The Missouri Pacific Railway Co.

Office Superintendent of Bridges and Buildings,

Pacific, Mo. Nov., 7-th, 1888.

Theodore Cooper Esq.,

Civil and Mechanical Engineer.,

35 Broadway, New York City.,

Dear Sir:-----

Herewith please find statement of Bridging &c under my supervision, as per your request of October 23-rd, 1888. I have not the data in my office of length of sidings; This information you can obtain of Mr. J. W. Way, Chief Engineer St. Louis, Mo.

There are also a number of lines in the Missouri Pacific System of which I have not the data as to bridging &c, these you can obtain of Mr. R. Harding Superintendent, Wichita, Kas.

Believing the attached statements will meet your wants, I am

Yours Respectfully,

R. M. Peck
Supt. B. & B.
