EVENING PROGRAM

The early part of the evening is being reserved for alumni meetings. The Cornell Alumni will have a dinner meeting in the Terrace Room of Willard Straight Hall at 6:00 P.M. We shall be glad to assist any other groups that wish to find meeting places.

VERANUS A. MOORE LABORATORY

8:30 Open House by the staff of the Department of Pathology and Bacteriology. All laboratories will be open for inspection and exhibits of research work, interesting specimens, cultures and laboratory technic will be on display. Light refreshments will be served during the evening in the seminar room.

NOTES

1. The presiding officers have been instructed to start the programs *at the times indicated* whether or not there are many in attendance. Please cooperate by being on time yourself.
2. The entire staff of the College is at your disposal. If you wish help of any kind, do not hesitate to make your wants known.
3. The College Library will be open during the Conference, with librarians in attendance. You are welcome to make use of it.
4. Suggestions on the nature of the program and the conduct of the Conference will be welcomed. Give them to any member of the Faculty.
