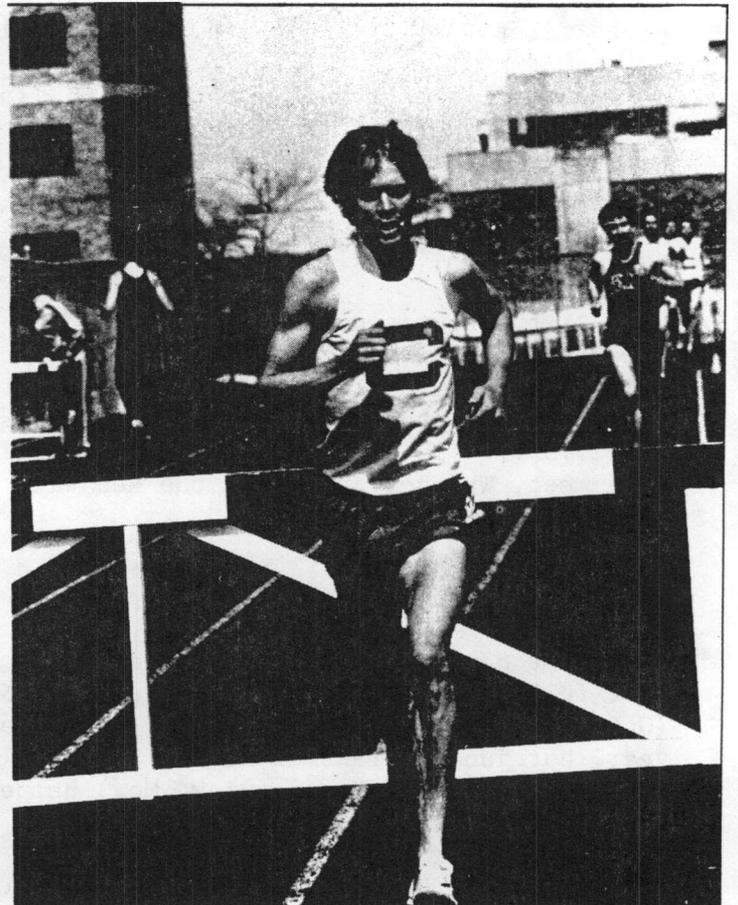

At the Ivies, Cornell placed seventh with 171 points, while Harvard won with 28 points. Elise Jones' 19th place finish (18:38.2) was the Red's best over Van Cortlandt Park's 5,000-meter layout. The Red completed its season at the NCAA District II Qualifier at Lehigh and placed ninth out of 15 teams with 233 points. Teitsch led the Cornell effort with an 18th-place finish of 18:18.6 over 5,000 meters

A SEASON IN REVIEW:

INDOORS -- A YOUNG SQUAD STRUGGLES TO FIND ITSELF!

12/4/82 -- SIXTH ANNUAL CORNELL RELAYS: The season kicked off for the Red in Barton Hall against eight other teams. The Red managed to win only two of the 10 relay events, but did pick up seven first place ribbons in the individual events. Notable absences were footballers Charles Fleming (Woodleaf, N.C.) and Gregg Hofstetter (Elgin, Ill.), who had just completed their season. No team scores were kept.

12/12/82 -- SYRACUSE UNIVERSITY RELAYS: Cornell had nine meet champions here, including a new frosh record in the 4x200 relay. Nicholson, Paul, Angell and Pressley ran 1:30.5 to establish the new standard. Individual champs were Putscher in the pole vault (14-11 $\frac{1}{4}$), Bickler in the ladies shot put (36-10 $\frac{1}{2}$), Lauren Kulik in the long jump (17-9 $\frac{1}{2}$) and Mike Crawley in the 50-meter dash (5.9). Relay teams that won were the 4x1600 for the men (17:20.8), 4x800 for the ladies (9:20.8), the distance medley relay (10:13.5) and the 4x200 for the men (1:30.5), and the men's 4x400 relay (3:21.1). Jerri Gist also won the women's hurdles in 7.9 seconds. It was a good meet for the Red. The team would resume competition after the Christmas break.

1/8-9/83 -- DARTMOUTH RELAYS: With most of the athletes enjoying the Christmas break, a small contingent traveled to Hanover, N.H., to take part in the giant Dartmouth Relays. The meet was a non-scoring affair.

1/16/83 -- SYRACUSE UNIVERSITY INVITATIONAL: Most of the team returned from break a week early to take part in this meet. Lack of training and competition over the long five-week Christmas vacation were evident. Junior captain Evelyn Taylor broke the school record for the 400-meter dash with a quick 58.5.

TOM HEALEY SPRAINED ANKLE IN TRIPLE JUMP -- OUT FOR REMAINDER OF INDOOR SEASON

1/22/83 -- 16TH ANNUAL CORNELL INVITATIONAL: Two school records highlighted this meet. Steve Putscher broke the Cornell record in the pole vault with a jump of 15-1 $\frac{1}{2}$. Alyssa Bickler broke the women's varsity record in the shot put with a throw of 37-6 $\frac{1}{2}$. The team looked much better than the previous week, as it won three of the five relays and took four individual first-place finishes. Curt Hampstead's (7.58) win in the high hurdles would continue to be the top time in the Ivies throughout the year.

1/30/83 -- ARMY DUAL, AT ITHACA, N.Y.: The Big Red took one of its worst defeats as Army won 104-32. The Red was totally out-manned by the strong Cadet team. The women were beaten 60-40 in a closer affair. The men were able to capture only two events while the women garnered three first places. The team was not physically ready for the strong Army invasion. The results are as follows:

2/6/83 -- SYRACUSE DUAL, AT ITHACA, N.Y.: Cornell dropped its second dual meet in a row as Syracuse nosed out the Red men, 76-60. The women were nudged by an equally close score of 51-48. This was the first loss to Syracuse in quite some time. The Orangemen are getting stronger every year now that their program has been upgraded with fine coaching and scholarship awards given to athletes. Notable Cornell absences were triple jumper Tom Healey and hurdler Curt Hampstead. Without these athletes competing, Syracuse swept those respective events. The women were beaten in the exact same manner as last season, as the meet outcome again came down to the last event.

2/12/83 -- YALE DUAL, AT NEW HAVEN, CONN.: The first dual win of the season came in New Haven, Conn., at Yale's expense. An 18-inch snowfall almost kept the Yale team from their own home meet, as Cornell's bus driver had to carry the Elis to their own fieldhouse for the competition. All transportation in New Haven was halted because of the blizzard. Back home in Ithaca it was dry with no trace of snow! The men won a close competition, 76-60, while the women dropped a meet that was closer than the score (66-39) indicated. Marian Teitsch established a new Cornell record in the 3000 meters and also qualified for the NCAA championships in Pontiac, Mich.

2/20/83 -- UNIVERSITY OF DELAWARE INVITATIONAL: The worst showing by the Red so far this season. The meet was characterized by bad baton exchanges, falls, and the toughest competition that Cornell had faced so far indoors. Bright spots were Maddy Wootan's new school record in the shot put (37-8) and Marian Teitsch destroying the school three-mile record. The new record is 16:17.2. The young team was taking its lumps at this point and also gaining experience. Results were as follows:

2/26-27/83 -- MEN'S AND WOMEN'S HEPTAGONAL CHAMPIONSHIPS, New Haven, Conn. This meet was the low point of the year for the Red. The team did well Saturday in the trials and qualifying rounds; yet when Sunday and the finals rolled around, the young team looked flat. Two of the men's top performers did not compete. Tom Healey and hurdler Curt Hampstead were out for the rest of the indoor season. The Red finished 10th of 10 teams and could only look forward to outdoors and a second chance. The women finished seventh out of nine teams.

3/4-5/83 -- EASTERN COLLEGIATE WOMEN'S CHAMPIONSHIPS AT CAMBRIDGE, MASS.: Six of Cornell's women advanced to the prestigious women's Eastern championships held at Harvard. In order to qualify for this meet, rigid standards had to be met during the course of the season. Three of the ladies produced personal bests on Harvard's fast track. Marian Teitsch ran a 10:17.82 two mile, Elise Jones hit 5:01.6 for the mile and Lauren Kulik broke the Cornell record in the pentathlon, moving her total up to 3297.

OUTDOORS -- A FANTASTIC TURN-AROUND FOR A YOUNG GROUP, LIKE NIGHT AND DAY!!

3/26/83 -- FRESNO STATE, BOISE STATE, SOUTHERN OREGON, CAL STATE SANTA BARBARA AT FRESNO, CALIF.: Twenty seven of Cornell's top athletes traveled to California over the spring break to take part in training and competitions on the West Coast. The weather was warm and beautiful for the first outdoor meet and the team responded well. Meet winners included a fine opening javelin throw for sophomore Rich Howarth at 207-11, Evelyn Taylor in the 400 in 58.6, Pam Carter in the 800 meters in 2:13.60 and an excellent opening win for the 4x400 relay in 3:14.42. The team consisted of Dave Scharf, Todd Pressley, Gregg Hofstetter and Mike Crawley, all underclassmen. Crawley's sterling anchor leg gave the Red the blue ribbon. He would pull a few more wins in relays before the season was over! All in all it was a great way to open up the outdoor year.

4/1-2/83 -- MARTIN LUTHER KING GAMES AT STANFORD, CALIF.: The Red handled the tough competition of the King Games very well. Most of the teams competing were well into their outdoor seasons and were much more seasoned at this point of the year. The highlight of the meet for Cornell was the first place finish of the underclass 4x100 team. Gregg Hofstetter, Todd Pressley, Mike Crawley and Charles Fleming won the Olympic Development Section with a time of 41.90. They had qualified the day previous with a second place finish of 41.7. Elise Jones entered her first 3000 meters of the year and ran a personal best of 10:08.8.

4/10/83 -- UNIVERSITY COLLEGE DUBLIN DUAL AT ITHACA, N.Y.: The Red opened up the outdoor season back home with a convincing win over the visiting team from Ireland. The weather was raining and cool throughout the meet and held down some of the winning performances; yet there were numerous excellent happenings. Tim Tribble broke the frosh record in the high jump as he won the event in 6-8 $\frac{1}{4}$. John Passalacqua and fellow sophomore Curt Hampstead each won two events as John took the shot and discus, while Curt won the 110 high hurdles and the triple jump. Guest thrower Declan Haggerty broke the Alumni Field record in the hammer throw with a toss of 226-4. The final score was Cornell 121, Dublin 66.

