Mr. Cooper Esq.

Dear Sir,

I am to inform you that the plans for the bridge were drawn by Mr. J. S. Laurie in 1872.

The work of excavation began in the last week of June 1865.

The bridge was completed on Feb. 1st, 1866.

The cost of the iron work (from England) was £173,109 6d.

The above facts are published in a pamphlet.

Yours truly,

G. H. Thomson
