P. Smith, . Esq.
Chf. Eng'r.
Dr. Sir:-

Mr. Godfrey is about opening a new coal mine on our line of Road. This necessitates a side track that he will grade & put in order for iron. As Mr. G. is ready to commence grading, I wish you would at once examine proposed location of siding & if same is not objectionable on account of gradients or other causes, stake out & give him estimate of quantities, &c.

Yours,
R. S. Stevens
Genl. Mgr.
