# Stunning student victory at the annual hockey game

🐾 Friday, April 19, 2013 - 12:00am

## Suspicious Student Roster - Call for ID check next year

In a tight game before a huge crowd, Norm Ducharme skated the front of the pack with 60 saves, but he couldn't stop the student team that was helped by the outstanding recruitment effort that attracted high calibre, first-year DVM students. (Somehow this got by the admissions committee, but screening will be improved in the future!)

Many thanks to Steve Lamb and Gina Dinallo for organizing this annual event; to Kathy Earnest-Koons for announcing; to student Andrew Tonnell for photographing the event; and to all for participating. Please stay tuned: the Carmichael Cup will be updated and displayed shortly.