4/10/83 -- ITHACA COLLEGE WOMEN'S INVITATIONAL AT ITHACA, N.Y.: Cornell's lady tracksters competed at Ithaca College and just missed taking home the team championship. Of the six teams competing, the Red was nosed out by half a point by host Ithaca College. Many of the Red did not double and top sprinter Kathy Borchelt was forced to withdraw from the meet due to illness after she had posted the top 200-meter and 100-meter trial times. Three school records were established. Junior Marian Teitsch smashed the 10,000-meter record with a fantastic 35:03.0, while teammate and junior Zip Oliver broke the javelin record in her first meet of the year. Her distance was 120-4. The other record was set in a little-competed event for ladies. Lauren Kulik established a new triple jump record of 35-7 $\frac{1}{4}$. Of the 17 contested events, Cornell won 11 races and field events. The weather was rainy, cool and foggy on South Hill.

4/16/83 -- NITTANY LION RELAYS, PENN STATE UNIVERSITY, STATE COLLEGE, PA.: Twenty of Cornell's athletes ventured to Penn State and the Nittany Lion Relays while the rest of the team took on Colgate University at Hamilton, N.Y. A freak snowfall cancelled the Colgate affair, but the Penn State meet went on even though the weather was cold and windy. Marian Teitsch broke her own school record in the 10,000 meters as she ran 35:01.1 and just missed qualifying for the NCAA championships. She needed to shear off just 1.1 seconds to qualify, though she already had her ticket to the nationals assured by qualifying in the 5000 meters earlier in the indoor season. Zip Oliver broke her own javelin record as she put the spear out to 128-10. Maddy Wootan threw 121-0 in the discus to put her name in Cornell's record books. The men's 4x100 relay team added another title to its list of credits as it captured first place with a time of 41.88. The group was extremely competitive in the cold, windy conditions. John Passalacqua upped his season best in the shot put to 52-4 $\frac{3}{4}$ as he finished a close second.

4/23/83 -- UNIVERSITY OF PENNSYLVANIA DUAL AT ITHACA, N.Y. (held at Ithaca College while the Schoellkopf track was being resurfaced for the upcoming Heptagonals): This meet proved to be one of the most exciting competitions in Cornell track history and surely will be among the great Big Red wins of all time on the men's ledger. The men's meet final outcome came down to the last event, the 4x400 relay. Cornell's

anchor man, Mike Crawley, edged Penn's great runner, Dave Pharr, at the tape for the event and meet victory. Cornell was timed at 3:15.01, while the Quakers were clocked at 3:15.03. The final score was 90-82 as the Red team celebrated a hard-fought win over its big rival. There were many heroes on this Saturday afternoon. The Red won six of the eight field events as well as holding its own on the track. The 4x100 relay team clicked off an Ivy-leading 41.30 for a quick win to start off the meet. Sophomore weight thrower John Passalacqua took two events -- the shot and discus.

The women's end of the meet was following the same script as the men's except that Penn had enough cushion to hold off the furious finish of the Red ladies. Cornell won the final event, the 4x400 relay, yet Penn still won the meet, 66-61. Alyssa Bickler won both the shot put and the discus in school-record performances. Zip Oliver had a fine javelin effort for first place and Kathy Borchelt surprised all by winning the long jump in an excellent distance of 18 feet. Other Cornell champs were Marian Teitsch in the 3000 meters, Pam Carter in the 800 meters, Evelyn Taylor in the 400 meters, Elise Jones in the 1500 meters and the Red's 4x400 relay team.

4/27/83 -- COLGATE RELAYS AT HAMILTON, N.Y.: This competition was scheduled for a large portion of the team that would not make the trip to the Penn Relays. Cornell had several outstanding performances. Senior Steve Putscher broke the outdoor school record in the pole vault as he cleared 15-6 to take second in the competition. In the same event, frosh Mike Hazen established a new freshman vault record by scaling 14-1. Tim Tribble tied his own frosh mark in the high jump by jumping 6-8¼, while John Passalacqua won the shot put in a personal best of 53-9. The all-frosh group of Joe Goldstein, Evan Bender, Mike McGowan and Steve Wemple established a new 4x800 relay record as they ran 7:57.2.

4/28-30/83 -- PENN RELAYS AT PHILADELPHIA, PA.: Eighteen athletes who met the qualifying standards for the prestigious Penn Relays represented Cornell on the Penn campus. Sophomore Rich Howarth won the college division javelin throw with a personal best of 238-2. The 4x100 relay qualified for the IC4A section of the championships but passed out of the zone and was disqualified. The meet was lackluster otherwise for the Red with the exception of Howarth. 5/7-8/83 -- 1983 OUTDOOR HEPTAGONAL CHAMPIONSHIPS AT ITHACA, N.Y.: A fired up Big Red team let other Heps schools know that it is a team to be reckoned with in the future as the men stormed to a fourth place finish and the women to a strong sixth place showing in the 1983 Heps championships. The men were led by a well-balanced attack. Sophomore sprinter Charles Fleming won one individual event (100-meter dash) and anchored the 4x100 relay team to victory in a quick 41.15. It was a big day for Fleming as he returned to Heps championship form after he won last year's indoor 55-meter dash championship. Todd Pressley, a freshman from New York City, followed Fleming across the line in the 100-meter dash to make it a one-two sweep for the Red. Pressley was responsible for a bunch of points in the team total of 74. He ran on the winning 4x100 team, ran third in the 400 intermediates (breaking the frosh record here; his new record is 52.91) and came back to be a part of the 4x400 squad that finished second. It was a remarkable performance by an athlete, let alone a freshman! Mike Crawley had a part of the 4x100 crown as did teammate Gregg Hofstetter. These two, along with Pressley and Dave Scharf, were a close second in the 4x400 relay. The Red had three other athletes who took third place in the meet besides Pressley's finish in the intermediates. Strong help from the field events arrived. Sophomore throwers Rich Howarth in the javelin and John Passalacqua in the shot put accounted for needed scoring. Curt Hampstead added the other third in the high hurdles. Other Heps scorers were Pete McConnell in the steeplechase, 5th; Tom Basting in the 1500 (he put in a bold move in the rain and almost stole the event), 6th; Charles Fleming in the 200 meters, 6th; Tim Trible in the high jump, 5th; and a great effort by Steve Putscher in the pole vault, 2nd. Steve set a new school record of 15-7 in the vault and capped off a brilliant Cornell career. Steve also has the school indoor mark at 15-5. Next year's Heps switch to Army!! The results are as follows:

MEN'S RESULTS--100 METERS: (1) Fleming 11.11, 10.40 in trials wind-aided; (2) Pressley 11.26, 10.64 in trials wind-aided...200 METERS: (6) Fleming 23.06, 21.30 in trials wind-aided (all finals run into strong headwind)...400 INTERMEDIATE HURDLES: (3) Pressley 54.37, 52.91 in trials (broke Cornell frosh record)...110 HIGH HURDLES: (3) Hampstead 15.17, 14.51 in trials wind-aided...800 METERS: DNP Scharf 1:54.70 trials; Wemple 1:56.98; Davis 2:01.38...1500 METERS: (6) Basting 3:57.91; DNP Whitten 3:53.0 (PR)...3000 STEEPLECHASE: (5) McConnell 9:28.0...5000 METERS: DNP Robinson 15:13.9...10,000: DNP Kruell 32:36.4; DNF Mears...4x100 RELAY: (1) 41.15 (Hofstetter, Pressley, Crawley, Fleming)...4x400 RELAY: (2) 3:16.94 (Scharf, Hofstetter, Pressley, Crawley)...SHOT PUT: (3) Passalacqua 15.75...JAVELIN: (3) Howarth 67.37.

FINAL TEAM RESULTS: 1. Harvard (130); 2. Princeton (115); 3. Navy (93); 4. Cornell (74); 5. Dartmouth (57); 6. Army (52½); 7. Brown (46½); 8. Penn (26); 9. Yale (25); 10. Columbia (1).

HEPS CONTINUED--WOMEN: The Big Red ladies had two super days of Heps competition! There were many standouts. None made her presence felt more than Marian Teitsch. The talented junior ran a hard-fought 10,000-meter race on Saturday and finished second in 35:49.0. The next day she came back in the 5000 meters and grabbed fourth in a school-record time of 17:13.6. Nine miles of track racing in two days! Soph Maddy Wootan threw a school-record effort in the discus of 128-0 to grab second in her event. Maddy has improved all season in the discus and capped off a great year. Our other school records came in the long jump where Kathy Borchelt hit 18-3 to grab third place. Teammate Lauren Kulik finished close behind to get fifth in the long jump. The relay teams had a fine day also. The 4x100 and 4x400 both finished third as the 4x100, which had been having exchange problems all year, clicked off a season-best 49.10. Captain Evelyn Taylor grabbed third in the 400 with a time of 59.23 on a rainy, windy day. The Red also had two fourth place finishes. Elise Jones ran 4:46.7 in the 1500 and next year's captain, Pam Carter, turned in a 2:17.3 in a race that was decided by a lean for the top five places. The Red's other scorers were Zip Oliver and Alyssa Bickler in the javelin and shot, respectively. They both finished sixth. All lady scorers return next season with the exception of Bickler! The team finished sixth of 10 teams, just a point out of fifth. The results are as follows:

10,000 METERS: (2) Teitsch 35:49.0...5000 METERS: (4) Teitsch 17:13.6...1500 METERS: (4) E. Jones 4:46.7...400 METERS: (3) Taylor 59.23...800 METERS: (4) Carter 2:17.3...4x100 RELAY: (3) 49.10 (Gist, Borchelt, Kulik, Taylor)...4x400 RELAY: (3) 4:00.72 (Taylor, Kulik, Gist, Carter)...DISCUS: (2) Wootan 128-0...JAVELIN: (6) Oliver 34.98...SHOT PUT: (6) Bickler 11.45...LONG JUMP: (3) Borchelt 18-3; (5) Kulik 17-11.
FINAL TEAM RESULTS: 1. Princeton (122); 2. Harvard (111); 3. Penn (83); 4. Brown (70); 5. Army (57); 6. Cornell (56); 7. Yale (43); 8. Navy (26); 9. Dartmouth & Barnard (10).

