Stone at track                   2.00
Labor spreading & laying         2.74
Pc. yd.                            4.74

Clear sand cost nothing, but
would have cost an outside
party 50c plus freight
No freight charges are included
in the above, but 6 miles per
mile is about what
they issued be.

The mortar used in this work
