The social world, bounded by the four walls of Risley, was taken by storm last night by the Senior class. Their caps and gowns, with enough wrinkles ~~enough~~ to make us remember that they had just come from the tailors, proved sensational for their dignity was marked and impressive. The food pleased the children or Frosh, as you will, and we too, feel obliged to admit that it was very good.
The Russell Orchestra lived up to its world wide reputation. Our well know lady-killer, Mr. Van Brunt charmed us as usual. We liked both his leading ladies, Mile. Auleen Russell and Marie Larkin, both charming young women. The dramatic exhibition given by Senerita Francisca Cuffe, was terrifying, causing many tears of laughter. Congratulations to our illustrious Prima Donnas, Mile. Adams and De Vany and their chorouses! A new actor made his debut, with the assistance of the Yair Fraulain Eulerstein, and child actor, the Brownlee baby. He is Sir Carter, Member of House-Gov.