5/14-15/83 -- WOMEN'S EASTERN CHAMPIONSHIPS AT GEORGETOWN UNIVERSITY, WASHINGTON, D.C.: Only two ladies made the trip, mainly because the rest of the team was in the middle of final exams. Neither Maddy Wootan nor Alyssa Bickler placed as they both threw below par. Maddy spun 115-8 while Alyssa did 106-5.

5/21-22/83 -- IC4A CHAMPIONSHIPS AT VILLANOVA UNIVERSITY, VILLANOVA, PA.: In this final competition of the year for the men the team looked flat. The weather was much as it had been all season, a constant downpour for two days straight. Rich Howarth was our only scorer as he finished sixth with a throw of 219-6. Rich moved up from seventh on his last throw to score. The 4x100 relay team looked sharp in the trials as it ran a near PR of 41.16. In the finals a bad last pass dropped it from third to eighth and a finish of 42.80. The two 100-meter runners, Fleming and Pressley, made it through the trials okay but did not advance through the semis. Pressley ran a 10.87 while Fleming turned in a 10.99. Others who ran but did not place were Gregg Hofstetter in the 200 meters, John Passalacqua in the shot (51-9 3/4), Curt Hampstead in the high hurdles (15.05) and Pete McConnell in the steeplechase. Pete was right in the money but slipped on a wet-water barrier and never could get back in the race. George Mason won the team title!

6/2/83 -- NCAA CHAMPIONSHIPS AT HOUSTON, TEXAS: Marian Teitsch was our lone representative to the nationals this season. She competed in the 5000 meters and did not advance out of the trials, mainly because of the warm temperatures. Marian had a great season and it is fitting that if one athlete represents Cornell track this season it was her! The experience she gained will help her greatly next cross country and track year. She is one of our fiercest competitors and we congratulate her and thank her for representing Cornell at the nationals.

WELCOME TO THE NEW FROSH CLASS -- OUR CORNELL CLASS OF 1987 -- MEN

MARK HURSH, SHAWNEE MISSION NORTH HS, SHAWNEE MISSION, KAN.

One of the top pole vaulters in the prep ranks this past year, Mark comes to Cornell with a best jump of 15-9 at this time. He is the Kansas state champion and has been invited to compete in the prestigious Golden West Meet in Sacramento, Calif. Mark will be enrolled in the College of Engineering.

STEVE CASE, SOUTH LYON HS, SOUTH LYON, MICH.

A fine hurdler, Steve has a best of 14.5 over the high school hurdles. He will be enrolled in the College of Agriculture and Life Sciences.

ERIK BERNSTEIN, MIDDLETOWN SOUTH HS, LINCROFT, N.J.

Rated by Track and Field News as one of the country's top prep throwers, Erik has a best of 218-1 in the javelin so far this year. He is the defending New Jersey state champion and should be among the top in the league next season. He should combine with Cornell junior Rich Howarth to give the Red a great one-two punch. Erik is enrolled in the College of Arts and Sciences.

DAN GLYNN, CLARKSTOWN SOUTH HS, NEW CITY, N.Y.

One of New York state's best distance runners, Dan has bests of 4:17.5 for the mile, 9:23.7 for the two mile and 9:41.8 for the 3000 steeplechase. Dan will be enrolled in the College of Human Ecology.

MANUEL GONZALEZ, MIAMI JACKSON HS, MIAMI, FLA.

Manny was third in the recent Florida state cross country championships and has bests of 9:23 for two miles, 14:48 for three miles and 30:55 for 10,000 meters. He should be a great addition to the distance team. Manny will be enrolled in the College of Arts and Sciences studying computer science.

TED FIGURA, WILSON CENTRAL HS, RANSOMVILLE, N.Y.

Ted had the third-best discus throw in New York state this spring. He threw 163-3 and has a personal best in the hammer throw of 153-0. He should help solidify the weight area on the team.

CHARLES ECKER, EAST HAMPTON HS, EAST HAMPTON, N.Y.

A top state shot putter, Charlie threw 55-1 this season. His size (6-3, 245) should help him make an easier adjustment to the heavier college shot. He represented his section in the recent New York state track championships.

CECIL KNIGHT, McBURNEY SCHOOL, NEW YORK, N.Y.

Cecil will make an excellent long sprinter. He has run consistently in the 49.0 range for 400 meters and has a 1:57.3 best in the 800 meters.

VIN CASTELLANO, SETON HALL PREP, WEST ORANGE, N.J.

A fine middle distance runner, Vin has a best of 1:56.8 for 800 meters. He will be enrolled in the College of Arts and Sciences.

TIM PRESTIPINO, SALESIANUM SCHOOL, WILMINGTON, DEL.

Tim has a best high jump of 6-6 and can also hurdle well, having done 15.0. He will be enrolled in the College of Engineering.

LINCOLN GRAVES, NORTHMONT HS, DAYTON, OHIO

Lincoln has a best mile time of 4:22 and excels at cross country. He was second in the Ohio state cross country championships last fall. He should be a great addition to the cross country and distance unit. Lincoln will be studying engineering at Cornell.

CHARLIE BARES, CHAGRIN FALLS HS, CHAGRIN FALLS, OHIO

Charlie is a solid distance runner with bests of 9:32.3 for two miles and 4:28 for a mile. He will be studying in the College of Agriculture and Life Sciences next fall.

MICHAEL FINN, CATHOLIC CENTRAL HS, GRAND RAPIDS, MICH.

Mike has recorded a best of 1:57.0 for 800 meters and also ran cross country for the fine Catholic Central team. He will be enrolled in the College of Arts and Sciences.

JIM FINOCCHIO, ST. JOHNS PREP, LYNN, MASS.

Jim is the New England Catholic high school champ in the long jump with a best of 22-1. He was also the Massachusetts Class A state champ in the long jump. He missed most of his senior year with an injury. Jim will be enrolled in the College of Agriculture and Life Sciences.

MIKE SHAPIRO, WESTFIELD HS, WESTFIELD, N.J.

Mike has a best 800 meters time of 1:57.2. He will be studying biology in the College of Arts and Sciences.

PHIL DEVORRIS, ALTOONA AREA HS, ALTOONA, PA.

Phil should make a fine intermediate hurdler in college. He was his district champ in the 300-meter intermediates with a best of 39.59. Phil will be in the College of Engineering in the fall.

MATT DAY, MARLBORO HS, MARLBORO, MASS.

Matt was the central Massachusetts state mile champ with a best of 4:25.0. He also excels in cross country. Matt will be studying in the College of Arts and Sciences.

MIKE VONDLE, WORCESTER ACADEMY, BELLOWS FALLS, VT.

Mike is a fine triple jumper who has leaped 43-10. He was recruited for football and should make a fine addition there. He will be enrolled in the College of Agriculture and Life Sciences in the fall.

NORMAN ROBBINS, ST. JOSEPH'S PREP, PHILADELPHIA, PA.

Norman has a best of 15.0 in the high hurdles and 7.9 in the indoor 55-meter hurdles. He has also done 56.8 in the 400 intermediates. He will be enrolled in the College of Agriculture and Life Sciences.

WELCOME TO THE NEW FROSH CLASS -- OUR CORNELL CLASS OF 1987 -- WOMEN

JOAN WILLIAMS, CEDAR RIDGE HS, OLD BRIDGE, N.J.

One of the top prep throwers in the East, Joan has tossed the javelin an excellent distance of 142-6. She should combine with current Cornell record-holder Zip Oliver to give the Red a great one-two punch in the Ivies. Joan will be enrolled in the College of Engineering.

DANA STONE, WINTHROP HS, WINTHROP, MASS.

The top shot put athlete in eastern Massachusetts this past year, Dana put the shot over 40 feet regularly this past season. She will make an immediate impression on the women's weight area next season. She will be enrolled in the College of Arts and Sciences. Her best shot is 41-10½.

TRACIE JOHNSON, SOUTH SALEM HS, SALEM, ORE.

Tracie is a fantastic talent in the sprints area. She has bests of 12.1 in the 100 meters, 25.1 in the 200 meters and 56.2 in the 400 meters. She also has a fine 2:15 for 800 meters. She will be enrolled in the College of Engineering.

KERRY O'TOOLE, SHEPAUG VALLEY HS, WASHINGTON, CONN.

Kerry is one of the top sprinters in the East with bests of 25.9 in the 200 meters and 57.9 in the 400 meters. She also has run well in the 500 meters. Kerry will be studying in the College of Human Ecology.

DENISE FEELEY, WEST SENECA WEST HS, WEST SENECA, N.Y.

Denise combines speed with excellent cross country running. She has track bests of 58.8 for 400 meters and 2:16.0 for 800 meters. Denise has also long jumped 16-11. She will be enrolled in the College of Human Ecology.

SARAH DAY, MARLBORO HS, MARLBORO, MASS.

One of the East's best distance runners, Sarah has run 4:54 for one mile and under 60 seconds for 400 meters. In cross country she is excellent. Sarah won all her dual meets and set seven course records with a best 5000-meter time of 17:51. She has also run 36:31 for 10,000 meters. She will be enrolled in the College of Human Ecology.

AMY BRAGDON, PHILLIPS EXETER ACADEMY, EXETER, N.H.

Amy is a multi-talented athlete who has high jumped 5-5 and run the 300 hurdles in 48 seconds. She should be a welcome addition in both events. She will be enrolled in the College of Arts and Sciences.

COLETTE HAAG, HOLYOKE HS, HOLYOKE, MASS.

Colette is an excellent high jumper who has a best of 5-5. She will make an immediate impact in the league. She will be enrolled in the College of Arts and Sciences.

JENNIE MORGAN, EDEN PRAIRIE HS, EDEN PRAIRIE, MINN.

Jennie is our top hurdle recruit. She has a best of 15.4 over the 100 hurdles and was named the top athlete at her high school, as well as being named All-State. Jennie will be studying in the College of Agriculture and Life Sciences.

LOLA SERGEANT, BROOKLYN TECH HS, BROOKLYN, N.Y.

