CHEER Mission Statement

College of Human Ecology Employee Rejuvenation

CHEER exists to support the physical, social and psychological well-being of staff working in the College of Human Ecology by:

- coordinating and sponsoring events that advance our lives through education, entertainment, and social connection
- promoting and celebrating the diversity that each individual brings to the CHE community
- encouraging staff to reflect on and engage in the mission of the College
- liaise regarding work environment issues that could be improved to the benefit of all
