VOL. II NO

ONE DOLLAR PER YEAR

March 30, 1917.

PAGEANT.

Great progress is being made by the girls who are selling Pageant tickets. Seats will be reserved in order of application, so it is logical to urge your friends to buy their tickets as early as possible. Do your part for the Pageant.

Those girls who got Pageant cards and stickers from Dorothy Dodds please see her before April 3rd and turn in your money.

From time to time there have been printed in the Bulletin lists of girls who were to come to Risley Recreation Room to have measurements taken for costumes. Sage girls in particular seem to have had difficulty in complying with this request so that arrangements have been made for those girls whose names have already appeared and whose measurements have not been taken to come to Alic Street's room A-IV-20, Sage Friday afternoon after 3 o'clock and Saturday morning before 11 o'clock or Saturday afternoon. All measurements must be taken then.

The task before us now may be simple and then gain it may not be. But what is the task you say? Just this - since the sophomores have won in Hockey, in Basket Ball and in the gymnasium championship we must do our best the rest of the year to win baseball and crew. So stick to it, girls, and let this be our banner year. We can do it if we work hard enough.
