## PAGEANT.

I would like to express through the columns of the Bulletin my appreciation of the fine work the members of the Pageant cast did at the three performances of the Pageant. From my position near the orchestra stand I could see that each performer was doing her best to make her own part perfect that the whole production might be made the great success that all admit it was.

The work of each committee was excellent and it has been a pleasure to be associated with the Cornell women in the bringing out of this, their first pageant.

Margaret MacLaren Eager.

I should like to thank the girls of Cornell for the interest they have taken in the dances, and have enjoyed working with them in this splendid enterprise. I thoroughly appreciated the way they, as well as the entire cast "stood by their guns" in spite of the rain at the last performance. We can all see what the effect would have been had the ~~rumor~~ rumor been true that the water nymphs were to dance under showering fountains.

Success to the Cornell girls!

Else Eager Hall.

## PAGEANT AUCTION.

Props and costumes will hold an auction - date is at present undecided between Mon, Tues. or Wed. Watch the Bulletin and come for a good time and some good looking souvenirs of our big successful pageant.

All money, tickets and bills must be presented to J. Short today in order that the expenditures and receipts of the Pageant may be balanced.

## 1916 REUNION.

The jolly crowd of twenty-two 1916 girls, who had their reunion dinner at Sage, Saturday night, certainly showed that their class spirit has not diminished any since graduation. When 1918 appeared, despite the inconvenience of costumes and sang to their sister class, they were given an enthusiastic welcome. We hope there will be many more such occasions.

Girls who did not fill out the census card, come to Dr. Matzke's office Monday, Tuesday or Wednesday and do so. It is important that every single woman should be registered.

## ADVERTISEMENTS.