A consistent scorer on her high school team, Lola qualified for the state indoor championships, held here at Cornell. She has run under 2:20 for 800 meters and under 60 seconds for 400 meters. She will be studying in the College of Engineering.

MARGOT LEFFLER, EDGE MONT HS, SCARSDALE, N.Y.

A good performer in the distances, Margot has run 4:54 for 1500 meters and 10:35 for 3000 meters. She will be studying in the College of Arts and Sciences.

SUZANNE TEITSCH, CAZENOVIA CENTRAL HS, CAZENOVIA, N.Y.

Suzanne has run 5:08 for a mile and excels at cross country, having placed 15th at the New York state championships. She will be studying animal science in the College of Agriculture and Life Sciences.

SARAH ROSS, SUFFERN HS, SUFFERN, N.Y.

Sarah has bests of 4:57 for 1500 meters and 2:27 for 800 meters. She will be studying in the College of Agriculture and Life Sciences.

ELIZABETH BOWERS, SOUTH EUGENE HS, EUGENE, ORE.

A fine sprinter-hurdler, Elizabeth has run 12.6 for 100 meters, 50.6 for the 300-meter hurdles and 27.0 for 200 meters. She will be enrolled in the School of Industrial and Labor Relations in the fall.

KATHY McEOWEN, HOLMDEL HS, HOLMDEL, N.J.

A fine distance talent, Kathy has run 2:26.3 for 800 meters, 4:54.4 for 1500 meters and 11:00.5 for 3000 meters. She will be enrolled in the College of Arts and Sciences in the fall.

JANET AVERY, WESTHILL HS, SYRACUSE, N.Y.

She is a fine performer in state competition, both in track and cross country. Janet is enrolled in the College of Agriculture and Life Sciences.

LAURA FADIL, LIVERPOOL HS, LIVERPOOL, N.Y.

A New York state meet qualifier, Laura has run 2:28 for 800 meters and 5:30 for 1500 meters. She will be enrolled in the College of Agriculture and Life Sciences in the fall.

LISA YUSKA, ST. JOHN'S ACADEMY, PLATTSBURGH, N.Y.

Lisa is a fine sprinter-hurdler, with a best 200-meter time of 26.3. She will be studying in the College of Human Ecology.

COACH'S COMMENTS

The 1982 cross country season saw us make good progress as the men had a 4-1 dual record, won the Canisius College Invitational, placed sixth in the Heps and 22nd of 34 teams in the IC4As. The women were 2-2 in duals, won the Canisius College Invitational, placed seventh in the Ivies, and ninth of 15 teams at the NCAA District II meet, which was run in conjunction with the men's IC4A/NCAA District II at Lehigh. Frosh Grant Whitney was voted the MVP of the team as was Marian Teitsch for the women. Teitsch and Pete McConnell, both juniors, were elected captains for 1983. I feel sure that we will see still further progress in 1983 as we return a solid group of runners and hope to add several good freshmen to each team.

Encouraged by the progress of the cross country team, the coaching staff was optimistic about the indoor and outdoor track seasons. However, the athletes' confidence in themselves was not equal to that of the coaches' confidence in them. Indoors there was a win over Yale in the new Coxe Cage facility in New Haven amidst a snowstorm of some 18 inches, and then losses to Army in Ithaca and a fine Syracuse team that has been aching to beat us for sometime now and finally succeeded in a spirited battle in Barton Hall.

Incidentally, we no longer have the raised board runways for the jumps in Barton Hall; the pole vault planting box was sunk in the floor last year so that we ran on the normal floor, and then this year we cut a hole in the floor and filled it with sand for the long and triple jump pit, using the floor as the runway. This has worked out very well and saves a great deal of time and work readying for a track meet. It also works out better for training purposes. The old board runways were in bad shape and would have cost plenty to renew them, so the decision to put the box and pit in the floor for a one-time expense and greater convenience.

The indoor Heps championships at Yale turned out to be a disaster for us as that lack of self-confidence showed with a last place finish despite 25 new personal records set by our athletes. The ladies finished seventh of nine. The embarrassment of our indoor finishes brought on a resolvment to make it into the top five at home for the outdoor Heps.

A great trip to California for our spring break (27 athletes and three coaches made the journey) served to set a better tone for the remainder of the outdoor season. We flew out of Ithaca on USAir to Pittsburgh and from Pitt to San Francisco with a great fare of \$198 round trip per person! Renting two vans and a station wagon, we drove to Fresno where we stayed for five days of decent weather and training, competing in a meet on March 26 with Fresno State, Boise State, Santa Barbara and Southern Oregon. My former assistant, Tom Pagani, is now the women's coach at Fresno and we were treated royally there. We also had some very fine performances in this our first outdoor meet. Former Cornell track great, Bob Mealey, drove to Fresno from Topanga to cheer us on

and then took the entire team to dinner after the meet. The team got a few laughs from Bob's recounting of the first time he and yours truly met on the old cross country course at Cornell when he was a Cornell frosh and I a frosh at Syracuse. In that race, some 36 years ago, Bob finished first and I was second.

On March 30, we drove to Palo Alto where we spent the next five days and competed in the Martin Luther King Games at Stanford on April 1-2. While there we had the pleasure of meeting Dan and Helen Belknap '49, who now live in Oakland. On Easter Sunday, the team were guests of Rob Robinson's family in Berkeley for a great barbecue. We then returned to Ithaca on April 4 and to what was to be a somewhat horrible spring weather-wise. However, the fine experience of the California trip seemed to turn us around as we then beat a visiting University College of Dublin (Ireland) team in the drizzle on Schoellkopf on Sunday, April 10. Our annual meet with Colgate to be at Hamilton was snowed out for the second straight year and we were unable to find a date to reschedule, so it had to be cancelled. The weather was also causing us big problems with getting our track and field event facilities ready for the season, and most of all the first-ever outdoor Heps to be held in Ithaca. The season's biggest snowstorm around the 19th simply meant that our meet with Penn could not be held here.

So good neighbor Ithaca College invited us to use their fine facility and went out of their way to have things ready for us. April 23 turned out to be great weatherwise and despite the piles of melting snow and water-sogged fields, we had a great match with Penn, winning the entire meet by just two-tenths of a second with a must win in the final 4x400 relay (which Mike Crawley pulled out for us at the tape, 3:15.01 to 3:15.03). What a satisfying win it was too! We were now maturing as individuals and as a team. With "Top Five in the Heps" our theme for the season, both teams made a great effort to make it to the top five -- the men being successful with a solid fourth place and the women missing fifth by one point. There were many heroes for both squads, topped by the one-two finish in the 100 meters with Charles Fleming and Todd Pressley. Both young men also contributed, along with Gregg Hofstetter and Mike Crawley, to win the 4x100-meter relay. Senior Steve Putscher capped a fine career with a Cornell record pole vault of 15-7½ and second place. The jumps had to be held in Barton Hall (we could easily do this now with the pit and box in the floor). Marian Teitsch was second in the 10,000 meters on Saturday and then came back to finish fourth and earn four more points in the 5000 on Sunday. Captain Evelyn Taylor was third in the 400 and ran on both third-place relay teams, the 4x100 and 4x400. Lauren Kulik ran on both relays and was fifth in the long jump.

Following the Heps, we had final exams so that pretty much curtailed the rest of the season for us. Rich Howarth finished sixth and was our only scorer in the IC4A meet at a rain-soaked meet at Villanova. Rich had earlier won the College Division javelin throw at the Penn Relays with a fine 238-2. The 4x100 team made the finals and were running well until a miscue on the final pass.

Captain Bob Diaz, who had always been a tough competitor for us, was out for the entire outdoor season with a plantar fasciitis problem and that certainly did not help us. Our big graduation losses will be Diaz, Putscher and jumper Tom Healey, who also was rendered ineffective by a severe ankle sprain indoors from which he never fully recovered. We do expect a fine young vaulter in the class of 1987 in Mark Hursh from Shawnee Mission, Kan. Mark as of this writing has done 15-9 in the vault so he should be a very capable replacement for Steve.

While it was not a super recruiting year, we will have some promising young people joining us in the fall. Most notably, the women's team should be greatly improved by the addition of the new people. Recruiting remains a major problem in attempting to build and maintain a strong team because of the difficulty in enrolling good student-athletes each year. With the cost of a college education skyrocketing, especially within the Ivy League, we lose more and more people to those schools who give better financial aid packages and from which a student can graduate and not have

loans of some \$10,000 staring them in the face. Of course there is the perennial loss to a few "charismatic" institutions. We spend a great deal of time and effort each year on some 300 to 350 prospective student-athletes; but of course we do not make the admissions or financial aid decisions, so it is a bit of Russian roulette as to who and how many athletes we will actually see on campus come fall. Then of course there is nothing that obligates them to come out and compete for the team once they do enroll. Coaches Bowman and Tenisci do an excellent job of interesting young student-athletes into applying to Cornell and selling them on the University, but the admissions process is so competitive that we never know just who we can get. It always seems that those who we do the best selling job on and who want very much to come to Cornell do not make it through the process, either admissions-wise or financial aid-wise to enable them to come to Cornell. The Ivy League philosophy is a fine one, but unfortunately we do not all work under the same commitments.

I mentioned that we were at the mercy of the weather in attempting to get our facilities brought up to par for the season and the Heps. It went right down to the evening before the Heps before we had the runways refinished (the final coating was applied this summer), and the track relined (the track had been patched and had to be relined before we were able to put the final weathercoat on, so that too will be completed this summer and then relined). The throwing fields were an absolute "rice paddy" due to what appears to be poor drainage and the wet spring; much work and effort were put into getting that ready. Our grounds crew did a fine job for us and had it in pretty good shape for the Heps. We built an additional cement circle that could be used for both the discus and hammer, which was outside our fenced-in throwing area at the east end of Upper Alumni Field.

With a lot of folks pulling together, including our department administrators, grounds crew, sports information office, coaching staff and athletes, we were able to run a successful meet despite the weather (we even had snow just after the meet ended on Sunday).

