Dr Sir:-

We desire at an early day to extend our road from its present terminus to West Kansas City, and would like to confer with your people to see what arrangements we can make with them for the use of your track from the Bridge Depot to the Union Depot & elsewhere on their track in West Kansas.

We are now rapidly building our road to Lexington and, expect to have it completed by Dec 1st to that point. Therefore desire to make our connection with the Union Depot & west Kansas at the earliest day possible.

Yours Truly

F. C. Eames
