Time: 10:30 am

Place: Food Science Conference Room

Speaker: Jurgen Schwarz
Graduate Research Assistant
Department of Food Science
and Technology

Topic: Production and Application of
Yeast Diacetyl Reductase

The purpose of the GEC (Geneva Employee Council) is to provide a means through which employees at the Station can address their problems and work to improve employment conditions and communications within the Station and with Cornell University. The members act as liaisons with the Station to voice your needs or concerns.

Members serving currently are pictured above. (from left: Dale Frankish [Field Res. Unit], Colleen Hunt [Plant Path.], Nancy Staton [Entomology], Cathy Matteson [Plant Path.], Jeanne Samimy [Library], Juliet Teng [Entomology], Molly Ross [IPM], Ann Cobb [Plant Path.], Janet Garlick [IPM], Jim Ballerstein [Hort. Sci.], and Alan Soper [Field Res. Unit]). These members welcome your questions, concerns, or suggestions. We also welcome any Station employees to the meetings, and beginning this Fall, we hope to meet informally, over lunch, with individual departments to promote awareness of the Council and to begin an ongoing dialogue with employees.

GEC meetings for 1993 will be held in the Sawdust Cafe on the following Thursdays from 11:30 am until 12:30 pm: May 13 (meeting with Director Jim Hunter), September 9, and December 9. Everyone is welcome to attend!

**Arbor Day
Celebration
Today at
3:30**

The Geneva Arboretum Association, based on our campus, invites all Station staff to Join us for our Fourth Annual Tree Planting Ceremony as we commemorate Arbor Day 1993. This year's ceremony will take place at the Pavilion in the water tower area by Jordan Hall at 3:30 pm, Friday, April 30 (New York's Arbor Day). Director Jim Hunter has approved our request to allow employees to leave work a half-hour early, with supervisor's approval, to attend the ceremony.

Spring Has Sprung!

If you have been out and about during this nice weather, you may have seen the new spring bulbs that are coming up in various areas on the campus. They are the result of plantings done by the greenhouse crew last fall and are part of the Geneva Arboretum Association efforts to improve the quality of life here at the Station. The three hundred dollars worth of bulbs are scattered in various campus areas. Be on the look out for them as they bloom. Locations are as follows: Lower rock garden: crocuses, tulips (under Mountain ash on Sturtevant south lawn); middle rock garden (former fish pond): tulips; around Station signs (Jordan Hall, Castle creek): daffodils; Campus warehouse under trees: tulips; under George MacDonald tree, Hedrick south lawn: tulips, and IPM building south of patio: tulips. The Association would like to again thank all those whose donations made these planting possible! *Enjoy!*

CLASSIFIED

HOUSING NEEDED: Young family relocating from out-of-state wish to rent 2-3 bedroom home in Geneva (or close by) on a month-to-month basis. Interested in option to buy or outright purchase if right property. Prefer North Street School area. Have well trained and behaved pets. Please contact Kevin Lungerman, Horticultural Sciences, x239, or home 789-4730.

SUMMER HOUSING NEEDED: Graduate student looking for place to rent, sublet, or share. Please call Henry Facundo on the Ithaca campus at 5-2096.

FOR RENT: Garden Cottage, Rockport, MA. Four weeks still available: May 22-29, May 29-June 5, June 5-12 and June 19-26. Call Ed Glass at x337 or 789-3797.

HATHA YOGA CLASSES: Taught by Anna Gilman. Reduce stress and improve flexibility and strength. Thursdays 5:30-6:30 pm at Trinity Church, 520 S. Main Street, beginning May 13 for five weeks. Class size limited to 15. Cost \$16.25. Call 789-7223 to register.

Don Crosier (Plant Pathology) was presented his belated retirement gift at a special coffee break on Wednesday, April 21. As you can see, he could hardly wait to try it out!
