## HAVE YOU SIGNED UP FOR CERES CIRCLE GOURMET DINNER

As you know, Ceres Circle is planning a gourmet dinner for Saturday evening, May 15 in Jordan Hall. All employees and their spouses or friends are cordially invited to attend. Please bring a dish to pass as well as your own table setting. Hors d'oeuvres will be served at 6:30 p.m. and dinner will start at 7:00 p.m. Each person will be asked to make a \$1 donation to help defray some of the expenses of the dinner.

These dinners in the past have always been exciting events. They provide an ideal opportunity not only to enjoy superb cuisine but also the friendship of fellow employees and their spouses or friends. If you have not signed up to participate in this event, please do so today. Deadline for

Happy Mother's Day

making reservations has been extended to Tuesday, May 11. Sign-up sheets are posted in each department under the poster advertising the gourmet dinner. Let's make this a gala event in this our Centennial Year.

Thank you.

## GENEVA EMPLOYEE COUNCIL LOGO CONTEST UNDER WAY

Don't forget to enter the Logo contest being sponsored by the Geneva Employee Council. Here is a good chance for you to win a bottle of champagne and also to see your design published regularly to advertise news about the Geneva Employee Council.

The logo should be simple, distinctive, must be able to be reproduced using a single color, should stand by itself, should not take up too much room when reproduced, and should depict what the Geneva Employee Council represents. Designs should be drawn on white bond paper in black ink and should not exceed 4 inches by 5 inches in size. The final design chosen will be reduced when used in publications.

The contest is open to all Station employees. Judges will be members of the Council plus Pat Krauss and Elaine Gotham from Publications. The winner will receive a bottle of champagne. All designs should be sent to Paul Kintner, Food Science and Technology. Entries will close May 31, 1982. Decision of the judges will be final.

## CORNELL COLLEGE TUITION SCHOLARSHIP

Sharon Brown and Adele Feierstein will be here Thursday, May 13, to answer any questions you have regarding CCTS or the Tuition Assistance Program (TAP). The meeting will be held in the Staff Room, Jordan Hall at 10:30 a.m. CCTS forms should be in Ithaca no later than June 1, 1982 for the fall semester.

### MAGIC KINGDOM CLUB 1982

New booklets are in! Information on Disney World, Florida and Disneyland, California is included. Cards are available that are good through April 1984. Please call Personnel at X203 for your free brochure and card.

## SPECIAL TRAINING PROGRAM

The training program for Geneva this quarter will be "Listening Skills". Bonnie Berger and Jared Harrison of Personnel Department, Ithaca will present this workshop on June 8, 15, 22, and 29 from 9:30 a.m. to 12:00 noon each of these days.

Since we are limited to 20 persons in the class, we would like to have participation especially from those who have not attended a training class in the recent past.

If interest merits, more than one class could be set up as we did with the Stress Workshop. Please let this office know of your interest, after checking with your Department Head.

The Directors Office will cover the cost of the course, which in Ithaca is \$40.00 per person billed to the department.

### REMINDER

The deadline for making reservations for A. Robinson's (Robbie) retirement dinner is **June 4, 1982**. The dinner will be held at Club 86 on June 16, 1982. You can make your reservations by contacting Charie, Personnel. Donations for a gift should be sent to Rocco, Business Office.

### LOGO CONTEST

Come on, we know you're out there, all you people with ideas and hidden artistic talents. This is your big chance!! Entries for the Employee Council Logo Contest must be submitted to Paul Kintner by May 31, 1982.

If you have forgotten the requirements, we will refresh your memory one more time.

The logo should be simple, distinctive, must be able to be reproduced using a single color, should stand by itself, should not take up too much room when reproduced, and should depict what the Geneva Employee Council represents. Designs should be drawn on white bond paper in black ink and should not exceed 4 inches by 5 inches in size. The final design chosen will be reduced when used in publications.

The contest is open to all Station employees and the winner will receive a bottle of champagne.

### MANN LIBRARY CIRCULATION POLICY REVISIONS

Effective immediately, overnight books may be borrowed directly from Mann Library and returned to the Geneva experiment station library at 8:00 a.m. the next morning for return to Mann Library. Be sure when borrowing overnight items from Mann Library that you indicate that you are Geneva personnel and will be returning the book to the experiment station library.

### BARBECUE PIT BUILDER VOLUNTEERS NEEDED

We need help! Buildings and Properties is going to start building the new barbecue pit by the pavilion on Tuesday, June 1. It will take the rest of that week to build the forms for the footers and walls and to pour the concrete. We need two volunteers each day to serve as "helpers" with the B&P crew.

John Andaloro, president of Station Club, has checked with department chairmen to see if those volunteering can be given the time off to help on this project as part of their work time. He has had excellent cooperation from all heads. So, please, if you are willing to help on this project anytime that week, please let your department chairman know. John Andaloro will then check with chairmen to see who is available. Please sign up right away so we know on whom we can count to help with building this pit.

Just in case you forgot, Station Club is sponsoring this project in cooperation with the Station. All proceeds from the sale of the Centennial Calendars are going toward purchase of materials to build the pit. Buildings and Properties is kindly donating their labor and expertise to actually make the pit become a reality. This is something employees have wanted for a long time. Please help us complete the project. It will be in heavy use on Employee Day, Friday, July 16. Thank you.

