What the petition will do:

- Create a State Power Authority to buy and operate the investor-owned gas and electric utilities of Michigan.
- Set up a five-member elected board to govern the Power Authority, bringing utility and energy decisions before the public at election time.
- Give the residential consumer immediate rate relief by eliminating the present inequitable utility rate structure which favors giant industrial users.
- Preserve the right of utility employees to strike.

Michigan needs Public Power
From the Reader of the Conference on Alternative State & Local Public Policies held June 10-13, 1976 in Austin, Texas. The reader was edited and compiled by Derek Shearer, California Public Policy Center Los Angeles, California and Lee Webb, Professor of Public Policy, Goddard College Plainfield, Vermont.

This item was made available by the Cornell University Library.

From Collection #6756, Conference On Alternative State And Local Policies Records.

Copyright and Permissions

Most of the items included in the Reader on Alternative Public Policies were published without copyright notice and hence entered the public domain upon initial publication. Some of the items found in the Reader are still subject to copyright. In some cases, even after extensive research efforts, we were unable to identify a possible rightsholder. We have elected to place the items in the online collection as an exercise of fair use for strictly non-commercial educational uses.

The Cornell University Library provides access to these materials for educational and research purposes and makes no warranty with regard to their use for other purposes. Responsibility for making an independent legal assessment of an item and securing any necessary permissions ultimately rests with persons desiring to use the item. The written permission of the copyright owners and/or holders of other rights (such as publicity and/or privacy rights) is required for distribution, reproduction, or other use of protected items beyond that allowed by fair use or other statutory exemptions. There may be content that is protected as "works for hire" (copyright may be held by the party that commissioned the original work) and/or under the copyright or neighboring-rights laws of other nations.

The Cornell University Library would like to learn more about these materials and to hear from individuals or institutions having any additional information about rightsholders. Please contact the Division of Rare and Manuscript Collections in the Library at: http://rmc.library.cornell.edu.
