STUDENT GOVERNMENT.

REVIEW.

At the Mass Meeting tonight which is compulsory, the purpose for which the proceeds of the Pageant are to be used, will be brought up for discussion. The original intention was to have the money go toward the dormitory fund. Owing to the exigencies of the times however, some folks believe that part of the profits should be turned over to some form of War Relief. The question seems to resolve itself into one of deciding whether we are to help our country first or our Alma Mater. Since it is a pageant given by Cornell women, they should have an opportunity of expressing their opinion in the matter. That opportunity is given to the women tonight. Come and voice your sentiment.

The meeting will be held at 7:30 in Barnes Hall.
