STUDENT GOVERNMENT.

The University Mass Meeting tonight is an occasion at which all the women students of the University should be present.

It is a question of responding loyally to a definite request made by the University for our attendance. The girls who were here last year remember a similar request made at the time of the dedication of Schoelkopf and remember the large number of girls who came out as a result. Let the number of women tonight prove that on each and every such an occasion we are glad to come out and show our interest as true Cornellians.

Freshmen.

In the Bulletin of the other day we tried to break the news of the enforced postponement of the Hades Stunt as gently as we could. There has been some confusion about this, so Satan would have us tell you that a definite date will soon be announced for after Christmas vacation. He and his illustrious band of imps will get you Freshmen yet! So beware how you take your new privileges, for DDDM awaits the IM RUDENT.

Sophomores.

Although our Stunt has been postponed, don't forget that the work needed for ultimate success, has not stopped for a moment. Let us support it. Committees put on your thinking caps and you devils bethink you of your costumes. Make them during the Christmas vacation. Perhaps mother will help you. At any rate see L. Blauvelt, Risley 349 as soon as possible for materials and patterns for your costumes.

Don't forget the Class Meeting, Wednesday. Your presence is imperative. We all eat at Sage that evening.

ORCHESTRA.

Joint rehearsal of Sage and Risley orchestra in Risley Recreation Room, today at 5 p.m., sharp to practice Paroant music. Everyone please try to be on time.

LANDSCAPE ART.

Topiarian and Kopuria Clubs of Landscape Art Dept. will give a Xmas party on Wed. evening, Dec. 20th at 7:45 p.m. in the Landscape Art Building.
