Mr. Sunday will be here today and the Y. M. C. A. Cabinet has succeeded in obtaining his consent to speak to the girls. The service will be held in Sibley Dome at 2 p.m. and it will be open to all the women of Ithaca. Registration cards will be necessary for the University girls and admittance will be by ticket for the townswomen. Classes will not be excused for the service. Since the Cabinet took the pains to persuade Mr. Sunday to speak to us, it is to be hoped that as many of the girls as can possibly get there will come. The service will last only a half hour and Mr. Sunday's talks are always of the utmost interest to his audiences.

The girls of the University are especially requested to be present at this meeting and a section will be reserved for them.
