

STATION CLUB CHRISTMAS PARTY ON MONDAY

About 80 kidlets and 100 adults will be on hand to greet Santa when he makes his annual Station call next Monday evening. So that they'll be all ready to receive him, the children are asked to assemble in Jordan Hall at 5:30 P.M. at which time they'll wade through cake, ice cream, and milk. To fill in the time until Santa arrives, there'll be movie cartoons, carol-singing, and a showing of last summer's picnic slides. The oldsters will have to satisfy themselves with tea, coffee, and crumpets while the youngsters hold sway. Mr. and Mrs. LaBelle are general chairmen, Mrs. Smith is in charge of the tea, the Ransfords will feed the kids, and the Mellenbachers are worrying about the decorations. The STATION NEWS has received a letter from the North Pole expressing the gratitude of St. Nick to Mrs. Heit and the Ceres ladies for their help in satisfying the youngsters.

Many Stationers will spend their Christmas out-of-state. The Hands left this morning for their annual sojourn in Florida....Also in Florida for a family reunion will be Dr. and Mrs. Pederson.