### FARM SERVICES BUILDING OPEN HOUSE AND DEDICATION

The new Farm Services Building is completed, accepted from the contractor, and in use by Glen McGuigan and the Farm Services crew. An Open House and Dedication ceremony will be held on Thursday, May 27 from 4- 5 p.m. at this new facility which is located south of the Buildings and Properties building. A ribbon-cutting ceremony will take place at 4 p.m. All employees are invited to attend. Ground was broken late last summer for this \$450,000 structure so badly needed by Farm Services. It was completed earlier this year and has been in use for several months. Come join us at this Open House and Dedication ceremony on Thursday, May 27 at 4 p.m.

### RECREATIONAL SOCCER

Want to put a kick in your life? If you would like to play recreational soccer, call Helmut Riedl at X341.

PS: Soccer is played with a **round** ball!!!

### SUMMER SOFTBALL SCHEDULE—1982

Games will be played beginning June 1 and running through July 26 with playoffs the week of August 9. See your team captains for details.

	3—6:30 p.m.—Recreation Field—Station Softball League—SVS-PV vs FST

### BICYCLES IN STATION BUILDINGS

Experiment Station policy prohibits parking of bicycles in station buildings. Bicycle racks have been provided for this purpose and should be utilized by station employees. This is a policy that has been approved by the Director's Office. However, any questions or concerns may be directed to the Business Office, Jordan Hall. Employee cooperation in this matter will hopefully avoid potential safety hazards as well as congestion in station buildings.

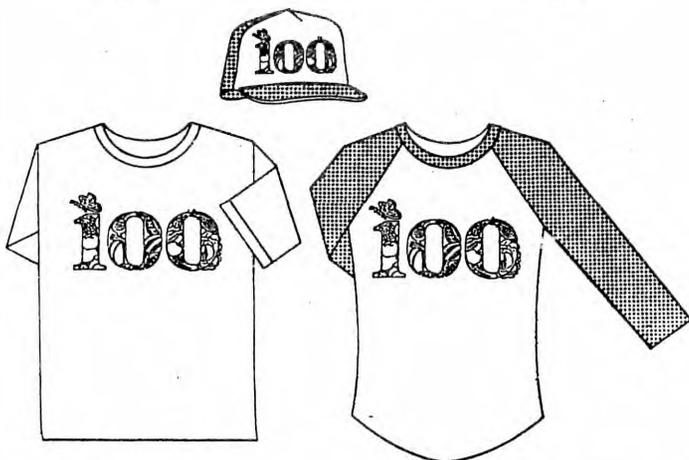

### LISTENING SKILLS WORKSHOP

Anyone who wishes to take the Listening Skills Workshop may call X203. The workshop is scheduled for June 8, 15, 22, and 29 from 9:30 a.m.-12:00 Noon.

### REMINDER

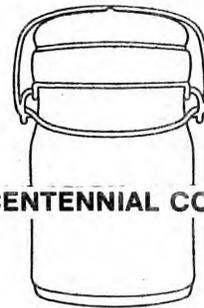

June 4 is the last day that reservations for Robbie's retirement dinner can be made. Chàrie, Personnel, is handling the dinner reservations and donations towards a gift should be sent to Rocco, Business Office.

## COMING SOON TO AN EXPERIMENT STATION NEAR YOU!!!

Here is an opportunity you won't want to miss. Bernadine Aldwinckle and Elaine Gotham are currently designing a Centennial T-Shirt and Centennial Cap. These will be available for purchase shortly, and we will publish the design and instructions on how to order them in the next calendar.

### STATION CENTENNIAL COUNTRY FAIR

Hopefully, by now all employees have received a note from the centennial committee about the very special Station Centennial Employee Country Fair scheduled for Friday, July 16.

We think it is going to be a most exciting day. Working especially hard on this project are Ben Gavitt, Bridget Andaloro, and Bea Stoyla, Food Science and Technology, and Pat Marsella and Jim Throne, Entomology. These folks have spent many hours planning this day, and we know that you will enjoy yourself.

Now that the memorandum has been distributed to all employees, we know that questions will be raised about work rules for that particular day. Before rumors start spreading too wildly around campus, we thought it a good idea to explain the rules for that day so that everyone will understand them.

Friday, July 16, 1982 will be considered a work day. All employees will report to work at their usual time in the morning. At noon, the chicken barbecue will be held at the pavilion for **all** employees. We would hope that all employees will want to spend the rest of the day enjoying the various activities planned. However, if you choose not to participate in these activities you have three choices: (1) return to your work location and spend the rest of the day doing your usual assignment, (2) sign out for vacation for whatever part of the day you are not going to be here, or (3) take personal leave time for whatever part of the day you are not going to be here. In other words, for those of you who fill out time cards, if you are on campus the entire day (8 a.m.-noon and 1 p.m.-4 p.m.) you record your usual seven hours of work for that day.

This day has been planned especially for employees. It is Cornell's and the Station's way of thanking you for your loyal service to the research programs of this great institution. We sincerely hope that you will participate in the activities planned during the day. Remember, after lunch, your families are encouraged to attend events scheduled for the remainder of the day and evening.

R. E. Krauss, Chairman  
Centennial Committee
