

## BIG GAME HUNTER

Mrs. Anna Bingham almost bagged two deer last Friday night and I don't think she has a license. They darted in front of her car on the Thruway and then stopped. Anna couldn't stop in time and ploughed into them. Both deer got up and staggered off leaving the front of the car considerably pushed in. No one else was hurt.

## CONFERRING ON HORT SHOW

Jim Luckett went to Ithaca on Tuesday and spent the day conferring with Tim Butts, Jim Knapp, and Elmer Phillips about plans and exhibits for the New York State Horticulture Society Show to be held in Rochester in January. He also conferred with Jim Estes and Bill Ward about the souvenir booklet to cover the Cornell exhibits at the show.

## STATION ALUMNI

A Christmas card has been received from the Munns in California. Here is their address for those who may want to write them: 416 Duarte Rd., Arcadia, Calif. Dr. Munn asked to have his subscription to the Station News renewed so he can keep track of Station doings.

## UP AND AROUND

We are happy to report that Mrs. Luckett is up and around again. She has been confined to bed for a week with flu complicated with laryngitis. Jim reports that she was up for a short time on Christmas Day while the grandchildren were visiting.
