SUBJECT

Theodore Cooper Esq.
Consulting Engineer,
New York City.

Dear Sir:—

Learning that you were collecting data for tables of railroad bridges, I take the liberty of sending you copies of diagrams of the bridges on the C. S. R., N. O. & N. E., and V. & M. railroads.

These diagrams are corrected up to Dec. 31st, 1887. Some changes have been made since that time, and, if you wish, I will send you copies of these diagrams corrected up to Dec. 31st, 1888, as soon as I have the corrections made.

Hoping the information contained in these diagrams may be of some use to you, I remain,
Yours very respectfully
Ward Baldwin,
Asst. Eng.
