TO: B. J. Waters
FROM: R. S. Stevens

Dec. 14th, 1875

Dear Sir:-

Yours of the 10th to hand. As previously written you, it is my intention and expectation to do something with the Red River and Rio Grande in the coming spring - at all events will make an effort for a little special legislation in Texas at the earliest day possible. If granted, there is no doubt about the work going ahead. Enclosed I hand you a letter addressed to the president of the A. T. & St. F., which I hope may answer your purpose.

Yours truly,

R. S. Stevens
