Dear Sir:

The students I spoke to about sketching the Waterford bridge were very busy and could not do it, so I did it myself; sending results under separate cover by mail to you today. I hope this will be about what you want and will be very glad to supply any omissions or give any information obtainable here. I hope to be able to send you a photo. shortly.

Knickerbocker the owner has the minutes of the proceedings of the stockholders from the beginning and the dates on drawing come from those minutes. Yours truly
