VOL. II NO

ONE DOLLAR PER YEAR

May 26, 1917.

TAG DAY

work women are doing there.

Due to the small attendance at Mass Meeting, Thursday night, the majority of the girls have not yet heard the particulars with regard to Tag Day. Wednesday, May 30th, is Decoration Day and it has been thought that it would be fitting if that day could be symbolical this year, not only for patriotism, but also for something which will result in material good. Therefore it has been decided to add to the sum already collected for the Women's Ambulance fund by having a Tag Day. Small flags will be used for tags and the tagging will take place all over Ithaca, townspeople included. This project is such a worthy one that it should win the support of all the girls. Everyone can contribute, for even though her share is small, it will help in swelling the common fund. Any sum over ten cents will be accepted.
