Dr Sir:-

I understand from Messrs Carver & Acker that you assured them that you could & would send to this office during the present month \$100,000. toward the interest payable on the 1st January. I trust that in this matter there will be no miscarriage as it is vital that we should have the money to meet our interest. We require \$150,000 for that purpose & hope that you may be able to send us that am't.

Yours Truly,
W^m H. Neilson
Prest