Our running alumni still account for themselves well. Pete Pfitzinger is rounding back into shape after surgery on his plantar fascia last summer. Dan Predmore has recovered well from a broken neck suffered in an auto accident last summer and has finished well in his last several races. Mike Wyckoff is also making a successful comeback, having just won a 10K in Corning in May. Craig Holm and his wife Kare are one of the finest husband and wife duos in the country as they both run well. Craig was 62nd in the Boston Marathon while Kare finished seventh among the women. In doing so, they both qualified for the Olympic Trials. Jon Anderson also qualified at Boston for the Olympic Trials as he finished 34th. Others still having success with their efforts are Bart Petracca, Duncan Scott, Joe Arthur, Scott Walter, Flip Brock, Steve Nojeim, Curt Stautz, Carl Yehnert and Rich Oldrieve. There may well be others and if I have missed you, let me know. I am proud of all of these guys and think that it speaks well of our program. We should successfully defend the Alumni Heps championships, which we have won every time since its inception four years ago. Last fall we were the only full team running! Let's keep that string going guys!

I look forward to next year with optimism and feel sure that Cornell track is well on the way back to the top!

H. HUNT BRADLEY MEMORIAL TRACK COMPLEX

The athletic department has retained the services of the firm of Architect Colaborative of Boston, Mass., for the purpose of devising a complete plan that will include the renovation of our existing facilities and a design for a new facility. This design will include meeting the immediate as well as the future needs of physical education, intramurals and intercollegiate athletics.

In reference to track, they will look at the needs for a new locker room facility for women; a decision of whether to build a new locker room area for men, or to renovate the existing area; and office space for coaches. These decisions, along with the decisions as they relate to the entire plan for the athletic department, will be made within the next three to four months. Whatever the decisions are as a whole, I still have my dream of a fitting memorial for Hunt Bradley. Hunt did so much for Cornell and Cornell track; there is no one more deserving of this esteem for his favorite Cornell activity.

JACK MOAKLEY FUND.....\$225,000

As of the end of April 1983, we had reached the above figure thanks to all of you great "teammates!" God bless all of you great "teammates" who continue to support Cornell track. In these financially depressed times and rising costs, your help is greatly appreciated. Your generosity now provides the major portion of our annual spring trip expense (team members cleaned the stadium after three football games last fall and earned \$1,200 for those efforts; parents contributed; some of you also contributed directly for the spring trip; we sold tee-shirts at the state high school indoor meet and the outdoor Heps). Our athletes now have the opportunity to make at least one good trip each year that they are at Cornell, something which some of the other schools in the league are now copying. Many teams go to Florida, but we have steered clear of that because we cannot see going down there to compete against many of the same teams that we see all year. Our trip to California this year was one of our best. Preliminary plans for next year are to go to Southern California (possibly Santa Barbara and one other place). Moakley Fund Interest is the primary reason that Cornell still has one of the most attractive track programs in the country. You can all be proud of the part that you have played in making this possible.

On the next page you will find a form to fill out and return to us that might aid us in our recruiting efforts. We obviously are seeking a real testimonial that would make a great sales pitch to young men and women who we are trying to interest in enrolling at Cornell. We would then, with your consent, run them through a copier and send them out as a part of our recruiting mailings. As you fill it out, try to put yourself in the place of a young athlete who is now considering colleges and what you would want to know and hear if you were in their shoes; the kinds of things that they might not even think about but would be impressive to them. We would appreciate an early return so that we might commence using them come September.

A SPECIAL THANKS TO COACH BARRON

Many people not directly involved with the Cornell team this season were not aware of the fifth coach on the staff this past year. Coach Reggie Barron helped Coach Bowman with the sprinters and his coaching knowledge and expertise were appreciated. He was an integral part of the success of the sprint-hurdle group this past year. Reggie, a former sprint great at Cornell a few years ago, was a student in the College of Human Ecology this past year. He was a successful business man in Texas and returned to Cornell to pick up another degree in consumer economics. We hope that he will be able to continue with the group and be a part of us again for next season. Thanks for all your help, Reg!!

Red and Orange Harriers Race Today

Young Red Squad to Clash With Orange

By **SHELDON HERVEY**

The women's cross country team opens its season this afternoon at 4:45 as it hosts Syracuse on the Moakley Golf Course.

Coach Jack Warner, mentor of the women harriers for the first time, is excited about the squad and he said it will surprise a lot of people.

"There are no superstars, but we have eight to ten people who are pretty evenly matched," said Warner.

The Red is a young squad with only two seniors among its top ten runners.

Junior transfer Marian Teitsch has been impressive in winning both time trials on the 5000 meter

Moakley Course, clocking a best time of 18:54. Completing the top five are sophomores Nancy Schmidt and Amy Phelps and freshman sisters Elise and Suzanne Jones.

Seniors Kathy Krause and Ellen Birkhimer along with sophomore Heidi Obenauser, sophomore Kathy Lutz and freshman Susan Nossal round out the top ten.

The Orangewomen are much improved from the squad the Red handled easily 15-48 last year. In its only meet this season Syracuse edged Cortland 28-29.

Coming off an impressive shutout victory over Colgate, the men's cross country team hosts undefeated Syracuse this afternoon on the Moakley Golf course in a 5:15 start. Against Colgate last Friday, the Red harriers swept the first 11 places and were led by freshman Grant Whitney who clocked a 25:47.9 for the five and a sixteenth-mile course.

Of the Colgate race, Coach Jack Warner said, "That was the best team race in three years. The team did what we talked about in practice, it competed and 'hammered' away."

Syracuse should provide much stiffer competition as the Orangemen sport an early-season 4-0 mark. Syracuse swept a triangular meet last weekend over Army, East Stroudsburg State, and Albany State with track All-

American Jim O'Connell lowering the Syracuse course record by 42 seconds. Sophomores Scott Bor-toff and Tom Grana combine with O'Connell to make the Orangemen tough up front.

Cornell has speed of its own though as Whitney, Harv Robinson, Jim Paige, Peter McConnell, and Blake Kruell have been running very well. In addition, the pack of Chris Kruell, Sheldon Hervey, Bruce Young, Joe Goldstein, Mike Geller, Evan Bender, and Will Fratt has not been far behind, giving the Red solid depth and balance.

The Syracuse-Cornell series has been a very spirited rivalry over the years and the Orangemen hold a 25-18-1 edge including victories the past two years.

The Orange harriers embarrassed the Red last year 15-50 on its Drumlin course. Of this afternoon's confrontation Warner said, "It should be a very tough meet. The key will be our depth and our running tough."

Cornell Harriers Shutout Colgate

The Cornell men's cross-country team opened up its season with an impressive victory over Colgate in a 15-50 victory over Colgate in a meet run Friday at the University Golf Course. The Big Red shut out the Raiders in impressive fashion, capturing the first ten places.

Frosh sensation Grant Whitney came within three seconds of the 5.1 mile Moakley Course record for a freshman as he led the Cornell contingent with a time of 25:47.9.

Whitney was followed over the line by junior Harv Robinson, who clocked a 26:24 effort. Senior co-captain Jim "Turtle" Paige grabbed third place, eight seconds in front of fourth place Peter McConnell. Brothers Blake and Chris Kruell took fifth and sixth places respectively for the Red, whose record now stands at 1-0.

The harriers will next be in action this Friday as they take on the Orangemen of Syracuse, in a meet that will also be run at the Moakley Course.

Last year the Orangemen took it to the Red with a 15-50 shutout of their own.

Harriers Use Depth To Edge Syracuse

By **JIM AXELROD**

The Cornell men's cross-country team employed its superior depth to offset a record-breaking performance by Syracuse's Jim O'Connell in a 22-34 victory over the Orangemen last Friday.

O'Connell smashed former Big Red great Pete Pfitzinger's four-year-old standard of 24:48.6 by 8 seconds in recording a new mark of 24:40.6. The two-time All American became the second man ever to cover the 5.1 mile Moakley loop in under 25 minutes.

Cornell won the race, however, by bunching in four runners after O'Connell. Frosh phenom Grant Whitney grabbed second place overall with an impressive time of 25:52.8. Peter McConnell, Blake Kruell and Harv Robinson all followed Whitney in to insure the Big Red's notching its second win of the season in as many meets.

"We're starting to believe in ourselves," Cornell coach Jack Warner said in appraising his squad's victory. "Once you start believing in yourselves it's ever onward. We have a saying around here that every day and every way we get better and better. If we keep telling each other that, we'll start to believe it."

Warner had every reason to be proud of the Cornell cross-country program yesterday, as both the women's varsity and men's JV teams also recorded victories over Syracuse.

Marian Teitsch led the Big Red women to a 27-28 win by taking the 5000 meter race in a time of 18:36. Freshman Elise Jones took third place, and sister Sue finished sixth to help the Red edge the Orange in its initial contest of the season.

Red Key Names Goalie Maultsby, Runner Whitney

The Red Key Society announced its Athletes of the Month yesterday.

Shea Maultsby, senior goalie and co-captain of the varsity field hockey team, was named female Athlete of the Month.

Maultsby, from Hackensack, NJ, led the field hockey team to a 3-3 record in September. Maultsby had as a career-high sixteen saves against Princeton, and fourteen saves against Dartmouth.

She recorded her first shutout in the Red's 5-0 pasting of William Smith last week.

Whitney Chosen

Freshman cross-country runner Grant Whitney, from Rochester, NY, was chosen male Athlete of the Month.

Whitney led the team to a 2-0 record during September, helping the team to a sweep of Colgate and a victory over Syracuse.

Last year, as a senior in high school, he was named New York State Federation champion as a cross-country runner.

Women Capture Harrier Meet

By NAOMI OTTENSTEIN

Runner Marian Teitsch led the Cornell women's cross country team to a first place finish in the SUNY Binghamton Invitational Friday afternoon. Competing under the hot sun on a rugged 5000-meter course that featured a long uphill start, the team out-distanced seven other schools to capture the team title.

Teitsch, a junior transfer from Cobleskill, crossed the line in a winning time of 18:14. Freshmen Elise and Suzanne Jones also ran strong, capturing third and sixth places respectively. Rounding out the top five were Nancy Schmidt in 16th place and Margie Coffin in 20th.

With lowest score winning, Cornell took first place with 47 points, followed by Army with 49 and Cortland with 60.

Amy Phelps, 21st, led a second pack of Cornell runners over the line, with Sue Nossal, Ellen Birkhimer, and Heidi Howell close behind.

