## DISCUSSION FOR NEW STANDARDS

Mr. Bostwick and Mr. Leonard Fenn from the Agricultural Marketing Service of the USDA, Floyd Wilson from the Empire State Pickling Company, Lon Flanigan from the Seneca Kraut Company, are meeting with Dr. Pederson this week to discuss new standards for sauerkraut.

\*\*\*\*\*

## VISITOR FROM BOTANIC GARDENS

Miss Gunny Larson from the Brooklyn Botanic Gardens is visiting the Station. She is interested in raspberries and small fruits. George Slate showed her some of the strawberry work they are doing and she tasted berries from some of the new seedlings being evaluated.

\*\*\*\*\*

## VISITOR FROM IRAQ

Mr. Abbas Shyja from Baghdad, Iraq, visited the Station last Sunday. He is in this country under the auspices of the State Department and will be working in the Youth Bureau in Geneva for a month. At home he is a supervisor of an agricultural center and his job resembles that of our county agent.

\*\*\*\*\*

## VISITOR INTERESTED IN STRAWBERRY SELECTIONS

James Cartwright, graduate student in Pomology from East of Scotland Agricultural College in Perth, Scotland, visited the Station the early part of the week. He is interested in some of the new strawberry selections.

\*\*\*\*\*

## ARRANGING TOUR

Glenn Nice, county agent for Ontario County and Fred Corey, assistant county agent for Monroe County, will meet at the Station on Monday, July 9th to make arrangements for a tour of the Western New York County Agents Association which will take place July 16th.

\*\*\*\*\*

## BACK FROM MEETING IN WASHINGTON

Dr. Hand attended the 50th anniversary of the Founding of the Food and Drug Administration which was held in Washington last week. Highlight of the meeting was a talk by Mrs. Wiley, widow of the man who was chiefly responsible for getting the first pure food and drug act passed in 1906.

\*\*\*\*\*

## VISITS GENEVA

Mrs. Leon R. Streeter of Portland, Maine, spent several days in Geneva recently, having been called here by the death of Miss Anna Brooks, a close friend. The late Leon Streeter served in the Chemistry Department here from 1921 to 1929. Their younger daughter Joyce is to be married August 14th to a professor at the University of Maryland.

\*\*\*\*\*

## HOME FROM SABBATIC

Dr. Braun is back from his Sabbatic in Beltsville, Maryland. Saw him Monday morning busy getting organized in his work here. He says he's glad to be back.

\*\*\*\*\*

MAIL BAG

Dr. Clark received a letter from Mrs. Munn on Monday. Dr. Munn underwent major surgery on June 18th at St. Luke's Hospital in Pasadena, California. He will be in the hospital for several weeks. She says he would welcome cards from Station friends. His address is Room 207, St. Luke's Hospital, Pasadena, Calif.

\*\*\*\*\*

ANNOUNCEMENT FROM ITHACA

Announcement has been made of the appointment of Professor Peterson as Controller of the University in addition to his duties as financial officer of the college. His new duties will probably eliminate his monthly visits to the Station.

\*\*\*\*\*

ON THE SCENE

"Cap" Bigelow, Dr. Hofer, and Janice Allen were in the circus tent Sunday night when the wind collapsed it. None were injured, but Janice's sister-in-law was knocked down by a tent pole and was taken to the hospital where she was examined and released.

\*\*\*\*\*

SHIFTS IN PLANT INTRODUCTION

Francis Goodrow started work Monday in Plant Introduction, a shift from Veg Crops where he had been working. Charles Certo left Plant Introduction Monday to take a job as an accountant in Bradford, Pa.

\*\*\*\*\*

NEW MAN

The farm crew has a new man, Harold Bremer reported for work in June at the job vacated by George Lindenberg when he retired. Harold resides in Phelps.

\*\*\*\*\*

HERE & THERE

Dr. Robinson arrived home Friday from his three week vacation trip to Florida. Robbie says the trip through the Great Smokies is really tops. He has a fine system worked out. Travel one day and camp the next with small side trips. He puts up the tent, Alice cooks the meals and the rest of the family set up the camp. ....Jane O'Malley paid a visit to her old haunts in Food Science Monday morning. Her father had an operation on Monday and Jane came up to be with the family..... Milton Christenson is back at Food Science for the summer. "Chris" says he will probably be here until the first of the year...."Mike" Dunham, field assistant working with Dr. Glass, and Beverly Buck were married on June 22nd. They are back at the Station after a trip to Lake Placid and the Adirondacks.

\*\*\*\*\*

HERE FOR A VISIT WITH PARENTS

Gunter Jahn and his family arrived Monday afternoon for a month's visit with his parents, Mr. and Mrs. Hermann Jahn. They loaded their station wagon with luggage, three children, and a dog and made the trip from Minneapolis in three days. Incidentally, Hermann's younger son, Harrison and his wife, left several weeks ago after spending a week here, so the Jahns are getting to see the entire family this year.

\*\*\*\*\*

FREE MULBERRIES AND KITTENS

Dr. Tashiro has free mulberries for anyone who wants to pick them. He also has kittens for free. Address is 445 William Street.

\*\*\*\*\*

STATION PICNIC

Don't forget the Station picnic July 14th. Full information in next week's Station News.
