Gen'l Manager, &c.

Dear Sir:-

I would again call your attention to the collision at our crossing on Oct 4th. The matter has been fully investigated and should be determined, and I respectfully ask that you notify me in regard to it. There can be no good in further delay and as I understand it you are of same opinions and I consequently feel that I have only to call your attention to it to have it made satisfactory.

Yours Truly
B. S. Bruning
Genl. Supt.
