

STATION NEWS

Vol. 66, No. 16

April 18, 1956

Geneva, N. Y.

AGRICULTURAL COMMITTEE WILL VISIT STATION

The Agricultural Committee of the New York State Canners and Freezers Association will be at the Station Friday. They will review canning crops research in the Veg Crops Department, Plant Pathology Department, and Entomology Department and offer suggestions for additional projects to keep the Station informed of their problems.

GENETICS CLASS TO VISIT STATION

Professor Norman Gillette, Department of Plant Sciences, Syracuse University, will bring his class in Elementary Genetics to the Station on Friday. They will hear Drs. Atkin, Barton, and Einset explain vegetable and fruit breeding work.

ATTENDING MEETING IN ATLANTIC CITY

Dr. Glegg is in Atlantic City attending the annual meeting of the Federation of American Societies for Experimental Biology. He is presenting a paper and will attend a symposium on Radiation Effects.

SPEAKING CONTEST

The FFA speaking contest to pick out the county representative for the state competition will be held in Jordan Hall on Friday. The judges will be Lloyd Curtis of GLF, Ben Miles of Comstock Canning Company, and Professor Luckett.

4-H CLUB MAKES TOUR

Mrs. Henry Bennett will bring her 4-H girls to the Station Wednesday afternoon for a tour. Scheduled stops are the museum, the seed lab, the entomology department for a talk on the European Chafer, the food science department where the girls will learn something about cherry pie mixes, and time permitting a tour of the Station greenhouses.

WILL SPEAK TO COLLEGE CLUB

Frank Boyle will speak at the College Club Dinner April 25th. Frank will illustrate his talk on Hawaii with slides taken on his recent stay there.

SUPERVISING VINEYARD OPERATIONS

Dr. Shaulis is spending the early part of the week at Fredonia. He is supervising operations in the vineyards.

FORMER STATION STAFFER IN NEWS

Major General Derrill M. Daniel, a former Station entomologist, and now commander of the 11th Airborne Division in Augsburg, Germany, recently made the news by restricting his entire division to their post for the weekend. General Daniel imposed this restriction because of a wave of brawls in German beer halls involving his division personnel.

NEW EMPLOYEE

Miss Grace Fox started this week as a new research assistant in the Food Science Department. Grace has a B.S. from Cornell and will be working for Doctor Kertesz.

STORK ARRIVES

Congratulations to the Joe Keplingers on the birth of a son last Friday at 3:50 A.M. Mother and son are doing fine. Joe's mother-in-law has arrived and will spend several weeks.

ELIZABETH MARGARET LAMB IS HOME

The Lambs have named their daughter Elizabeth Margaret and she is now home. Barbara's parents, Mr. and Mrs. Imhofe, are visiting this week so Bob is back to work for a much deserved rest.

VISITING HIS PARENTS

Dr. Pederson's son, Donald, now in Residency at Massachusetts General Hospital, and his family are spending a week with Dr. Pederson. Grandpop says his grandchildren really keep him on his toes.

PROGRESSING SATISFACTORILY

Leonard Feddema, a graduate assistant with Veg Crops is in the Infirmary at Cornell with a collapsed lung. Professor Sayre says that he is making good progress.

HECTIC WEEK!

According to Bob LaBelle the virus bug felled his whole family last week. It was quite a session, according to Bob.

4 ACRES PLOWED

The Entomology Department started on their plowing last Friday and got four acres turned under. In view of the weather this is probably four acres more than anybody else.

SPORTING NEWS

It is rumored that Clifford Davis, Jr., has purchased a fishing license. The greenhouse crew says that they've started him in right---on smelt. When he can handle them they're going to introduce him to larger fish.

BRIDGE PARTY

The Station Bridge Party will be held Friday evening, April 20th, at 8:00 P.M. in Jordan Hall.
