## AMBULANCE CON'S.

Have you heard about the American Ambulance Service in France? \$1600 will purchase and fully equip a Ford ambulance automobile. 22 men form a unit, and 25 of our men have volunteered to go into the service. The expense of sending each man is \$300. While the men are trying to raise this money, the women of Ithaca are making an effort to secure enough for one ambulance. Already \$300 has been raised, and there is a dance on Monday night to increase this sum. The movement is certainly worthwhile, and the co-operation of University women will be very welcome.

## LITERARY CLUB.

Don't forget that Professor Broughton will read from Walter Savage Landor at the open meeting of the Literary Club in Risley drawing room at 5 o'clock, this afternoon. All University women are invited.

Do you know?

That one person in Buffalo, N. Y. has stimulated the formation of five automobile parties. They will be only a few of the many motorists coming for

the pageant if you do as well. Do your part for the pageant.
