

T.C.-2.

formerly belonged to his family, no doubt he would be very glad to show it to you.

In answer to your second query, as to whether there were any iron bridges on the New York Central Road before Mr. Hilton commenced designing them, upon enquiry, I find that there were iron bridges before Mr. Hilton's time, designed by a man named Carroll, and this is all the information I have been able to gather in regard to the same.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Walter Kuttel".

Chief Engineer.
