Sophomores and Freshmen work your hardest in gym from now on so that the next Play Hour will be a "ripping" success. Neither class wants to give away the contest to the other and we are both sure we could win if we tried. It is pretty hard sometimes to do our best when we are tired out from our classes, but victory, or even a good fight, is worth an effort. So let us forget all about ourselves and first remember that we want our class to win, and then make it win!

Crew practice with the machines will begin today. All who have passed the swimming test will report at the armory at 7:30 p. m. sharp.

Y. W. C. A.

Professor Burr will speak at the meeting of the Y. W. C. A. in Barnes Hall this evening at 7:15. Everybody come. Those who have already heard Professor Burr will be sure to want to hear him again, and the others had better come to see what a good talk he will give us.

Mrs. Comstock will address an informal meeting of the Eight Weeks' Club, following the Y. W. C. A. prayer-meeting this evening at eight o'clock in Barnes.

STUDENT GOVERNMENT.

There will be a mass meeting for all women students Friday evening. President Schurman and Dr. Matzke will address us.

Seniors are requested to wear caps and gowns and will sit together.

No Ex Committee Meeting on Thursday.

There will be a special meeting of the Pageant Committee Thursday afternoon at 5:15, Risley Organization Room.

CO-OP.

The Webster Collegiate Dictionary in the thin paper edition is small but very complete. The Co-op sells good things.

Have you seen the radiolite watches at the Co-op? You can see the time at night without a light.
