MENDING

When you have stockings to be darned, collars to be made, or clothes fixed, call up Lois Osborn at Barnes between 9 and 1. There are girls who need this work. You haven't time to do it.

Therefore pay \$.20 an hour and have it done properly.

CLASSES.

JUNIORS.

Sophie Harvith has been appointed chairman of the Freshman Stunt Committee. This means a lot of mighty hard work for her, especially since all of the Juniors are living outside, and it is up to every one of you to help in every way possible. Watch the Bulletin and come to every rehearsal schedule so that Sophie can carry out all the clever ideas she is sure to have. Let's show our sister class what a real stunt looks like.

REVIEW.

The Cornell Women's Review will be out the first of next week. Be sure to sign up now so you won't miss the first number. There will be some things in it which will interest you a lot.

Be Prepared!

SOCIAL SCIENCE CLUB.

The first meeting of the Social Science Club has been postponed to next Monday evening at 7:30, in Goldwin Smith 124. All women of the University are invited to come and hear Marion Crane speak on "The Cornell Woman."