This fall Jack Warner, formerly only the men's cross country coach, took over the coaching for both teams and has instituted a new practice: coed cross country workouts.

"Working together with the men as a team has really helped us improve, both in terms of attitude and performance," said co-captain Kathi Krause. "Right now we're ranked low in the Ivy League, but I think we'll surprise people as the season goes on."

Cornell hosts the Cortland team this Friday afternoon on the Moakley course.

Red Roundup

The men's cross country team traveled to Harvard Saturday and suffered its first loss of the season. Despite a stellar performance by top finisher Grant Whitney, the Red suffered a 31-24 defeat at the hands of the Crimson. The men's cross country record now stands at 3-1 as they prepare to face Brown this Saturday at Providence.

Women's Cross Country

The women's cross country team defeated Cortland at home last Friday, 34-23, to remain undefeated on the season with a 2-0 record. Junior Marion Tietsch ran the five kilometer course in 18:19, with freshman Elise Jones running a close second, 18:22. The women harriers next meet is this Saturday at Brown with Dartmouth.

Harriers Triumph at Invitational

The men's and women's cross-country teams won the Canisius Invitational meet last Friday, at Canisius College in Buffalo.

Both teams came out on top of ten team fields, the men recording a low of 39 points, while the women scored 28.

The top finisher for the men was Freshman Grant Whitney, who came in second overall, clocking a time of 22:06 on the 4.7 mile course. Juniors Harv Robinson and Blake Kruell also finished strong for Cornell, placing fourth and sixth respectively. Kruell finished just 12 seconds behind Whitney.

Next week the team competes in the Heptagonal Championship Meet at Van Cortland Park in New York City.

For the junior varsity team, seniors Chris Kruell and sophomore Dave Nears finished first and third,

just two seconds apart.

Freshman Elise Jones paced the women with a second place finish on the 2.7 mile course with a time of 15:24.

Marian Teitsch placed third and Nancy Schmit placed sixth, with times of 15:38 minutes and 16:10 minutes.

This was the second invitational the women Harriers have won this year. The first was the Binghamton Invitational earlier in the season.

The team has a final record of 2-2, and will travel to New York City this weekend to compete in the Ivy League Championship meet.

Tracksters Finish Strong

By SHELDON HERVEY

Improved performances and eight first place finishes highlighted Cornell's men's and women's track teams' efforts in the 16th Annual Cornell Invitational Track Meet, Saturday evening at Barton Hall. Red tracksters also captured 12 seconds in the 18-school, 31 event meet.

Coach Jack Warner's squads came off a disappointing performance at the Syracuse Invitational a week ago, by showing strongly in most events against many of the same competitors faced in Syracuse. Only in the women's 55-meter dash and women's 500-meter run did Red performers fail to place in the top six places. Though the meet was a non-scoring event Queen's (of Canada) and Syracuse also fielded talented contingents, winning six and five titles respectively.

Individual winners for Cornell's men included Steve Putscher's school record pole vault of 15'1½", Curt Hampstead's 7.58 second clocking over the 55-meter hurdles, Charles Fleming's 55-meter dash in 6.48, and Mike Crawley's 1:05.8 time in the 500 meter run.

The Red men looked especially impressive in the sprints and mid-distances. For example, in the 500-meter run Cornell placed four of the next five runners behind Crawley including Dave Scharf who finished second.

Todd Pressley took third place in the 55-meter dash while Kevin Nicholson had the second fastest clocking in the 400 meter run. In the 800 meter run co-captain Bob Diaz placed third. Joe Goldstein and Mark Wetmore went two-three in the 1000 meters and Brian Whitten turned in a fast 3:59.25 time to carry runners up honors in the 1500 meters.

In the field events the Red did not look as strong. Besides Put-

scher's record-setting vault, only Charles Fleming and Curt Hampstead could place in the top three in any event (long jump).

Grant Whitney and Pete McConnell's second and third place finishes in the 3000 meter run were the Red's best showings in the long distances.

For the women's team, Lauren Kulik was the only individual winner with a 5.15 meter long jump. Kulik also placed second in the women's high jump. Other second place finishers for the Red women were Marian Teitsch (3000 meters), Evelyn Taylor (400 meters) and Suzanne Jones (1500 meters). Third place finishers included Pam Carter in the 400 meters, Heidi Obenauer in the 800 meters and Kathi Krause in the 1000 meter run.

Both the men's and women's teams dominated their respective relays as Cornell won three of the five relay events. The 4 by 400 relay team of Pressley, Gregg Hofstetter, Carlton Barbour and Crawley was victorious while the quartets of Debbie Sampson, Obenauer, S. Jones and Elise Jones and Whitten, Goldstein, Tom Bastings and Diaz captured the 4 by 800 relays.

Hopefully, the momentum and confidence gained in yesterday's meet will carry over to next weekend when things begin to get serious for the tracksters. Both the men's and women's squads will see their first dual meet action of the season on Sunday when they play hosts to the Cadets of Army.

Runners End Year

The Men's and women's cross-country teams wrapped up their seasons Saturday by competing in the IC4A Championships at Lehigh University in Bethlehem, Pennsylvania.

The men, in district two of the IC4A, ran on a 10-kilometer course against a field of 28 teams. The Red placed 17th in the meet.

The top finisher for the men was freshman Grant Whitney, who placed 69th overall.

The women harriers finished ninth out of a field of 15 teams.

Over the five-kilometer course, junior Marian Teitsch, paced the Red, placing 18th overall with a time of 18:18.6.

Harriers Improve Performance in Heps

By SHELDON HERVEY

Special to the Cornell Daily Sun

New York, NY — Princeton's men's and Harvard's women's cross country teams easily ran to Heptagonal and Ivy Championships Friday at Van Cortlandt Park. The Tigers scored a low total of 25 points by packing six men in the top ten and the victory was its seventh Heps title in the last eight years.

Dartmouth's Jim Sapienza won the individual title by completing the five mile course in 24:37.5. The sophomore led the Green to a strong second place finish while Navy placed third. The Big Red finished sixth.

Harvard's women placed five runners among the first eleven finishers to repeat as Ivy champions. The Crimson's Kate Wiley held on to edge Princeton's Lynn Jennings to capture the 5000 meter race in 17:09.8. The Tigers finished second followed by Yale. Cornell's women placed seventh.

Despite disappointing performances, Cornell coach Jack Warner still had some encouraging words to say about both his squads. On the men's race Warner said, "Sixth place is a lot better than ninth last year and it shows we are headed in the right direction. It has been a good year, but our confidence is still not at the level it should be."

Warner had similar sentiments on the women's performance. "Everyone tried hard, but again I think it was a matter of lack of confidence," he said.

Freshman Grant Whitney again paced the Red by placing 21st in a time of 25:55.7. Junior Harv Robinson (32), senior Chris Kruell (38), sophomore Blake Kruell (43), and junior Mike Geller (47) rounded out the Cornell scoring.

Freshman Elise Jones' 19th place finish of 18:38.2 led the Red women's effort. The other Red scorers were junior Mariane Teitsch (30), sophomore Margie Coffin (37), freshman Suzanne Jones (41) and sophomore Nancy Schmidt (46).

Both the men's and women's teams will complete their seasons on Saturday, November 13 as they compete in the IC4A Championships at Lehigh.

Army Captures Dual Meet

By SHELDON HERVEY

Army's men's and women's track teams invaded Barton Hall yesterday and when the smoke had cleared the Cadets emerged with two victories. The men, sporting an impressive artillery of performers whipped the Red 104-32 while the women Cadets handled Cornell 60-40.

It was a tough day for Coach Jack Warner's squads as the women won three events and the men were victorious only twice. Junior Mariane Teitsch turned in the meet's most sparkling performance with a 17 minute, 3.8 second clocking in the 5,000 meters. The time lowered Teitsch's school record by 55 seconds and it bettered the Ivy League Meet record by 32 seconds.

Junior Evelyn Taylor captured the 400 meters in 58.70 seconds while the 4x880 relay team of Debbie Sampson, Suzanne Jones, Elise Jones and Pam Carter also was victorious.

Taking seconds for the Red women were Elise Jones (1500 meters), Jerris Gist (55-meter hurdles), Suzanne Jones (800 meters), Taylor (200 meters), Lauren Kulik (high jump), and Alyssa Bickler (shot put). Bickler added another inch to her Cornell indoor shot put mark, set last week, bringing it up to 37 feet and seven and one-half inches.

Third place finishers included Susan Nossal in the 5000 meters, Laurie Bayer in the 55-meter hurdles, Sampson in the 800 meters, Gist in the 200 meters, Madefne Wootan in the shot put, Tressa Henton in the high jump and Kulik in the long jump.

In the men's competition, Army completely

dominated, outscoring the Red 50-4 in the field events and 54-28 on the track. The only bright spots for Cornell were victories in the 55-meter dash by Charles Fleming (6.50 seconds) and the 3000-meter run by Grant Whitney (8:29.50). Todd Pressley and Greg Hofstetter followed Fleming to give the Red a sweep in the dash while Pete McConnell placed second behind Whitney in the 3000.

Third place finishes by Fleming (long jump), Steve Putscher (pole vault), John Passalacqua (shot put) and Tony Paul (triple jump) proved to be the only points the Red could score in the six field events.

The Big Red faces Syracuse on Feb. 6.

meters respectively. Third place finishes were turned in by Harv Robinson (1500 meters), Boluch (500 meters) and Brian Whitten (1000 meters).

In Cornell's most impressive showing Grant Whitney and Andy Parece went two-three behind McConnell in the 3000 meters.

The field events saw Brian Quinn (pole vault) and Fleming (long jump) earn seconds. Tim Tribble (high jump) and John Passalacqua (weight throw / shot put) also scored for the Red, both taking thirds in their respective events.

Cornell will travel to Yale on Saturday and look for its first win of the season after two defeats.

Syracuse Defeats Red Trackwomen

By SHELDON HERVEY

Needing to capture the last two relays to pull out a win, Syracuse's women tracksters did just that to edge Cornell 51-48 in a dual meet Sunday at Barton Hall. It was the second year in a row that the Orangewomen decisioned the Red with a last relay triumph as Syracuse won 50-41 last season in the Salt City.

