"Standard Company"

Lawrence, Kansas

Gentlemen:

I find upon my table a little account for your paper amounting to \$6.75, with the request that I remit the same to you.

During the time the paper was sent it was, as I supposed, to the Railroad Company in return for favors granted it — it being my practice to send passes as requested by you. Am I mistaken in this theory?

Yours respectfully,

R. S. Stevens

G. Manager
