VOL II NO

ONE DOLLAR PER YEAR

May 2, 1917.

EDITORIAL.

A CORRECTION.

The rumours and signs of discontent with the decision of the Pageant Committee in regard to the use of the proceeds are most unpleasant. After an intelligent consideration of the facts how can any one deny that our purpose is fitting? The Pacifist does. Does he hope to attain his ideal by allowing the wounded to die and, thru a process of elimination of material, making war impossible? He claims that he is all for Humanity. Surely he must believe in the alleviation of human suffering. Alleviation must be applied where alleviation is needed most - namely on the battle fields of Europe.

War relief work needs no defence from us - it speaks for itself. There is an old saying that "the proof of the pudding is in the eating." The soldiers of Europe have been eating this pudding for a long time now and they seem to find it very good.

SPORTS AND PASTIMES.

Only 43 Sophomores have passed the swimming test. This must be passed before the end of this term.

The individual Tennis Tournament was not finished last fall because of the bad weather. The list is posted in the gymnasium. Play off your round as soon as you can.

Frances Cuffe has been elected Manager of Senior Base Ball. Volunteers are sadly needed. Can't Y O U help?

PAGEANT.

Nominations for President of Dramatic Club today in Sage, Risley and Home Economics from 12:40 to 2. All senior members of Dramatic Club are eligible.

The notice in yesterday's Bulletin to the effect that absence from a Pageant rehearsal would count as one gymnasium cut was unauthorized. All Freshmen and Sophomores were excused from one weekly gymnasium period on account of the Pageant as it was assumed that every girl would voluntarily attend at least one rehearsal a week or take part in some other way. While co-operating to that extent, however, and anxious to do anything possible to insure a successful performance, the department would hardly be justified in requiring attendance upon what is a purely student activity.
