

HARRISBURG BRIDGE COMPANY

223 MARKET STREET

HARRISBURG, PA.

WILLARD S. YOUNG

SECRETARY AND TREASURER

May 29th, 1902.

Mr. Theodore Cooper,

#35 Broadway,

New York City.

Dear Sir:-

Yours of the 26th inst., giving in full the terms for acting as consulting engineer for the proposed steel bridge at this point, has been received. Our bridge company has just selected Mr. H. R. Leonard, engineer of bridges for the P. R. R., to serve in this capacity.

Thanking you for your proposition, we beg to remain,

Yours truly,

*Henry McCosmick Jr.* President.
