PAGEANT

DRAMATIC CLUB

With Miss Eager's arrival, Thursday active work for all of us will begin. The committees have been steadily working and Miss Eager will put the final touch to their plans, which means, rehearsals dancing, costuming, making of properties, fixing up the grounds and all the innumerable details that are connected with the Pageant. Very soon folders will be out bearing full directions of how to get here and details of interest to strangers. These will be sent to the Alumnae and to those whom you wish. Pageant post-cards stamps and posters will soon be on sale and so with YOUR help, we can spread the news of our Pageant broadcast by these means.

Last week the Pageant had seven groups of pictures taken at White's representing several scenes in the Pageant. Some of these will appear in the Pageant number of the Review and also in certain papers and magazines.

We certainly have much to thank the Alumnae Association of Ithaca. They have offered to weave baskets for us which would be beyond our means to buy. They have arranged a Tea to be given Saturday at Risley, at which the Seniors will have an opportunity to meet Miss Eager who will be the guest of honor, and further discuss plans for the Pageant.

Meeting of the Pageant Committee in Risley Organization Room 5:15 to-day.