Trailing 48-41 entering the relays, Syracuse went to work. The 4x400 relay team edged Cornell by .64 of a second as Alison Smith beat the Red's Pam Carter to the tape. The Orange's 4x800 quartet then settled matters with DeeDee Gallimore's third leg proving decisive. Debbie Sampsons and Suzanne Jones had given the Red a lead through the first two passes of the baton, but Gallimore opened a 50 meter lead on her leg of the relay.

Orange anchorwoman Teri Edgerly, who had earlier won the 400 meters, cruised over the last 800 meters and gave Syracuse its victory.

Cornell only managed to win four events, but led throughout the meet by gathering numerous seconds and thirds. Winners for the Red women were Elise Jones in the 1500 meters (4:41.1), Jerri Gist in the 55 meter hurdles (:09.03), Pam Carter in the 800 meters (2:16.87) and Lauren Kulik in the long jump (17'1 3/4").

Kulik also took second in the high jump while Peggy Hall (55

A sweep of the triple jump clinched Syracuse's victory and Tom Grana supplied the icing on the cake by outspringing Red co-captain Bob Diaz to the wire in the 4x880 relays as the Orange tracksters downed Cornell 76-60 Sunday at Barton Hall.

The triumph for Syracuse was only its second ever against Cornell and it came in the thirtieth meeting between the two schools.

On the loss, Red coach Jack Warner said, "You have to give credit to Syracuse. They wanted it and they got it."

Senior pole vaulter Steve Putscher was the outstanding performer for the Red as he raised his school record to 15 feet, five inches in a winning effort. Other victors for Cornell were Mike Crawley in the 400 meters (:49.54), Dave Scharf in the 500 meters (1:06.54), Charles Fleming in the 55 meter dash (:06.59), Pete McConnell in the 3000 meters (8:27.00), and the 4x400 relay team of Kurt Boluch, Scharf, Carleton Barbour and Crawley.

hurdles), Evelyn Taylor (400 meters, 200 meters), Marian Teitsch (3000 meters), and Alyssa Bickler (shot put) placed second in their respective events.

Freshman Kathy Borchelt scored in three events taking a second in the 55 meter dash and placing third in the 200 meters and long jump.

Other third place finishes for Cornell were earned by Ann Miller in the 1500 meters, Gist in the 55 meter dash, Suzanne Jones in the 800 meters, Susan Nossal in the 3000 meters and Madeline Wootan in the shot.

Men Tracksters Win, Women Lose at Yale

By SHELDON HERVEY

Managing to get into New Haven before the blizzard of 1983 struck and fortunate enough to leave after it had passed, Cornell's men's track team celebrated a 76-60 triumph over Yale on Saturday at Coxé Cage. The Red women tracksters were not as successful as they were snowed under, 66-39, by a strong Eli contingent.

On the men's victory, Coach Jack Warner said, "Obviously we are pleased that we got a victory after two losses."

"On the most part we competed better. We seem to have improved each time out and hopefully we will be at our best for the Heps," he added.

Warner cited a number of fine performances turned in by the Red. Co-captain Bob Diaz won the 800 meters in a time of one minute, 53.52 seconds, and he also led the 4x880 relay team (Dan Richards, Tom Basting, Brian Whitten) to victory with a 1:53.9 anchor leg.

The Red dominated the middle and long distances as Basting and Joe Goldstein tied for first in the 1000 meters (2:28.76). Whitten captured the 1500 meters (3:55.26) and Harv Robinson shaded teammate Grant Whitney to win the 3000 meters (8:26.28).

Cornell swept the 55-meter dash with Charles Fleming (:06.45), Gregg Hofstetter and Todd Pressley going one-two-three. Other winners for the Red were John Passalacqua's throw of 48

feet-one inch in the shot and Steve Putscher's 14 feet-six inch pole vault.

Placing second for the Red were Marlon Brownlee (55 hurdles), Kevin Nicholson (400 meters), Mike Crawley (500 meters), Passalacqua (weight throw), Fleming (long jump) and Mike Franz and Tim Tribble, who tied for runnerup honors in the high jump.

Taking thirds were Richards in the 800 meters, Carleton Barbour

in the 400 meters, Dave Scharf in the 500 meters, Robert Lachenauer in the 55 hurdles, Steve O'Brien in the weight throw and Tom Healey in the triple jump.

Despite dropping to 0-3, Warner was not displeased with the women's performance. "Basically we don't have enough women right now with scoring potential," he said. "Other than that, we are doing fine. People are improving for the most part.

Marian Teitsch and Evelyn Taylor continued their outstanding seasons as both surpassed previous school records. Teitsch's 9:39.0 clocking in the 3000 meters not only established a new Cornell record, but it also qualified her for the NCAA Championships. Taylor again broke the 400 meter standard by winning her race in a time of :58.55. She also ran the first leg on the victorious 4x200 relay contingent (Kathy Borchelt, Gerri Gist, Pam Carter).

Gist and Carter also were individual winners as Gist cleared the 55 meter hurdles in :08.87 and Carter completed 800 meters in a personal best time of 2:13.19.

Taking seconds for the Red women were Elise Jones (1500 meters), Alyssa Bickler (shot put), and Lauren Kulik in the high jump and long jump. Third place finishers were Anne Miller in the 1500 meters, Peggy Hall in the 55 hurdles, Borchelt in both the hurdles and the 200 meters and Madeline Wootan in the shot put.

The Yale meet closed out the dual meet portion of the season for both the men and women tracksters. On Sunday, 40 members of the two teams will travel to Newark, Delaware to compete in the University of Delaware's Invitational. That will be the Red's last tuneup for the Heps which will be held at Yale on February 25-26.

Runners in Ithaca For Sunday Meets

By JOHN MELISSINOS

The men's track team outscored a team from the University College Dublin yesterday, 121-66, to notch a victory in its first scored match of the season, while the women's team, competing in the Ithaca College invitational, was edged by one-half point by the Bombers.

Twenty-four men of the UCD team went up against the Red in cool and rainy weather at Schoellkopf Field. A UCD team had visited Ithaca once before in 1979, the Cornell team having traveled to Ireland in 1974 and 1978.

Said track coach Jack Warner of the Irish, "They're a good bunch of people."

Tim Triple set a freshman record in the high jump, leaping to a height of 6'8 1/4". Teammate Mike Franz was right behind Triple with a jump of 6'8". Noted Coach Warner of their performances, "It's the best either one of them has done here at Cornell."

The 4x100 relay team did well on the day, building on their performance in California. The team of Hofstetter, Pressley, Mike Crawley, and Charles Fleming won the event in 42.0 seconds, .1 seconds off their first-place time at the Martin Luther King games.

For Dublin, Sean Egan had a hammer throw of 65.62 meters, unofficially breaking the Schoellkopf field record of 60.92 meters set in 1981.

Women Edged

The women's track team lost to Ithaca College yesterday by one-half of a point in the Ithaca College Invitational Tournament.

The Red competed in a five-team field, which included a team of nine women from UCD. Cornell and Ithaca dominated, although the Red came out on the short end of the stick, 104 1/2-104.

Junior Marian Teitsch set an IC track record of 35:03.5 in the 10000 meter run. The Red won events across the board, sweeping the 3000 in

the process. Leading the group in that event was Freshman Elise Jones with a time of 10:13.4. She was followed by Marian Teitsch and sophomore Nancy Schmidt.

Sophomore Lauren Kulik won both the triple and long jumps with leaps of 10.85 and 5.05 feet respectively. In the discus it was sophomore Madeline Wootan winning the event with a throw of 35.55 meters, while Zip Oliver tossed to a first in the javelin with a distance of 36.69 meters.

Senior Kathi Krause won the 5000 meters in 19:03.1, and Heidi Obenauer took the 1500 in 4:52.2 minutes. Competition in the shorter events saw Freshman Kathy Borchelt take the 200 in 26.3 seconds. Pam Carter won the 800 with a time of 2:16.1.

Red Tracksters Perform Well at Nittany Relays

Unseasonable weather forced the postponement of the men's track meet at Colgate on Saturday, but cool and windy conditions did not prevent Red tracksters from making a strong showing at the Nittany Lion Relays at Penn State.

At Penn, where the temperature was only 36 degrees, the 4x100 men's relay team of Greg Hofstetter, Todd Pressley, Mike Crawley, and Charles Fleming captured the event with a time of 41.88 seconds, beating teams from big eastern schools like Maryland and Penn.

Junior Marian Teitsch set a new Cornell school record as she captured the 10,000 meter run in 35:01.1.

Zip Oliver was second in the javelin throw with a toss of 128 feet, setting a new school record. Sophomore Madelaine Wootan set a school record in the discus with a throw of 121 feet.

The men's 4x400 relay was second at 3:22.1 while the women's 4x4 also placed second, with a time of 4:07.8.

Sophomore John Passalacqua was second in the shot put, with a distance of 52 feet 8 and three-quarters inches, his longest of the season. Charles Fleming and Mike Crawley were each fourth in the 100 and 400 meter runs, with times of 10.88 and 49.1 seconds respectively.

Cornell's meet with the Red Raiders will be rescheduled. Both big Red track teams will be at home this Saturday to host Ivy rival Pennsylvania.

Crimson Takes Heps

By SHELDON HERVEY

Harvard's men and Princeton's women captured team titles at the 36th Annual Heptagonal Indoor Track and Field Championship this past weekend at Yale's Coxe Cage.

Harvard dethroned defending champion Princeton by outscoring the Tigers 52½-44½. Navy (43) and Army (41) followed in third and fourth while Cornell placed tenth out of ten with eight points.

The Crimson were paced by Adam Dixon who captured the 1500 in 3:45.4 seconds, and Stephen Ezeji-Okoye and Augustine Udo who won the 55-meter hurdles (7.56) and triple jump (49-10 and four-fifths) respectively.

Five Repeat Winners

Dartmouth sophomore Jim Sapienza was named the meet's outstanding male performer as he won the 3000 meter run in a Heps-record time of 7:56.84. Successfully defending their 1982 Heps titles were August Wolf of Princeton in the shot put (61-6¾), Navy's Leo Williams in the high jump (7-1½), Army's Blake Hawkey in the pole vault (16-4¼), Jeff Hill of Penn in the 400 meters (47.74) and Cardell Williams of Army in the 800 meters (1:50.73).

