Enclosure

James Carr, Esq.
Atty.

Dear Sr:-

Your favor of the 8th inst. in reference to the claim of Michael Welch for horses killed and wagon broken at N. River crossing, is recd.

The views you express in reference thereto seem correct, and are fully endorsed by me. The papers in the case are herewith returned, with the request that you reply to Mr. Anderson's communication on the same subject at your earliest convenience. Advise him of such reference, and that the matter is in your hands.

As stated in my previous letter upon this subject it does not seem, in view of the statements of the engineer, fireman and other employes of the Company, that we should be liable for any damages.

Yours respectfully,
R. S. Stevens
G. M.