In the women's competition, Princeton edged Harvard 55½ to 53½ to defend its team title. Yale finished third with 37 points while Cornell placed seventh with eight points.

The Tigers had no individual winners, but their depth plus two relay victories was enough to offset Harvard's outstanding distance duo of Kate Wiley and Jenny Stricker.

Stricker Doubles

Wiley captured the 5000 meters in an amazing 16:00.9 clocking while Stricker won both the 1500 meters (4:23.68) and 3000 meter (9:09.49) runs. For her double, Stricker, a sophomore, was named the meet's outstanding female performer.

Though Cornell's finishes were very disappointing, Red performers did establish 24 personal bests and three school marks.

Charles Fleming led the men's effort by taking fourth in the long jump (23-8) and fifth in the 55-meter dash (6.49). Steve Putscher and Mike Crawley placed fourth in the pole vault (15-0) and 500 meters (1:04.03) respectively while John Passalacqua completed the Red's scoring by finishing fifth in the shot put with a 51-11½ throw.

Teitsch Outstanding

For the women, Marian Teitsch came up with another record-shattering performance, placing second behind Wiley in the 5000 meters with a 16:27 clocking. Teitsch's time slashed another 36.8 seconds off her month-old school record and it qualified her for the outdoor NCAA Championships in Houston in June.

Evelyn Taylor lowered her 400 meter record to :57.72 in the trials before placing fifth in the finals with a :58.07 timing. Rounding out the women's scoring was Pam

Carter's fourth in the 800 meters (2:13.2) and the 4x400 meter relay quartet's (Taylor, Antoinette Bush, Carter and Gerri Gist) fifth place finish in 3:59.25.

Madeleine Wootan did not score, but the sophomore improved upon her school mark in the shot put with a toss of 38-7.

This weekend, members of the men's team will compete in the IC4A Championships at Princeton while the Red women will travel to Harvard for the Easterns.

Quakers Topped by Big Red Tracksters; C.U.'s First Penn Win in Four Years

By **SHELDON HERVEY**

A stirring anchor leg by sophomore Mike Crawley enabled Cornell's 4x400-meter relay team to nose out Pennsylvania, and gave the Big Red tracksters an exciting 90-82 victory over the Quakers Saturday afternoon at Ithaca College's South Hill Field.

The triumph, the Red's first over the Quakers in four years, improved Cornell's record to 2-0 while Penn fell to 4-2. In fact, the loss was only Penn's second outdoor setback in the last four years.

The 72nd meeting between Cornell and Penn was moved to Ithaca College because most of Cornell's throwing and jumping surfaces have yet to be readied this Spring. Only the long jump and triple jump were contested at Schoellkopf Field, but the switch proved to be beneficial to the athletes as eight track records were established in the warm and

almost windless conditions.

Cornell appeared to have the meet under control after freshman Todd Pressley put the Red ahead 81-68 with a victory in the 400-meter hurdles (:54.46).

Only three events remained, but Penn did not quit. Quaker speedster Doug Harris then edged Charles Fleming in the 200-meter dash; and Carlos Hanze and John Terino followed by going one-two in the 5000 meters.

Thus, Cornell led 85-82 entering the last event, the 4x400-meter relay. A Penn win in the relay would enable the Quakers to pull out a two point victory.

The stage was set and the athletes-turned-actors performed magnificently. In the first leg, Cornell's Dave Scharf trailed Ross Armstrong through 300 meters, but Armstrong slowed down, enabling Scharf to open up a four meter lead for Greg Hofstetter. Hofstetter was coralled by Ron Bloomberg down the backstretch, but the surge took its toll, and Hofstetter was able to pass the baton first.

Pressley and Jeff McCurdy did battle on the third leg and McCurdy was a bit quicker, giving anchor man David Pharr a two meter lead over Crawley.

Pharr and Crawley, each individual winners on the day (800 meters and 400 meters respectively) then dualed over the last 400 meters. Crawley made the first move by surging ahead at the start of the backstretch and holding the lead midway through the last turn.

Pharr regained the advantage

Continued from Page 16

coming off the last turn and led by fractions of a meter as the two runners headed for home. Matching Pharr stride for stride, Crawley hung tough and with about 30 meters to go, he surged enough to hit the tape first. Crawley's lunge ignited a Cornell team celebration and gave the Red the slimmest of victories. Both relay quartets were clocked in 3:14.9. Crawley's split was a :47.7.

Red Coach Jack Warner said the victory had to be one of the most satisfying he has ever had in his 27 years of coaching. "I think the team finally began to believe what we have been telling them all year; that they are a better team than they have been showing," Warner said.

Warner said the 4x400-meter relay team was put in a must win situation and they dug down deep and never quit. He added though that Cornell "had a lot of people who came through and it would not be fair to single out a few people without mentioning everyone that scored."

It was truly a team effort as Cornell captured 11 of 20 events, placed second nine times, and took eight thirds.

Sophomore John Passalacqua led a number of Red tracksters who scored in more than one event by winning both the shot put (16.03 meters) and the Discus throw (41.45 meters). Besides his second in the 200-meter dash, Fleming anchored the winning 4x100-meter relay (Hofstetter, Pressley, Crawley), won the long jump (7.04 meters), and placed second in the 100-meter dash. Pressley followed Fleming in the 100 meter, taking third.

Curt Hampstead, a sophomore, earned runners-up honors in the 110-meter hurdles and triple jump, while classmate Scharf ran a gutsy race in the 800-meter run to take second.

Junior Peter McConnell captured the 3000-meter steeplechase in 9:25.6 while sophomores Rich Howarth and Mike Franz won the javelin throw (64.88 meters) and high jump (6-8) respectively. In the pole vault, senior Steve Putscher was victorious with a 14-foot, one-inch vault.

Other second place finishes for Cornell were earned by senior Chris Kruell (10000 meters), sophomore Tom Basting (1500 meters); and freshmen Myron Hazen (pole vault) and Tim Tribble (high jump).

Third place points were garnered by sophomores Brian Whitten (1500 meters), Mark Wetmore (5000 meters), and Steve O'Brien (hammer throw); and freshmen Carleton Barbour (400 meters), Tony Paul (triple jump) and Hugh Smith (discus throw).

Tracksters Fall to U. Penn

By **SHELDON HERVEY**

Despite capturing nine of 15 events, Cornell's women's track team dropped a 66-61 decision to Pennsylvania Saturday afternoon at Ithaca College's South Hill Field.

The Quaker's strength in the springs proved to be too much for a gallant Red squad, as Penn won the 4X100 meter relay, swept the 400 meter hurdles, went one-two in both the 100 meter dash and 100 meter hurdles and took first and third in the 200 meters.

Bickler Shines

Equally impressive was Cornell's performance in the field events, as the Red notched victories in four of the five events held off the track. Senior Alyssa Bickler was a double winner as she placed first in the shot put and discus with throws of 11.95 meters and 37.38 meters respectively. Both marks established new Cornell records.

Other field event triumphs were supplied by junior Zip Oliver in the javelin throw (38.20 meters) and Kathy Borchelt's 5.48 meter long jump.

Teitsch Sets Record

Winners for Cornell on the track were freshman Elise Jones in the 1500 meters (4:42.8), junior Evelyn Taylor in the 400-meter dash (:58.55), junior Pam Carter's 2:14.6 clocking in the 800-meter run and junior Marian Teitsch's record-setting performance in the 3000-meter run (9:55.2).

The 4X400 meter relay team of Taylor, Jerri Gist, Elise Jones and Carter won the last event of the meet as Carter ran an outstanding anchor leg to pull out a come from behind victory.

Taking seconds for Cornell were freshman Susan Nossal in the 3000 meter run and Taylor in the 200-meter dash, while Borchelt and Gist placed third in the 100-meter dash and 100-meter hurdles respectively.

Red Coach Jack Warner said he was pleased with the way the women's team competed. "They have been performing quite well all year. We gave them a run for their money, but it was just a case of us not having the numbers [depth] right now," Warner said.

The loss, in its only dual meet of the Spring season, leaves the Red women with an 0-1 mark. The tracksters will travel to the Penn Relays on Thursday in their final tuneup before the Heptagonals, which will be held May 7 and May 8 at Cornell's Schoellkopf Field.

Cornell shows improvements in Heps

By KENNY VAN SICKLE
Journal Sports Editor

Harvard won the men's and Princeton the women's in the Heptagonal outdoor track and field championships at Schoellkopf and environs Sunday.

It was a meet of fine performances and especially so under extraordinary circumstances. There were circumstances that weren't entirely favorable. Saturday there

was much wind; Sunday there was much rain. Some of the field events had to be run off in Barton Hall.

Cornell, after a poor showing indoors a few months back, did itself proud. The men finished a strong fourth while the women were sixth.

"We certainly showed vast improvement," said Big Red coach Jack Warner, whose weekend in-

cluded running the meet as well as running his two teams.

Cornell was 10th in the 10-team men's field at Yale indoors. So anything had to be an improvement. But what the Redmen did exceeded Warner's fondest expectations.

Two footballers, Charley Fleming and Todd Pressley, ran one-two in the 100-meter dash. It helped, of course, when the race

favorite, Doug Harris of Pennsylvania, scratched out because of a leg muscle injury. He suffered the injury sometime back, then aggravated it while running in a relay.

Then the Red 400-meter relay team of Gregg Hofstetter, Pressley, Mike Crawley and Fleming won in 41.15, its best time yet. Princeton nosed out Harvard for second. Cornell's 1600-meter relay

team was a close second to Princeton. The Nassauen did 3:15.21; Cornell 3:16.94.

Cornell ace Marian Teitsch was second to Kate Wiley of Harvard in the 10,000 and fourth in the 5000. Her respective clockings were 35:49.0 and 17:13.6.

Madeline Wootan was second in the discus and some other Cornell women placed well.

Jenny Stricker, Harvard sophomore from Colorado, who admittedly likes to run away from the field and be by her lonesome, did just that in taking both the 1500 and 3000 meters and by her showing won the meet's outstanding performer award.

The outstanding men's performer was August Wolf of Princeton who won both the shot put and discus and set records in both.
